## **Small Food:**

Setting up and running a small food business Axtell, B., Fellows, P., 2001-11-10 This is the first in a series of manuals on small scale food processing compiled by contributors from several developing countries Intended as a practical guide for people starting or operating a food business it covers a range of topics including hygiene equipment product testing suppliers and retailers and financial production and staff management

**Food Engineering, Quality and Competitiveness in Small Food Industry Systems with Emphasis on Latin America and the Caribbean** Roberto Cuevas, Food and Agriculture Organization of the United Nations, 2004 This publication sets out a detailed systems analysis approach to the small and medium agro food industries sector in Latin America and the Caribbean region in order to promote food safety and quality as well as enterprise productivity and competitiveness The issues are discussed from food engineering and technology perspectives in light of the complex issues faced by small food industries in the current trading system

**Estimated Retail Food Prices by Cities**, 1971 Malayan Forest Primates Dr David J. Chivers, 2013-12-20 The primates that provide the central theme of these studies by David Chivers and his colleagues are the dominant large herbivores of the tropical evergreen rain forest To this extent they are the ecological counterparts of the great herds of ungulates inhabiting the savannahs of tropical Africa and the monsoonal plains of Asia in their pristine state Both groups comprise the chief primary consumers of living vegetable tissue in their respective environments Members of each show appropriate anatomical adaptations for such a diet As efficient exploiters of a dispersed but generally abundant food source each group collectively forms the main vertebrate component of animal biomass in the environment Yet despite superficial convergence there are important differences in the biology and behaviour of members of these two groups of herbivores Of greatest practical moment to the enquiring biologist are the ready visibility of most plains dwelling ungulates the ease with which the researcher can travel over or above their habitat by motor transport or light aircraft and the facility for near approach without causing disturbance that a closed vehicle has proved to offer Given the additional attractions of wide open views and stupendous scenery generally invigorating climate and easy life style it is perhaps not surprising that in past decades much research effort has focussed on the larger herbivorous mammals of the tropical savannahs

Primate Societies Barbara B. Smuts, Dorothy L. Cheney, Robert M. Seyfarth, Richard W. Wrangham, 2008-06-03 Primate Societies is a synthesis of the most current information on primate socioecology and its theoretical and empirical significance spanning the disciplines of behavioral biology ecology anthropology and psychology It is a very rich source of ideas about other taxa A superb synthesis of knowledge about the social lives of non human primates Alan Dixson Nature
