Bank of Dave Dave Fishwick, 2012-05-10 This is the real story that inspired the Netflix film *Bank of Dave* Dave Fishwick is a self made straight talking man from Burnley who hates the banks Fed up with never ending tales of greed and corruption he sets out to prove that there is a different way of doing things by opening his own bank to help inject much needed life into local businesses In his bid to set up a simple no nonsense bank that actually cares about its customers Dave plans to use hundreds of thousands of pounds of his own money His enterprise will offer his customers a far better rate of interest than they get on the high street he will lend to struggling local businesses that the banks don't want to know about and he aims to bring the Bank of Dave into profit within 180 days If he succeeds he'll give whatever he makes to charity If he fails he'll make a terrible loss and ruin his hard earned reputation as a successful businessman Can one man really take on the banking giants and make a real difference to local businesses and his community Dave Fishwick certainly hopes so *The Economist*
