L. Coursey, 2016-12-29 The real problem of the hour is not that we view our problems as insurmountable nor that we fail to view our God as insuperable in the midst of all these problems but primarily that we fail to count our God as inestimable even above our need to solve all of these problems It is the failure to perceive the supreme glory of Christ that moves the church to promote counterfeit offers that compete with His glory and moves men to receive a counterfeit Christ whose highest value consists not of His own excellency but of His willingness to bestow upon us that which our earthly carnal and temporal nature counts most excellent This magnetic pull of the world upon our affections will only cease by a God ward attraction It is in the face of Jesus Christ that the brightness of the glory of God shines forth He alone is the brightness of His glory And unless we exalt Him to preeminence we know nothing of that glory **Complete Works of Thomas Brooks** Alexander B. Grosart, Thomas Brooks, 2021-03-12 *God Hasn't Forgotten You* Robert J. Morgan, 2025-09-09 Through the story of Zechariah and Elizabeth we are reminded that God remembers us and keeps His promises Robert Morgan dives deep into Scripture around the birth of the Messiah and helps us discover the glorious victorious life that awaits us in Christ The story of Zechariah and Elizabeth is often overlooked in the story of Christmas as people jump right to Luke chapter 2 glossing over the importance of this elderly couple's story The angel

Gabriel announced to them that they would bear a son John who would prepare the way for the Lord Jesus They were the original heroes faithfully serving the Lord and studying His Hebrew Scriptures every day when God burst into their lives and gave them the opportunity to set into motion the events triggering the first coming of Christ God has been planning something special for you for a long time Maybe it feels as long as those 400 years between the Old and New Testaments and you've grown weary of waiting for a Word from the Lord Are you discouraged Have you given up hope As you examine closely the amazing story in Luke chapter 1 you will discover 24 God lessons that will impact your life including how God appointed you for this very time God works grace into your grief God wants to use you whatever your age God can eradicate fear from your heart and God desire your help in raising up a new generation to serve him God intends to give you Spirit filled life and a Christ centered victory He intends to use your preordained personality for His preordered purposes Zechariah and Elizabeth want to tell us that God delights in sneaking up on His children with blessings unforeseen with grace from above so that we can experience a glorious victorious life through Jesus

The Rise of the Laity in Evangelical Protestantism Deryck Lovegrove, 2003-08-29 This comprehensive investigation into the involvement of ordinary Christians in Church activities and in anti clerical dissent explores a phenomenon stretching from Britain and Germany to the Americas and beyond It considers how evangelicalism as an anti establishmentarian and profoundly individualistic movement has allowed the traditionally powerless to become enterprising vocal and influential in the religious arena and in other areas of politics and culture

1650-1850 Kevin L. Cope, 2019-04-01 With issue twenty four of 1650 1850 this annual enters its second quarter century with a new publisher a new look a new editorial board and a new commitment to intellectual and artistic exploration As the diversely inventive essays in this first issue from the Bucknell University Press demonstrate the energy and open mindedness that made 1650 1850 a success continue to intensify This first Bucknell issue includes a special feature that explores the use of sacred space in what was once incautiously called the age of reason A suite of book reviews renews the 1650 1850 legacy of full length and unbridled evaluation of the best in contemporary Enlightenment scholarship These lively and informative reviews celebrate the many years that book review editor Baerbel Czennia has served 1650 1850 and also make for an able handoff to Samara Anne Cahill of Nanyang Technological University who will edit the book review section beginning with our next volume Most important of all this issue serves as an invitation to scholars to offer their most creative and thoughtful work for consideration for publication in 1650 1850 About the annual journal 1650 1850 1650 1850 publishes essays and reviews from and about a wide range of academic disciplines literature both in English and other languages philosophy art history history religion and science Interdisciplinary in scope and approach 1650 1850 emphasizes aesthetic manifestations and applications of ideas and encourages studies that move between the arts and the sciences between the hard and the humane disciplines The editors encourage proposals for special

features that bring together five to seven essays on focused themes within its historical range from the Interregnum to the end of the first generation of Romantic writers While also being open to more specialized or particular studies that match up with the general themes and goals of the journal 1650 1850 is in the first instance a journal about the artful presentation of ideas that welcomes good writing from its contributors First published in 1994 1650 1850 is currently in its 24th volume ISSN 1065 3112 Published by Bucknell University Press Distributed worldwide by Rutgers University Press **Critical and ethical** William Wordsworth,1876 The Eclectic Review Samuel Greatheed,Daniel Parken,Theophilus Williams,Josiah Conder,Thomas Price,Jonathan Edwards Ryland,Edwin Paxton Hood,1862 **Practical Observations on the Book of Ruth** C. Matthew McMahon,2024-03-20 The Book of Ruth often perceived as a heartwarming love story is much deeper than its brief 85 verses may suggest Far from just a narrative of an impoverished outcast finding love through the guidance of her mother in law it holds a weighty place in the biblical canon universally acknowledged and inspired by the Holy Spirit for the enrichment of the Church But could there be more to it The true brilliance of Ruth lies in its core message It masterfully illustrates the concept of redemption and how it unfolds through the Kinsman Redeemer The historical context with Ruth s pivotal role as a Moabite convert to true faith further accentuates its significance Her union with Boaz a revered figure among his kin led to the birth of Obed the grandfather of King David The narrative was crafted to affirm David s legitimate claim to the throne emphasizing his divine lineage Yet the true essence of the book transcends earthly monarchies pointing towards King Jesus the Messiah our Spiritual David who emerges as the savior and the ultimate Kinsman In Practical Observations on the Book of Ruth McMahon explores this biblical masterpiece offering insightful verse by verse observations He presents it as a reflection of Christ s Covenant of Grace providing a comprehensive commentary on its relevance to the Christian faith and its practical implications for believers in their everyday lives Be Renewed Willem van Vlastuin,2014-02-19 Personal renewal or sanctification belongs to the heart of the Christian life and is becoming more important in our present day culture Listening to Scripture and in conversation with a variety of theologians from the protestant tradition the author presents an up to date concept for a theology of personal renewal In this concept the spiritual union with Christ unio mystica cum Christo is taken as the starting point in order to consider the way in which renewal obtains form in relation to God our neighbour ourselves and the world To place this concept into a historical perspective van Vlastuin begins his study with an investigation of Luther and Calvin s theology concerning the relationship between the union with Christ and personal renewal The concept is developed within the current theological debate with particular reference to the eschatological character of the Christian life An important issue concerns the measure of renewal especially in relation to the sinful heart of the believer In this context the author also deals with the question of sanctification as a position or a process and the relation between the two In addition the relationship between the Holy Spirit and the human soul in the process of renewal is discussed Another important issue concerns the abiding significance of the law and the way in which it

functions in the Christian life The exploration of several theological positions leads to a modern concept by which to understand law The study concludes with an investigation of the relationship between the eschatological Christian life in this present life and the complete revelation of the eschaton

Woke Religion: Unmasking the False Gospel of Social Justice Wes Carpenter,2021-08-03 In today s society many including Christians want to be woke But has woke become

simply another religion another ploy of Satan s to shred the fabric of Christianity As woke critical theory seeps through the teachings of the Church many Christians are being misled by their own spiritual leaders to take part in the newest attempt for their souls In Woke Religion Unmasking the False Gospel of Social Justice Wes Carpenter unashamedly addresses these heretical teachings calling on those in spiritual authority to deny woke philosophies and cling to the teachings of Scripture Follow Wes as he takes the reader from the stirrings of woke critical theory in Church history to the teachings that are pervading the Church today

The Beauty and Glory of Christian Living Joel R. Beeke,2014-07-31 When the seed of life is sown in their hearts God s people grow up beautifully and gloriously Taking up this botanical analogy The Beauty and Glory of Christian Living opens by discussing the divine roots of the Christian life in being united to Christ in faith being sanctified by the Holy Spirit becoming spiritually minded and living by the means of grace It then explores how our Christian lives branch out to influence our families our workplaces and the world Finally a series of chapters deal with weathering the storms of life when we are pelted with affliction sexual temptation negative thought patterns hard times sickness and death In all of this we see a faithful God who causes His people to flourish for His glory Contributors include Michael Barrett Ian Hamilton John Tweeddale Joel Beeke William VanDoodewaard Brian Najapfour Josh Dear Gerald Bilkes Brian Croft and David Murray Table of Contents Christian Living in Its Divine Roots 1 Living Out Our Faith The Christian Life Inside Out Michael Barrett 2 Living by the Spirit s Sanctifying Ministry Ian Hamilton 3 Living on Things Above John Owen on Spiritual Mindedness John W Tweeddale 4 Living by the Means of Grace How God Beautifies His Children Ian Hamilton Christian Living in Its Human Branches 5 Living in the Family Thoughts from William Gouge Joel R Beeke 6 Living in the Workplace Following in Jesus Steps William VanDoodewaard 7 Living Evangelistically Biblical Motivation for Proclaiming the Gospel Brian Najapfour with Josh Dear Christian Living in Its Earthly Storms 8 Living in the Furnace of Affliction Gerald Bilkes 9 Living Morally in a Sexually Immoral World Brian Croft 10 Living Positively in a Negative Culture David Murray 11 Living through Sickness and Death Brian Croft 12 Living Hopefully in Hard Times The Beauty and Glory of the Book of Judges John W Tweeddale

Discipleship R L Coursey,2018-03-05 As Satan tempted Christ so he tempts us today Pointing to the glory of the kingdoms of the world he says All these things I will give thee if thou wilt fall down and worship me Although always with an air of piety the consumer driven church is lured into following the counsel of Satan while rejecting the example of Christ He who is a deity emptied himself of his privileges and became a man And not just any man but the lowest of men a servant He died not just any death but the cruelest of deaths on a cross as a condemned criminal Such a vision of Christ s

humiliation should consume all of our self interest and pour contempt on all our pride But the vision of the exalted Christ should all the more compel us to renounce our own self importance and self seeking The enslaving power of self love does not only attach itself to the church transforming its spiritual life into empty forms turning its so called good works into monuments of self glory and changing its sacred mission into a search for the significance and fulfillment of self It also enslaves the individual Christian by exalting the self to preeminence Thus it defeats real happiness by producing pride discontent envy bitterness unforgiveness ambition anxiety and a whole host of other destructive qualities that exist for no other reason than to defend and maintain the self that we have erroneously and to our own injury exalted to preeminence Self love will never be made subordinate until we get a glimpse by divine grace of something far lovelier Other idols may be replaced by even more enticing ones but the idol of the self can only be laid aside by the all entrancing vision of the loveliness of Christ

True Sexual Morality Daniel R. Heimbach, 2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture

Gospel-Centered Idolatry R L Coursey, 2022-10-18 Thomas Chalmers in his classic sermon entitled *The Expulsive Power of a New Affection* correctly ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit's work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one's primary concern in life and theology then what exactly is being expelled by the power of the gospel If one's religion does not surpass one's primary concern for what's in it for oneself then one's self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God's steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer's love for God is not found in the objective benefits as they reflect upon the believer's high privileges but God's power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a
