created in 1874 by bartenders at New York City's Manhattan Club to honor the newly elected Governor Tilden at Lady Randolph Churchill's request Schmid also explores places and people that have contributed to the drink's popularity and inspired its lore including J P Morgan who enjoyed a Manhattan every day at the end of trading on Wall Street The Manhattan Cocktail also examines the effects of various bourbons and whiskeys on the aroma and flavor even answering the age old question of shaken or stirred With over fifty recipes as well as notes and anecdotes from personalities ranging from renowned mixologist Dale DeGroff to writer Sir Kingsley Amis it will delight both the cocktail novice and the seasoned connoisseur
