

After William L. Shirer, author of *The Consul's Wife*, was called to a cathedral in Europe after his graduation from college (Yale College, New Haven, Conn.), he intended to spend two months in Paris and return home. But he ended by staying abroad for two decades instead, as a foreign correspondent in news assignments in Paris, London, Vienna, the Balkans, Eastern Europe, Rome, and at last abroad in India, where for two years he followed the rising career of Gandhi. In 1937, Mr. Shirer began the odyssey in Berlin which resulted in his remarkable reports of critical events for the Columbia Broadcasting System and also in his *BREITEN BREIT*. In 1940 he came home to America, but returned to Europe as a war correspondent during the years 1941 to 1945. He now divides his time between a crowded apartment in northwestern Connecticut and New York City, writing and lecturing. In addition to *The Consul's Wife* and *Breiten Breit*, Mr. Shirer's books include *THE CONQUEST OF EUROPE*, *THE CONQUEST OF SOVIET RUSSIA*, and the novel *THE GREAT STRIKE*.

**Reports from the Consuls of the United States on the Commerce, Manufactures, Etc., of Their Consular Districts** ,1886      Reports from the Consuls of the United States ,1892      **Reports from the Consuls of the United States (varies Slightly)** United States. Bureau of Manufactures,1883      *The Consul's Wife* Vera Buck,2002

INTRODUCTION These are the true life adventures and experiences of Joseph and Vera Buck who lived and worked in Cuba from 1917 through 1922 Joseph F Buck my grandfather was appointed to a Consular position in Cuba March of 1917 after having served as the U S Consul to Bremerhaven Germany for five years This story begins as his pretty young bride of three months Vera Elizabeth Buck my grandmother joins him in Antilla Cuba January of 1919 They kept an excellent journal of all their experiences while they were in Cuba and at some point Vera I am sure with Josephs help began converting their records into an historical narrative for posterity She turned a rough unfinished draft of her work over to the University of Michigan Bentley Library sometime in the 1960s In a brilliant far sighted move my grandmother stipulated that the copyrights remain in the family in regards to everything she donated to this library I am her only grandchild and am therefore able to bring these valuable historic accounts to light for the first time Meanwhile my grandfather Joseph F Buck had died of tuberculosis September 14th 1942 three years before I was born My mother died six months after I was born and my grandmother the author of this book passed away in 1971 without ever telling me anything about it at all The reason for this miscommunication was that I was raised 800 miles away from my grandmother and unfortunately not able to get to know her until she was in her seventies I stumbled upon the rough draft of this book purely by the Grace of God while I was doing research on Joseph F Buck my grandfather for a future book of his WWI experiences All the places dates events presidents buildings wildlife boats railroads etc have been researched and verified to the best of my ability and footnoted accordingly The tales of Nico and Giva are both based upon factual history as supported by Joseph Bucks filed reports with the State Department now on record in the National Archives College Park Maryland Our family project that was started by my grandparents eighty five years ago this being the year 2002 has now been completed This has truly been a labor of love and I will advise anyone who is contemplating doing something like this to go ahead and give it a try even though it can be pretty tough going at times To complete a family project for your loved ones who died before they were able to finish it has got to be one of the most rewarding things in life any one of us could ever hope to accomplish Acknowledgments and gratitude must also be expressed to the White Pine Village Ludington Michigan for preserving my grandparents records documents and articles for all these years that my grandparents had donated to the Mason County Historical Society and for all their kind invaluable assistance and support You will notice throughout the book that Joseph refers to Vera as Julie Why Because my grandparents were both very romantic so during their long engagement necessitated by WWI they had to make do with a whole lot of letter writing back and forth across the Atlantic Ocean They referred to each other as Romie and Julie Romeo

and Juliet to help keep romance alive throughout this long ordeal My grandfather cared so deeply for my grandmother that the pet name Julie stuck even after they were married in 1918 Vera certainly didn't mind as she felt the same way about him and their house was a house of love indeed I plan on publishing a series of some of those letters at a later date along with my grandfathers experiences from WWI as they are not only romantic masterpieces but quite historically relevant as well Let us now return to a time long ago in a land that was much different than it is today We travel to The Pearl of the Antilles Cuba 1917 1922 and The Consul's Wife Chris Edwards **The Wife's Sister; Or The Forbidden Marriage** Catherine Anne Austen Hubback, 1851 Maryland Medical Journal, 1895 We, The Consuls Michael J. Bernardo, 2005 **Chatterbox**, 1906 **Meiji Graves in Happy Valley** Yoshiko Nakano, Georgina Challen, 2024-11-15 The Hong Kong Cemetery in Happy Valley is home to over 470 graves connected to the city's Japanese population Most of these graves belong to individuals who died during the Meiji era 1868 1912 a remarkable period of modernisation and opening up of Japan that saw thousands of its inhabitants travel to other parts of the world to study work and settle Who were these people What were they doing in Hong Kong And why were unbaptised Japanese buried in what was called at one time the Protestant Cemetery Hong Kong's Meiji era Japanese community was one of two halves Company executives sat atop the social ladder and karayuki-san or prostitutes occupied the lower echelons with tradespeople and professionals somewhere in between By revealing the personal journeys of these mostly forgotten Japanese the authors aim to add to transnational perspectives on Hong Kong and Japan during the late nineteenth and early twentieth centuries as well as increase recognition of this fragmented community's place in the development of this diverse city Nakano and Challen unlock the secrets of the graves and bring to life the Japanese individuals of diverse backgrounds who had lived and died in Hong Kong Thoroughly researched and sensitively written the book throws light on the many factors that had made possible Hong Kong's multi ethnic communities and widespread transnational connections Powerful and mesmerising Elizabeth Sinn The University of Hong Kong Through their meticulous and sensitive analyses of the Meiji era graves in the Hong Kong Cemetery Yoshiko Nakano and Georgina Challen bring to life the city's historic yet often forgotten Japanese community Thoughtfully written and richly illustrated *Meiji Graves in Happy Valley* reminds us how the dead do indeed tell tales John M Carroll author of *A Concise History of Hong Kong* *In Search of the Messiah* Peter Hardy, 2023-03-20 Around 750 BC the Assyrians put together Papyrus ink and the Aramaic language and alphabet to create an empire and a technological revolution and humanity has been recording itself ever since In 740 Isaiah one of the first literate prophets wrote about a King that would save his country which has carried down to the present day as every generation works out its own salvation in search of the Messiah **Housing the Stranger in the Mediterranean World** Olivia Remie Constable, 2004-01-15 The Greek pandochēion Arabic funduq and Latin fundicum fondaco were ubiquitous in the Mediterranean sphere for nearly two millennia These institutions were not only hostelries for traders and travelers but also taverns markets warehouses and sites for commercial taxation and regulation In this highly original study

Professor Constable traces the complex evolution of this family of institutions from the pandocheion in Late Antiquity to the appearance of the funduq throughout the Muslim Mediterranean following the rise of Islam By the twelfth century with the arrival of European merchants in Islamic markets the funduq evolved into the fondaco These merchant colonies facilitated trade and travel between Muslim and Christian regions Before long fondacos also appeared in southern European cities This study of the diffusion of this institutional family demonstrates common economic interests and cross cultural communications across the medieval Mediterranean world and provides a striking contribution to our understanding of this region

*Declamation on the Nobility and Preeminence of the Female Sex* Henricus Cornelius Agrippa, 2007-11-01 Originally published in 1529 the *Declamation on the Preeminence and Nobility of the Female Sex* argues that women are more than equal to men in all things that really matter including the public spheres from which they had long been excluded Rather than directly refuting prevailing wisdom Agrippa uses women s superiority as a rhetorical device and overturns the misogynistic interpretations of the female body in Greek medicine in the Bible in Roman and canon law in theology and moral philosophy and in politics He raised the question of why women were excluded and provided answers based not on sex but on social conditioning education and the prejudices of their more powerful oppressors His declamation disseminated through the printing press illustrated the power of that new medium soon to be used to generate a larger reformation of religion

**Educating the Women of Hainan** Kathleen L. Lodwick, 2021-12-14 For Margaret Moninger a brilliant fun loving and dedicated young woman from Iowa a career as a missionary in China promised adventure and the chance for responsibility and authority denied most American women of her time In 1915 she went as a Presbyterian missionary to Hainan Island China s southernmost territory where she remained until repatriated in 1942 During her years in Hainan Moninger played many roles she headed a girls mission school wrote scholarly articles on the Miao aborigines collected botanical specimens for scientists at home and served as mission treasurer She was responsible for communications with American diplomatic personnel and was one of only six women appointed to the Presbyterian China Council which set mission policies for all of China Kathleen Lodwick s biography the first devoted to a single woman missionary is based primarily on the long newsy letters Moninger wrote her family every Sunday of her missionary years and on those of a fellow missionary It will be of interest to scholars in Asian studies religious studies and anthropology

Servilia and her Family Susan Treggiari, 2019-01-03 Servilia is often cited as one of the most influential women of the late Roman Republic Though she was a high born patrician her grandfather died disgraced and her controversial father was killed before he could stand for the consulship she herself married twice but both husbands were mediocre Nevertheless her position in the ruling class still afforded her significant social and political power and it is likely that she masterminded the distinguished marriages of her one son Brutus and her three daughters During her second marriage she began an affair with Iulius Caesar which probably lasted for the rest of his life and is further indicative of the force of her charm and her exceptional intelligence The

patchiness of the sources means that a full biography is impossible though in suggesting connections between the available evidence and the speculative possibilities open to women of Servilia's status this volume aims to offer an insightful reconstruction of her life and position both as a member of the senatorial nobility and within her extended and nuclear family. The best attested period of Servilia's life for which the chief source is Cicero's letters follows the murder of Caesar by her son and her son-in-law Cassius who were leaders among the crowd of conspirators in the Senate House on the Ides of March in 44 BC. We find her energetically working to protect the assassins' interests, also defending her grandchildren by the Caesarian Lepidus when he was declared a public enemy and his property threatened with confiscation. Exploring the role she played during these turbulent years of the late Republic reveals much about the ways in which Romans of both sexes exerted influence and sought to control outcomes as well as about the place of women in high society, allowing us to conclude that Servilia wielded her social and political power effectively though with discretion and within conventional limits.

Tourist, 1923      *Journey to the Maghreb and Andalusia, 1832* Eugène Delacroix, 2019-03-27 In 1832 Eugène Delacroix accompanied a French diplomatic mission to Morocco, the first leg of a journey through the Maghreb and Andalusia that left an indelible impression on the painter. This comprehensive annotated English language translation of his notes and essays about this formative trip makes available a classic example of travel writing about the Orient from the era and provides a unique picture of the region against the backdrop of the French conquest of Algeria. Delacroix's travels in Morocco, Algeria and southern Spain led him to discover a culture about which he had held only imperfect and stereotypical ideas and provided a rich store of images that fed his imagination forever after. He wrote extensively about these experiences in several stunningly beautiful notebooks, noting the places he visited, routes he followed, scenes he observed and people he encountered. Later, Delacroix wrote two articles about the trip: *A Jewish Wedding in Morocco* and the recently discovered *Memories of a Visit to Morocco* in which he shared these extraordinary experiences.

revealing how deeply influential the trip was to his art and career Never before translated into English Journey to the Maghreb and Andalusia 1832 includes Delacroix s two articles four previously known travel notebooks fragments of two additional recently discovered notebooks and numerous notes and drafts Mich le Hannoosh supplements these with an insightful introduction full critical notes appendices and biographies creating an essential volume for scholars and readers interested in Delacroix French art history Northern Africa and nineteenth century travel and culture *St. Louis Law Review* ,1929     **Our Man in Belize** Richard Timothy Conroy,2025-09-23 A settlement established by shipwrecked English sailors in 1683 Belize is now a country of wildlife refuges and spectacular snorkeling reefs Conroy vividly and hilariously recounts his adventures in a very different Belize Conroy admits in Our Man in Belize that his tales have taken on a life of their own tales of disasters for example like the dinner party at which an Obeah witch doctor blew up the consulate oven causing the suddenly bald cook to quit in mid meal and the equally unsettling occasion when huge tropical roaches attracted by the gracious candlelight plunged helplessly from the ceiling into the guests bowls of gazpacho He describes the unorthodox social mores of the town whose bordello was a barely hidden enterprise of the town s most respectable citizen and he brings to vivid life the charming Belize people and their ways Conroy also recounts the tragedy of Hurricane Hattie which killed four hundred people on Halloween Eve in 1961 and changed the Belize way of life forever None of the cheerful chaos and disorganization was what Conroy expected when he arrived in this small Central American country with his wife and two daughters to face some of the most bizarre experiences of day to day diplomatic life
