The Orders Templarism:

Knights Templar Tactics and Drill Knights templar (Masonic order). Grand commandery, Freemasons. Michigan. Knights templars. Grand commandery, Knights Templar (Masonic order). Grand Commandery (Mich.), 1871 **Historical Sketch of the Order of Knights Templar** Theodore S. Gourdin, 1855 *The Military Religious Orders of the Middle Ages* F. C. Woodhouse, 2010-10 Knights of the sword and Cross The principal tenets of the chivalric code of the Christian Knights of the middle ages were to fear God to protect the afflicted and to serve ones master faithfully The foundation of these essential principles were inevitably fertile ground for the emergence of the military religious orders of the medieval period All was in place but the organisational structure in which the individual could live out his vows and these were introduced in several organisations of varying size and influence This book explains the creation activities campaigns and battles and the knights who lived and fought under the banner of Christ often in opposition to the forces of Islam in the Middle East of the Crusades period Within its pages the reader will discover the Knights of St John the Hospitallers the Knights Templars and many minor but interesting orders including the Order of Avis the Order of the Holy Ghost and the Order of Our Lady of the Lily which flourished in Britain and Europe during the period This is an invaluable insight into the organisation of knights of the medieval period Available in softcover and hardback with dust jacket **The Templar Order in North-west Italy** Elena Bellomo, 2008 Based on extensive archival searches this book provides the first reconstruction of the Templar presence in North west Italy giving general insights into the development and organization of the Order in this area and providing an outline of the history of each Templar house The Order of the Solar Temple Professor James R Lewis, 2013-05-28 In October 1994 fifty three members of the Order of the Solar Temple in Switzerland and Quebec were murdered or committed suicide This incident and two later group suicides in subsequent years played a pivotal role in inflaming the cult controversy in Europe influencing the public to support harsher actions against non traditional religions Despite the importance of the Order of the Solar Temple there are relatively few studies published in English This book brings together the best scholarship on the Solar Temple including newly commissioned pieces from leading scholars a selection of Solar Temple documents and important previously published articles newly edited for inclusion within this book This is the first book length study of the Order of the Solar Temple to be published in English **The Templar Code For Dummies** Christopher Hodapp, Alice Von Kannon, 2011-02-14 A captivating look into the society of the Knights Templar Brought to you by the author of Freemasons For Dummies The Templar Code is more than an intriguing cipher or a mysterious symbol it is the Code by which the Knights Templar lived and died the Code that bound them together in secrecy and the Code that inspired them to nearly superhuman feats of courage and endurance The Templar Code for Dummies reveals the meaning behind the cryptic codes and secret rituals of the medieval brotherhood of warrior monks known as the Knights Templar This intriguing guide will cover such topics as who the Knights Templar were how they rose so high and fell so far and most importantly why there

is so much interest in them today The Templar Code For Dummies will explore myths and theories of Christian history that appear in the Da Vinci Code such as the quest for the Holy Grail the Catholic Church's relationship with women that are hotly debated now with special emphasis on the Templar connection It also explores the surprising part the Templars have played in some of the most important historic events of these past seven centuries including the French Revolution the birth of groups such as the Freemasons and even the American Civil War The Knights Templar on Trial Helen J

Nicholson,2011-08-26 The trial of the Templars in the British Isles 1308 1311 is a largely unexplored area of history Unlike the trial in France where the Templars were tortured into confessing to unspeakable activities in the British Isles there were no burnings and only three confessions after torture Several Templars went missing most of whom later reappeared Outsiders told stories of abominable Templar rituals secret meetings and murders at the dead of night but all these tales turned out to be mere rumour This book is based on extensive research into the records of the trial of the Templars and other unpublished medieval documents recording their arrest imprisonment and trial and the surveys of their property It traces the course of this the first heresy trial in the British Isles from the arrests in January 1308 to the dissolution of the Order and shows how by judicious selection of material the inquisitors made the scanty evidence against the Templars appear convincing The book includes a list of all the Templars in the British Isles at the time of the arrests and a gazetteer of the Templars major properties in the British Isles **TEMPLARS Who were they? Where did they go? Vol 2 of 2** Diana Jean

Muir,2019-01-28 Much has been written about the Knights Templar their code of conduct their way of life the battles and political machinations that took place the trials which ended their order and the 9 men who founded their order and the one who commanded them at the end Jacques de Molay While some work has been done to identify the men and women who served as Templars in individual kingdoms and countries this is the first comprehensive work to merge all of them together and to review the commanderies where they served Volume 2 of this series identifies the commanders seneschals treasurers drapers turcopoliers and more in Spain Portugal Switzerland Italy Rhodes Malta Cyprus Jerusalem Outremer Turkey Greece Armenia Syria Egypt Germany Poland and the Netherlands and the commanderies and fortresses that they built Tour the castles and fortresses that they commanded and learn how each area played a part in the Crusades The Templars Jochen Burgdorf,Shlomo Lotan,Enric Mallorquí-Ruscalleda,2021-04-21 As the oldest of the military religious orders and the one with an unexpected and dramatic downfall the knighthood of the Templars continues to fascinate academics and students as well as the public at large A collection of fifteen chapters accompanied by a historical introduction The Templars The Rise Fall and Legacy of a Military Religious Order recounts and analyzes this community's rise and establishment in both the crusader states of the eastern Mediterranean and the countries of western Europe during the twelfth and thirteenth centuries reflects on the proceedings launched against it and its subsequent fall 1307 1314 and explores its medieval and post medieval legacy including an assessment of current research pertaining to the Templars and suggestions for future explorations Showcasing

a wide range of methodological approaches and primary source materials this volume unites historical art historical theological archaeological and historiographical perspectives and it features the work and voices of scholars from various academic generations who reside in eight different countries Israel France Italy Spain the United Kingdom Germany Poland and the United States of America *The Pocket A-Z of the Knights Templar* Gordon Napier, 2014-04-07 The Knights Templar were among the most famous of Christian military orders Created after the First Crusade of 1096 and endorsed by the Catholic Church in 1129 the Order grew rapidly in membership and power Templar knights were some of the best equipped trained and disciplined fighting units of the Crusades But when the Holy Land was lost and the Templars suffered crushing defeats support for the Order faded and rumours about their secret initiation ceremony created mistrust When the Order suddenly disappeared disbanded by the Pope it gave rise to speculation and legends that have kept the name Templar alive From Abbasids to Zion The A Z of the Knights Templar is an invaluable reference of the places people and themes of the Crusades the Knights Templar and their legacy
