The Old Place:

The Old Place Bobby Finger, 2023-08-29 Winner of the Crook's Corner Book Prize One of Vanity Fair's Best Books of the Year A bighearted and moving debut about a wry retired schoolteacher whose decade old secret threatens to come to light and send shockwaves through her small Texas town Billington Texas is a place where nothing changes Well almost nothing For the first time in nearly four decades Mary Alice Roth is not getting ready for the first day of school at Billington High A few months into her retirement or district mandated exile as she calls it Mary Alice does not know how to fill her days The annual picnic is coming up but that isn't nearly enough since the menu never changes and she had the roles mentally assigned weeks ago At least there's Ellie who stops by each morning for coffee and whose reemergence in Mary Alice's life is the one thing soothing the sting of retirement Mary Alice and Ellie were a pair since the day Ellie moved in next door That they both were single mothers Mary Alice widowed Ellie divorced with sons the same age was a pleasant coincidence but they were forever linked when they lost the boys one right after the other Years later the two are working their way back to a comfortable friendship But when Mary Alice's sister arrives on her doorstep with a staggering piece of news it jeopardizes the careful shell she's built around her life The whole of her friendship with Ellie is put at risk the fabric of a place as steadfast as Billington is questioned and the unflappable knotty fixture that is Mary Alice Roth might have to change after all

Hunting at the Old Place Duane Broxson, 2012-02 Hunting at the Old Place is an authentic account of a days hunt with the author's Broxson family hunting party It describes the old traditional method dog hunters of the South used to supply food for their families It is more than just a true hunting account It speaks about the character and love of a traditional Southern family moved from the land they loved by eminent domain to serve the nation in a time of war It speaks about values long lost in a modern selfish and indulgent society It speaks about the powerful influence a man of character can have for his children and his grandchildren The book introduces this family and its setting for a memorial in the appendix
