Sketches Of Tennessees Pioneer Baptist Preachers:

Sketches of Tennessee's Pioneer Baptist Preachers James Jehu Burnett,1919 **Sketches of Tennessee's Pioneer Baptist Preachers** James Jehu Burnett,1919 **Sketches of Tennessee's Pioneer Baptist Preachers, Being Incidentally** James Jehu Burnett,1919 *Sketches of Tennessee's Pioneer Baptist Preachers* James Jehu Burnett,1919

Sketches of Tennessee's Pioneer Baptist Preachers James Jehu Burnett,1985 Described as a history of Baptist beginnings in the several associations in the state this rare old volume was widely acclaimed when first published in 1919 No less timely today this reprint has added value with an index of more than 1600 names Those interested in the genealogical value of this volume will find Burnett has done an excellent job detailing ancestry dates and places There are more than 200 sketches with around sixty photographs Accepting 1775 as the first recorded date of Baptist entry and effort in the state this volume covers a period of one hundred very eventful years There is much data of general historical interest and numerous firsts Of interest to all denominations it is the perfect gift for a church library as well as a personal gift **History of the Carlock Family and Adventures of Pioneer Americans** Marion Pomeroy Carlock,1929 *Inventory of the Church Archives of Tennessee* Tennessee Historical Records Survey,1939 *Tennessee Historical Magazine* John Hibbert De Witt,William Alexander Provine,St. George Leakin Sloussat,1924 Tennessee Historical Magazine - the Tennessee Historical Society ,1921

Forgotten but Not Gone James Hoyle Maples,2018-08-16 All of us are shaped in many ways by unseen markers in our DNA Unknown ancestral traits contribute to determination of such things as eye and hair color height and even a certain propensity or susceptibility to certain diseases To some extent religious bodies are similarly the product of their beliefs and doctrines at times and in certain ways to beliefs and doctrines buried in the inherited make up of that body or denomination Landmarkism is such a genetic like marker in the Southern Baptist Convention yet is largely unknown and its influence is barely recognized today as a contributing factor in much of Baptist practice and belief This book seeks to trace the origin and transmission of landmark beliefs from the time of its greatest influence to the present day when it is largely unknown but certainly present in beliefs and practices that have developed and become part of the Southern Baptist body in many instances **The Tip of the Sword** H. Eddie Fields,2025-06-18 The religious and faithful aspect of our Christian forefathers fight for freedom is a fascinating struggle especially when studied from the proper perspective The facts demonstrate God s hand and influence upon the colonies and our nation s founders It is a history that should be diligently studied and understood How can we as a nation ever determine where we are going if we do not understand our past How do we grasp and hold onto our nation s fundamental beliefs values and principles if we do not understand what they are or how they came to be Do not our beliefs values and principles make us this great nation that has been blessed by Almighty God All Americans should know their forefathers pursued liberty and fought for reasons far beyond economic freedom and political power American secular historians who simply list a desire for religious freedom as one of many causes of the revolution fail us at

every level of understanding the persecution that colonists endured Consider the majesty and faith of the words of the founding fathers in the profound commitment of the signatories at the end of the Declaration of Independence And for the support of this Declaration with a firm reliance on the protection of Divine Providence we mutually pledge to each other our lives our fortunes and our sacred honor There is no question upon whom they relied and no doubt about their faith or commitment to one another The early American statesman Daniel Webster clearly and concisely stated his beliefs when he said History is God s providence in human affairs Webster could never have conceived that anyone would write a history excluding God from the story If it is truthful history must acknowledge God s role in it That is the driving theme in this history of the pioneers patriots and preachers of Sinking Creek Baptist Church and the Watauga Settlement It is my hope that every reader will recognize and embrace the influence of God in the lives and circumstances of our founding fathers

Caney Ford Baptist Church a 150 Year History Rev. Taylor R. Phelps,2020-01-30 Caney Ford Baptist Church a 150 year history is the story of a church in Harriman Tennessee that has existed with 3 different centuries the 1800s 1900s and 2000s Now that we are here we want to honor and remember the past

The Gospel of Freedom Alicestyne Turley,2022-08-16 Wilbur H Siebert published his landmark study of the Underground Railroad in 1898 revealing a secret system of assisted slave escapes Siebert s research relied on the accounts of northern white male abolitionists and while useful in understanding the northern boundaries of the journey his work omits the complicated narrative of assistance below the Mason Dixon Line In *The Gospel of Freedom* Black Evangelicals and the Underground Railroad author Alicestyne Turley positions Kentucky as a crucial pass through territory and addresses the important contributions of antislavery southerners who formed organized networks to assist those who were enslaved in the Deep South Drawing on family history and lore as well as a large range of primary sources Turley shows how free and enslaved African Americans developed successful systems to help those enslaved below the Mason Dixon Line Illuminating the roles of these Black freedom fighters Turley questions the validity of long held conclusions based on Siebert s original work and suggests new areas of inquiry for further exploration *The Gospel of Freedom* seeks to fill in the historical gaps and promote the lost voices of the Underground Railroad

Tennessee: A Bicentennial History Wilma Dykeman,1975-12-17 Tennessee the long thin state stretching from the Great Smoky Mountains to the Mississippi River is as richly varied in history as in terrain And from Davy Crockett Old Hickory Andrew Jackson and presidential candidate Estes Kefauver s coonskin cap it has derived the colorful image of a frontier state Tennessee has been a land of many kinds of frontiers from the day in 1540 when Spaniards in armor fevered for gold and glory struggled along the river banks near present day Memphis to the latest developments in radiation research at today s complicated laboratories in Oak Ridge

The Minutes of Salem Baptist Church Daniel Roark,2005-12-06 To endure the hardships of the frontier took more than a determined pioneer spirit It required a faith that everything would work out for the best that something more was to come other than the meager crops they scratched out of the earth from *The Minutes*

of Salem Baptist Church Salem Baptist Church was one of the small pioneer churches that nurtured that faith Located near Birchwood Tennessee Salem Baptist Church led the community in the midst of its physical hardships from 1835 to 1941 Through the Civil War Reconstruction the migration of its members to Texas for cheap land the turn of the century and later the depression the small church led its community in faith The minutes and supporting research provide not only a unique history of the families in the community but also a unique genealogical record of over 175 families told through church action and membership records Join Daniel Lee Roark on his journey through the history of this small pioneer church in East Tennessee Experience the coming together of these families turning to the Lord in difficult circumstances

The American Historical Review John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1920 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research

Rural Life and Culture in the Upper Cumberland Michael Birdwell, 2004-12-24 Tennessee History Book Award Finalist The Upper Cumberland region of Kentucky and Tennessee often regarded as isolated and out of pace with the rest of the country has a far richer history and culture than has been documented The contributors to *Rural Life and Culture in the Upper Cumberland* discuss an extensive array of subjects including popular music movies architecture folklore religion and literature Seventeen original essays by prominent scholars such as Lynwood Montell Charles Wolfe Allison Ensor and Jeannette Keith uncover fascinating stories and personalities as they explore topics including wartime hero Alvin C York Socialist Party Tennessee gubernatorial candidate Kate Brockford Stockton and even a thriving nudist colony the Timberline Lodge

Henderson Smokey Mt. Mystery F. Robert Henderson, 2011-10-27 F Robert Henderson has had an improbable life He was born in Texas in 1933 His parents were both born in Kansas At the age of eight his father and mother split up He grew up under his mother s care He attended college and received a Master s Degree in Botany and Zoology from Fort Hays Kansas State University He attended the University of Kansas where in 1960 a book he wrote was published by the Kansas State Biological Survey entitled *Beaver in Kansas* From 1961 1968 he worked as a Field Biologist for the state wildlife agency in South Dakota During that time he wrote several articles in scientific journals the most important being the results of the first study of Black footed Ferrets in the wild this animal is one of the rarest mammals in North America In a research study he trapped and banded more than 10 thousand sharp tailed grouse More grouse that has ever been studied before And during the study found a new method of determining the sex of these grouse From June of 1968 until 1996 he was promoted from Assistant Professor to Professor at Kansas State University where he received many awards for his work as Extension Specialist in helping people cope with conflicts involving wild animals He became recognized as a national expert in preventing coyote damage to livestock Many agencies and groups have honored him for his work Among these awards include Meritorious Service USDA Award for Outstanding Extension Work USDA and Kansas State University Awards for Extraordinary Leadership in Kansas the Great Plains and

nationally for the development of educational programs and the Great Plains Agriculture Council's Outstanding Service Award in 1993 F Robert Henderson did not accomplish these things without a lot of help and understanding and encouragement F Robert is grateful for the exceptional support of Karen his wife and children Tammy and Todd as well as numerous farmers ranchers hunters colleagues and research associates As a diversion from the stress of his work in 1978 F Robert Henderson began to study his roots especially on the Henderson side of his family At that time his late father Frank Paul Henderson did not know who his second great grandfather was or even much about family history from that time back Together F Robert Henderson and his father worked together to gather facts about their ancestors This book is a result of that study

Echoes from the Valley Crampton Harris Helms, 2013-08-26 What began as a list of names a box of documents a number of family Bibles and idle curiosity gradually evolved into a book about the settlement of Virginia and the western conquest of the great Valley of the Shenandoah the birth of the New River settlements and the emergence of the Watauga and Holston pioneers on the western slopes of the Appalachian Mountains Placing the generations into a format of historic events began to bring these fugitives from the European wars and catastrophes into focus as real people Since this story concerns the early foundation of this nation the author did not choose to go back beyond the immigration from Europe In a few cases however where the material was available and explanatory it was incorporated into these pages This does not mean that the more remote history of others was not available It just did not contribute to the integrity of this book The book is not a genealogy although it uses that structure to build the generations And it is not simply a history It is a perspective of history demonstrated through the genealogy and migrations of one family The whole is dependent upon each life among the hundreds of those who made this family possible Make no mistake about it The loss of a single one just one and the people that followed would never have been born The relations are carefully delineated Children are named where it is possible To this extent it is hoped other lineages may find the book useful The appendix contains copies from books and papers that might be difficult or impossible to obtain It is important to realize that as the reader goes backward in time the numbers of people become fewer This means that the chances of interrelations increase as the two hundredth year marker of the past is approached All of us share a kinship in the origin and the destiny of the United States of America
