Theology of the Old Testament Gustav Friedrich Oehler, 1883 Gustav Friedrich Oehler was an Old Testament scholar and professor at Tübingen in Germany At this time he was among the foremost proponents of theological conservatism with regard to the Old Testament rejecting the rationalism of Schleiermacher and the liberal school arising from his work For Oehler the Old Testament is an account of real history and divine revelation rather than a product of mere human development This two volume set published after Oehler's death by his son in 1874 contains the contents of Oehler's three decades of lectures on his area of expertise This early work of Biblical Theology explains the progressive revelation of divine truths from the first chapters of Genesis through the end of the Old Testament It contains both a history of God's people and an examination of the theological convictions of the Old Testament authors as moved by the Spirit

Introduction to the Old Testament as Scripture Brevard S. Childs, 1979 This Introduction attempts to offer a different model for the discipline from that currently represented It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed
