The Other Side Of Rape:

The Other Side of Christianity Dallas M. Darling, 2008-08 Fifty two weekly devotionals and scriptural readings from the margins of Christianity Page 4 of cover

The Political Psychology of War Rape Inger Skjelsbæk, 2012-02-13 This book provides a conceptual framework for understanding sexual violence in war and its impact focussing in particular on the war in Bosnia Herzegovina It situates Bosnian war rape in relation to subsequent conflicts outlines how sexual violence in war can be studied from a political psychological perspective and examines the effect of war rape on victims and communities in the aftermath of armed conflict

THE MAN WHO RAPES? SHOULD BE CASTRATED Pratham Mittal, Rishav Banerjee, Tamara Nasevska, 2022-01-26 The Man Who Rapes Should Be Castrated is an international Book which is compiled by Pratham Mittal from India Tamara Nasevska from Macedonia and Rishav Banerjee from India following their tireless dedication and surpassing expectations to air out emerging issues in our society today This book is predicated on Rape Culture We live within a society where women are worshipped as goddesses and on the other side they re getting raped every minute Rape cases are increasing every minute in world and it s become a critical issue in our society Human service providers are being asked to affect this serious social problem Most are finding the cause behind this heinous crime which is somewhere related to our history but nobody wants to debate the history because it shows the rapes of women in the world and a couple of dark truths which can hurt the emotions of the various people Show quoted text

Libertatem Magazine, 2015-07-24 The Libertatem Magazine is a Law Magazine launched by The Law Brigade a startup of two students from Institute of Law Nirma University Ahmedabad Ankita Ranawat Rahul Ranjan The Group s name The Law Brigade should be taken as a fire brigade which reaches where there is fire The fire which is present in the law students and members of the legal arena Libertatem is a latin word meaning a sense of freedom of expression It channelizes this expression of the person who has something to express irrespective of the fact that what the CV of that person says which is given a very high value and everybody is in a rat race to build it It provides a platform to people who have something to express for the welfare of the community at large A joint effort of students and deadly law this a medium for the maximum utilization by all of you Through this platform students will be getting to know about the talk of the town of the legal arena call for papers MUN s taking place and other related things which a student should do and are there for welfare People will also get to know about the ideas of the eminent personalities as there interviews which in turn are a message will be there in the magazine itself A picture gallery is also waiting for you all which will be having a greater impact So to broaden the scope of your knowledge and to get out of stereotype journals this is an arena for you all to express and get impress

Are Women Human? Catharine A. MacKinnon, 2007-11-30 More than half a century after the Universal Declaration of Human Rights defined what a human being is and is entitled to Catharine MacKinnon asks Are women human yet She exposes the consequences and significance of the systematic maltreatment of women and its systemic condonation as she points toward fresh ways of targeting its toxic

orthodoxies A critique of the transnational status quo that also envisions the transforming possibilities of human rights this bracing book makes us look as never before at an ongoing war too long undeclared Mass Rape Alexandra Stiglmayer,1994-01-01 An English translation of sociological cultural and medical essays recounts the horrifying testimony of mass rape sexual enslavement systematic impregnation and torture of Muslim Croatian and Serbian women and girls

Rape Warfare Beverly Allen,2005 Plight and Fate of Women During and Following Genocide Samuel Totten,2017-07-05 The plight and fate of female victims during the course of genocide is radically and profoundly different from their male counterparts Like males female victims suffer demonization ostracism discrimination and deprivation of their basic human rights They are often rounded up deported and killed But unlike most men women are subjected to rape gang rape and mass rape Such assaults and degradation can and often do result in horrible injuries to their reproductive systems and unwanted pregnancies This volume takes one stride towards assessing these grievances and argues against policies calculated to continue such indifference to great human suffering The horror and pain suffered by females does not end with the act of rape There is always the fear and reality of being infected with HIV AIDS Concomitantly there is the possibility of becoming pregnant Then there is the birth of the babies For some the very sight of the babies and children reminds mothers of the horrific violations they suffered When mothers harbor deep seated hatred or disdain for such children it results in more misery The hatred may be so great that children born of rape leave home early in order to fend for themselves on the street This seventh volume in the Genocide series will provoke debate discussion reflection and ultimately action The issues presented include ongoing mass rape of girls and women during periods of war and genocide ostracism of female victims terrible psychological and physical wounds the plight of offspring resulting from rapes and the critical need for medical and psychological services **The Bible in Crime Fiction and Drama** Caroline Blyth,Alison Jack,2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell s Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence im morality and redemption and its relevance

as a symbol of the often fraught location that religion occupies within contemporary secular culture *The Gendered New World Order* Jennifer Turpin, Lois Ann Lorentzen, 2013-10-31 Ecological security seems increasingly precarious and battles over land and models of economic development now lead to military conflicts The Gendered New World Order addresses the compelling issue of how gender connects the global problems of militarism underdevelopment and environmental decay Scholars from around the world make connections between seemingly disparate issues such as refugees polluted waters bombed vilages massive dam projects starving children deforestation nuclear arms buildup and the rights of women
