Packaging Boyhood Sharon Lamb, Ed.D., Lyn Mikel Brown, Ed.D., Mark Tappan, Ed.D., 2009-10-13 Player Jock Slacker Competitor Superhero Goofball Boys are besieged by images in the media that encourage slacking over studying competition over teamwork power over empowerment and being cool over being yourself From cartoons to video games boys are bombarded

with stereotypes about what it means to be a boy including messages about violence risktaking and perfecting an image of just not caring Straight from the mouths of over 600 boys surveyed from across the U S the authors offer parents a long hard look at what boys are watching reading hearing and doing They give parents advice on how to talk with their sons about these troubling images and provide them with tools to help their sons resist these messages and be their unique selves

Colormute Mica Pollock, 2009-04-11 This book considers in unprecedented detail one of the most confounding questions in American racial practice when to speak about people in racial terms Viewing race talk through the lens of a California high school and district Colormute draws on three years of ethnographic research on everyday race labeling in education Based on the author's experiences as a teacher as well as an anthropologist it discusses the role race plays in everyday and policy talk about such familiar topics as discipline achievement curriculum reform and educational inequality Pollock illustrates the wide variations in the way speakers use race labels Sometimes people use them without thinking twice at other moments they avoid them at all costs or use them only in the description of particular situations While a major concern of everyday race talk in schools is that racial descriptions will be inaccurate or inappropriate Pollock demonstrates that anxiously suppressing race words being what she terms colormute can also cause educators to reproduce the very racial inequities they abhor The book assists readers in cultivating a greater understanding of the pitfalls and possibilities of everyday race talk and clarifies previously murky discussions of colorblindness By bridging the gap between theory and practice Colormute will be enormously helpful in fostering ongoing conversations about dismantling racial inequality in America **Beyond**

White Mindfulness Crystal M. Fleming, Veronica Y. Womack, Jeffrey Proulx, 2022-02-17 Beyond White Mindfulness Critical Perspectives on Racism Well being and Liberation brings together interdisciplinary perspectives on mind body interventions group based identities and social justice Marshalling both empirical data and theoretical approaches the book examines a broad range of questions related to mindfulness meditation and diverse communities While there is growing public interest in mind body health holistic wellness and contemplative practice critical research examining on these topics featuring minority perspectives and experiences is relatively rare This book draws on cutting edge insights from psychology sociology gender and critical race theory to fill this void Major themes include culture identity and awareness intersectional approaches to the study of mindfulness and minority stress cultural competence in developing and teaching mindfulness based health interventions and the complex relationships between mindfulness inequality and social justice The first book of its kind to bring together scholarly and personal reflections on mindfulness for diverse populations Beyond White Mindfulness offers social science students and practitioners in this area a new perspective on mindfulness and suggestions for future scholarship *The Intersections of Personal and Social Identities* Margarita Azmitia, Moin Syed, Kimberly Ann

Radmacher, 2008-09-16 This volume brings together in interdisciplinary set of social scientists who are pioneering ways to research and theorize the connections between personal and social identity in children adolescents and emerging adults The

authors of the seven chapters address the volume's three goals: Illustrating how theory and research in identity development are enriched by an interdisciplinary approach; Providing a rich developmental picture of personal and social identity development; Examining the connections among multiple identities. Several chapters provide practical suggestions for individual agencies and schools and universities that work with children, adolescent and emerging adult in diverse communities across the United States. This is the 120th volume of the Jossey-Bass quarterly report series *New Directions for Child and Adolescent Development*. The mission of *New Directions for Child and Adolescent Development* is to provide scientific and scholarly presentations on cutting edge issues and concepts in the field of child and adolescent development. Each volume focuses on a specific new direction or research topic and is edited by an expert or experts on that topic.

Talkin' Back Dierdre Paul, 2003-12-30 Argues the African American girls are not receiving equitable learning opportunities in school and offers readers specific strategies that are designed to help parents work with teachers to improve their daughters' education. **Infancia Perdida, a** JEAN KILBOURNE, DAIANE E.
