

The Old Home Place

John M. Coggeshall

The Old Home Place:

The Old Home Place Alvin H. 'Al' Terrell, 2012-09 America home of the brave and the free This is a well deserved description of America but it hardly describes the complexity of our great nation Describing America would be like describing a large moving picture that is constantly changing Each of its many components is different than all the others To understand America one would have to understand every individual in every culture in every community To leave out any piece of the big picture would distort America s image and deny the opportunity to know America itself This book gives the reader a piece of the big picture that represents a bygone era As a nation we have made a lot of progress over the years and we can be proud of our accomplishments but we should remember our roots are the foundation of our success Go back in time with the author to relive the old stories just as they happened in the 1940s 1950s and 1960s in rural Arkansas Experience the humor nostalgia and the tragedy of a bygone era Each reader will experience something different but will come away enlightened having enjoyed these glimpses of a simpler time

Back to the Old Home Place Johnny Napier, 2009-12-03 This story takes place in the mountains of Eastern Kentucky A man name George moved back to Kentucky after being gone for about twenty years But when he came back he had three kids with him And those kids didn t know any thing about being in the mountains because they had never been here before As far as that goes they had never been to any mountains before But they was about to find out what it was really like to be country kids for the first time in their lives George came back and found them a house and it needed some work on it so he decided to fix it up and the kids were going to help him His oldest boy was Charlie and he was ten years old and he had two girls Mary and Martha Now Mary she wasn t too bad for getting into things which she was only eight year old But now Martha she was something else she was seven years old and got into anything she could she makes poor old George a nervous wreck some time because he never knows where she is at He depends on Charlie to help him out a lot with Martha because he has to work around the house trying to get it fixed up for them to live in Charlie helps him as much as he can But since he is only ten years old he can only do so much but he does a good job watching her as much as he can And believe me she is a hand full some time Georges wife got killed in a car wreck a couple years before they came back home So George was trying to get the kids and him self back in order because they had all kinds of memories their and he had to get away from that place It was driving him nuts and he needed a change in things so he thought he would just bring the kids back home where he came from and that place was Harlan county Kentucky

Appalachian Home Cooking Mark Sohn, 2005-10-28 Mark F Sohn s classic book Mountain Country Cooking was a James Beard Award nominee in 1997 In Appalachian Home Cooking Sohn expands and improves upon his earlier work by using his extensive knowledge of cooking to uncover the romantic secrets of Appalachian food both within and beyond the kitchen The foods of Appalachia are the medium for the history of a creative culture and a proud people This is the story of pigs and chickens corn and beans and apples and peaches as they reflect the culture that has grown from the region s topography

climate and soil Sohn unfolds the ways of a table that blends Native American Eastern European Scotch Irish black and Hispanic influences to become something new and uniquely American Sohn shows how food traditions in Appalachia have developed over two centuries from dinner on the grounds church picnics school lunches and family reunions as he celebrates regional signatures such as dumplings moonshine and country ham Food and folkways go hand in hand as he examines wild plants cast iron cookware and the nature of the Appalachian homeplace Appalachian Home Cooking celebrates mountain food at its best In addition to a thorough discussion of Appalachian food history and culture Sohn offers over eighty classic recipes as well as mail order sources information on Appalachian food festivals photographs poetry a glossary of Appalachian and cooking terms menus for holidays and seasons and a list of the top 100 Appalachian foods *Mississippi Home-places* Elmo Howell,1988 Explores Mississippi for the purpose of identifying and describing homes and sites related to prominent literary and historical figures with Mississippi connections *Carolina Piedmont Country* John M. Coggeshall,1996 **The Red Feather** Tom Elliff,2017-10-10 Family problems are often the most burdensome of challenges but they are the most important for us to resolve In *The Red Feather* Tom Elliff shares a personal story of how a red feather came to symbolize the incredible power of God s extravagant love and forgiveness in the midst of divorce a car accident Alzheimer s disease and death Centered around Christmastime this story will provide hope and encouragement in all seasons **The Gaithers and Southern Gospel** Ryan P. Harper,2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity **A Life Story in Poems** Paul F. Dudley,2008-09 Continuous prosperity can be within our grasp provided we institute the simple economic reform fully documented in these pages This is what this book promises Most readers will get a tax break Absolutely no taxes on produced things All land sites would be used productively No diminution at all in

government revenues It sounds almost too good to be true but these four benefits have already occurred whenever it has been tried in actual practice This is important a proposal must be not only simple and logical but tested Prospective readers should know that there is a veritable mountain of empirical evidence proving each of these four points see chapter three Much more hard empirical evidence is available but uppermost in the author s mind was the readability of this book Heavy subject light treatment You be the judge If this simple proposal is not enacted then America and the other democracies in the world will slowly tax themselves into benevolent dictatorship no doubt still called democracy and socialism probably called compassion It s happening already Free enterprise can t work without it and will soon disappear You should know that literally hundreds of well known historical figures and urban experts have endorsed this proposal see chapter five You could know what they know To find out what this proposal is you will have to read the book Suffice it to say here that there is a good tax that actually promotes the economy even if the revenue it produces is thrown away If this book s proposal can accomplish the above four benefits this book then is truly epochal The proposal becomes the most important idea since the beginning of human history Simplicity and readability these have been the watchwords of the author while writing this book He has not found it necessary to obfuscate It has been his primary intention to make this book not only vitally important but a joy to read no jargon allowed
