Alabama, One Big Front Porch Kathryn Tucker Windham, 2007-01-01 Many of Alabama's finest stories used to begin with a reference to the night the stars fell and even now there is an inclination among some residents to divide local history into two segments before the stars fell and after the stars fell That would make November 13 1833 the dividing line Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fell to their knees to plead for mercy and forgiveness Others promised eternal renunciation of sin card playing dancing whiskey drinking cursing and associated vices if they were spared whatever catastrophes were in the offing Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them
