Skills for Bilingual Legal Personnel Marilyn R. Frankenthaler, 1982-01-01      *Introduction to Spanish Translation* Jack Child, 2012-07-10

*Introduction to Spanish Translation* is designed for a third or fourth year college Spanish course. It presents the history, theory, and practice of Spanish to English translation with some consideration of English to Spanish translation. The very successful first edition of the text evolved from the author's experiences in two decades of teaching translation in the Department of Language and Foreign Studies of The American University. The emphasis is on general material to be found in current journals and newspapers, although there is also some specialized material from the fields of business, the social sciences, and literature. The twenty-four lessons in the text form the basis for a fourteen-week semester course. This newly revised edition contains an index, a glossary, examples of cognates and partial cognates, and translation exercises for each lesson.

**Legal Translation and Bilingual Law Drafting in Hong Kong** Clara Ho-yan Chan, 2020-05-11

*Legal Translation and Bilingual Law Drafting in Hong Kong* presents a systematic account from a cross-disciplinary perspective of the activities of legal translation and bilingual law drafting in the bilingual international city of Hong Kong and its interaction with Mainland China and Taiwan in the use of legal terminology. The study mainly examines the challenges posed to English-Chinese translation in the past three decades by elaborate drafting and terminological equivalence and offers educational and research solutions. Its primary goals are to create legal Chinese that naturally accommodates common law concepts and statutes from the English legal system and to reconcile Chinese legal terms from the different legal systems adopted by Hong Kong, Mainland China, and Taiwan. The new directions in legal translation and bilingual law drafting in Hong Kong will have implications for other Chinese regions and for the world. The book is intended for scholars, researchers, teachers, and students of legal translation and legal linguistics, legal translators, lawyers, and legal practitioners who are engaged in translation, as well as all persons who are interested in legal language and legal translation.
