Small Eternities Michael Lawrence, 2005-09-20 Four months ago in the snowy depths of winter Alaric and Naia two teenagers who d never met discovered they were living almost identical lives in different versions of Withern Rise their riverside Victorian mansion One day they accidentally stranded themselves in the wrong realities Now it s summer and heavy rains have caused the river to overflow Withern Rise s grounds are under water when Alaric and Naia find their separate ways into an earlier reality a small eternity and meet a boy called Aldous Aldous Underwood But who is this Aldous Is he the old vagrant Naia has met in the present day or an Aldous destined to die very soon under mysterious circumstances And will their meeting change Underwood history [In the Cross of Reality](#) Eugen Rosenstock-Huessy, 2017-09-08 This book makes the first volume of Eugen Rosenstock Huessy s Soziologie available in English for the first time since its 1956 publication in German Rosenstock Huessy argues that social philosophy has favored abstract and spatially contrived categories of social organization over temporal processes This preference for space thinking has diverted us from recognizing the power of speech and its relationship to living on the front lines of life Taking speech and the social responsibilities and reciprocities that accompany naming as the key to social reality In the Cross of Reality provides a sociological exploration of play spaces as the basis for reflexivity It also explores the spaces of activity and their correlation in war and peace to the spheres of serious life If we are to survive and flourish different qualities and reciprocal relationships must be cultivated so that we can deal with different fronts of life Arguing that modern intellectuals and their obsession with space have created a dangerously false choice between mechanical and aesthetic salvation Rosenstock Huessy clears a path so that we better appreciate our relationship between past and future in founding and in partitioning time [A Drop in the Ocean](#) Lea Taranto, 2025-05-20 An engaging YA novel about a girl in treatment for obsessive compulsive disorder that combats the dehumanizing stigma around mental illness Sixteen year old Mira Durand has just been checked into the secure unit of the Residency Adolescent Treatment Centre for obsessive compulsive and comorbid disorders Four years of being passed around different psych wards like a hot potato have only worsened her OCD and anorexia Her brutal religious compulsions which she believes keep her mom safe make her less of a clean freak and more of a freak freak No wonder her only friend is her journal At the Residency s Ward 2 Mira discovers that her shrink is a fellow fantasy nerd and that her wardmates have enough of their own high risk behaviors to tolerate hers The complex friendships she forms with them including a first love the slow trust she builds with her treatment team and the outside and family visits she earns give her things to look forward to beyond the drudgery of her compulsions But it takes visiting Gung Gung her dying maternal grandfather for her to realize that to truly live she must fight the cognitive distortions at the heart of her compulsions Based on the author s personal experience A Drop in the Ocean is a gritty humanizing portrait of living with mental illness This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with
