

# Short Prayer for Healing Skin

God, just like you healed the leper in the Scriptures my skin needs healing too. I know all things are possible with God. If it is your will please heal me. I know I need to work with doctors to figure this out as well. For now, I surrender it to you. In your Name, I pray. Amen.

**Closer Than Your Skin** Susan D. Hill, 2011-10-19 If you crave the real experience of God's presence in your daily life If you sense there's more to Christianity than service study and superficial spirituality If you're ready to go beyond knowing about God to truly knowing Him Here's where life with God begins Is God really like a father who cares about the details of our everyday lives Then why does He often seem so far away distant in the moments when we could most use a personal touch from Him So many of us have lived in that unspoken longing In these incredible stories you'll see how one person found that God is not always content to wait for us to discover Him amid the clutter of life Instead when we simply hold out our hands He illuminates our ordinary world and gives us new eyes to see *Closer Than Your Skin* traces the journey of an ordinary Christian who longed to move beyond the trappings of faith to genuine life with God Her story reveals how to overcome the obstacles that most often block such intimate connection Through this remarkable account you'll gain tangible insight into what a daily vibrant companionship with the Creator really feels like once you wake up to the eternal reality all around you Interactive study guide included
