

SMALL WARS MANUAL

U.S. MARINE CORPS

Small Wars Manual

Michael Brown

Small Wars Manual:

Small Wars Manual United States Marine Corps, 2021-12-03 The Small Wars Manual is a manual on tactics and strategies for engaging in certain types of military operations created by the United States Marine Corps The purpose of this work is sharing experience and preserving the achievements of tactics and organization of small wars or different military operations of the United States in countries where government is unstable inadequate or unsatisfactory for the preservation of life and of such interests as are determined by the foreign policy of the United States The book starts with the definition of the term small war and continues into more than 500 pages on tactics personnel structure communication chain transportation and logistics military civil relationship psychological side of war training and support of native armed organizations and much more The book is extremely interesting as a manual on tactics whether it is used for a military operation or any other sort of massive campaign involving a large part of population like elections For example it contains a chapter telling how to plan and organize legally the disarmament of local population It tells what laws should be issued and what organizations form what sort of personnel should be involved and what should be their roles A reader will find guidelines on how to distribute and spare resources needed for a campaign and how to properly cross a river in a dangerous area Given the book's organization structure and abundance of important information covering different aspects of civil and military campaigns this volume is a must read for any person engaged in a state service or a student considering career in serving their country *Small Wars Manual* ,1940 **Small Wars Manual** United States. Marine Corps, 1990 **The Small Wars Manual: Prologue to Current Operations** ,1992 The principles of small wars deserve special consideration due to the increased likelihood of those types of wars and the Marines early experience in Latin America In particular the principles contained in or derived from the Marine Corps Small Wars Manual SWM are applicable to current forward presence operations including the military's role in the war on drugs although it is beyond the scope of this paper to discuss the merits of counternarcotics CN strategy and determine measures of effectiveness Latin America is where Marines got hands on experience in conducting small wars Now U S policy mandates the return of the military to the proving ground The SWM remains relevant because Marines waged small wars in an American context with all the problems and limitations inherent in that fact Most of SWM's abiding principles appear intact if in somewhat altered form in current doctrinal publications draft JCS Pub 3 07 and FM 100 20 AF Pamphlet 3 20 An outgrowth of this study is specific recommendations to develop an adaptable regional plan incorporating principles from the SWM which views CN in the context of counterinsurgency CI and to use the NSC structure to strengthen inter agency cooperation in current operations **Small Wars Manual** United States. Marine Corps, 1972 **Small Wars Manual** ,1940 Small Wars Manual U. S. Marine Corps, 2010-08-03 **The Small Wars Manual and Counterinsurgency** ,2006 In December of 2006 the United States Army and the United States Marine Corps published FM 3 24 MCWP 3 33 5 Counterinsurgency Prior to this neither the Army

nor the Marine Corps had published a manual dedicated to counterinsurgency COIN in 20 and 25 years respectively. The operational trends the United States military has experienced since the nation entered the Long War in 2001 propelled an effort by both services to create a manual for leaders and planners at the battalion level and above. While the manual provides soldiers and Marines with a broad scope of planning considerations, the authors missed a tremendous opportunity to reinvigorate the study of small wars and counterinsurgency by neglecting to incorporate the Small Wars Manual into FM 3-24.33.5 Counterinsurgency. The only mention Counterinsurgency gives to the Small Wars Manual is a listing in the annotated bibliography. Sound doctrine provided by the Small Wars Manual does not appear anywhere within the main text of Counterinsurgency. The absence of any meaningful mention of the Small Wars Manual is highly disturbing since the work offers timeless and enduring lessons, advice, considerations, and techniques in dealing with insurgents and revolutionaries. The authors should have drawn more material from the United States Marine Corps Small Wars Manual because in terms of discussing leadership, training, cultural considerations, and the fluid and dynamic nature of the COIN environment, the Small Wars Manual surpasses Counterinsurgency in both content and context.

The Small Wars Manual and Military Operations Other Than War Richard C. McMonagle, 1996. This study examines the applicability of the United States Marine Corps small wars doctrine in current Military Operations Other Than War. Between 1898 and 1934, the Marine Corps was employed extensively in fighting the nation's small wars. These small wars included long-term occupations in Haiti, the Dominican Republic, and Nicaragua, and interventions in a number of other countries. From these experiences, the Marine Corps developed during the 1920s and 1930s a small wars doctrine which was published in 1940 in its final form as the Small Wars Manual. This study examines the conditions under which the Marine Corps was employed in small wars and how from this experience developed a doctrine for fighting small wars. The study then develops three thematic criteria for the examination of a small war and then applies these criteria to a case study of Operation Uphold Democracy, the 1994 intervention in Haiti. The principle conclusion of this study is that the Small Wars Manual defines a time-proven formula for the conduct of small wars or Military Operations Other Than War. When read within the context of the small wars era, the Small Wars Manual provides valuable insights into these types of operations.

Mars Learning Keith B. Bickel, 2018-03-09. Keith B. Bickel challenges a host of military and strategic theories that treat particular bureaucratic structures, large organizations, and elites as the progenitors of doctrine. This timely study of how the military draws lessons from interventions focuses on the overlooked role that mid-level combat officers play in creating military doctrine. Mars Learning closely evaluates Marine civil and military pacification operations in Haiti, the Dominican Republic, and Nicaragua, and illuminates the debates surrounding the development of Marine Corps small wars doctrine between 1915 and 1940. The result is compelling evidence of how field experience obtained before 1940 played a role in shaping the Marine Corps Small Wars Manual and elements of doctrine that exist today. How the Marines organized lessons at that time provides important insights into how doctrine is likely to be

generated today in response to post Cold War interventions around the globe **Small Wars Manual**, 1940 *Small Wars Manual* United States. Marine Corps, 1940 *The Small War Manual (SWM) and Marine Corps Military Operations Other Than War Doctrine - Relevance in the 21st Century, MOOTW, Operational History, World War II* Department of Defense, U. S. Marine Corps (USMC), U. S. Government, 2017-05-29

On 28 March 2001 the United States Marine Corps Warfighting Laboratory's embedded think tank the Center for Emerging Threats and Opportunities announced its intentions for developing a follow on volume of the Small Wars Manual This Small Wars Volume II intends to serve as a reference publication despite that the original manual was authoritative doctrine and that current Military Operations Other Than War guidance is either in a Concept in Development or Awaiting Development status Thus this thesis answers Does the Small Wars Manual series present a relevant baseline for the United States Marine Corps USMC to further develop its future MOOTW doctrine The following supporting questions require examination 1 Why did the original SWM erode from serving as USMC MOOTW authoritative doctrine to that of general reference and historical material 2 What does the SWM offer Twenty first Century Marine Corps MOOTW doctrine 3 What does the SWM Volume II intend to offer Twenty first Century Marine Corps MOOTW doctrine The thesis concludes among other things that indeed the SWM series deserves significant consideration for serving as Navy and Marine Corps authoritative MOOTW doctrine with the Small Wars Manual retaining its Marine Corps Reference Publication MCRP designation and its follow on volume serving as a Navy and Marine Corps authoritative doctrinal

CHAPTER 1 INTRODUCTION CHAPTER 2 THE OPERATIONAL HISTORY OF THE SMALL WARS MANUAL CHAPTER 3 THE SMALL WARS MANUAL TWENTY FIRST CENTURY RELEVANCE CHECK CHAPTER 4 THE SMALL WARS MANUAL VOLUME II CHAPTER 5 CONCLUSION The SWM is a USMC pre World War II booklet that provides guidelines for the conduct of Military Operations Other than War MOOTW It has been celebrated as an unparalleled exposition of the theory of small wars The SWM authors veterans of the Caribbean and Central American Banana Wars 1901 to 1934 based their Manual upon experiences in the early years of the twentieth century and on a handbook that grew out of Britain's colonial experience The handbook referenced is Colonel Charles Calwell's Small Wars a warfighting classic that captures British MOOTW experiences accumulated over an entire era of colonial expansion In 1987 the USMC reprinted the SWM claiming it to be one of the best books on military operations in peacekeeping and counterinsurgency operations published before World War II This claim is perhaps an understatement given the generic nature of currently available MOOTW doctrine CETO's current SWM Volume II confronts the daunting task of modernizing Callwell's and the Banana War's doctrinal legacies Despite recent service in the Great War and with another global conflict looming on the horizon World War II the 1940 SWM authors declared that Small Wars represented the normal and frequent operations of the Marine Corps Similarly at the turn of the Twenty first Century despite the I Marine Expeditionary Force's sustained operations ashore during Operations Desert Shield and Desert Storm 1990 to 1991 and in Operations Iraqi Freedom 2003 to present MCDP 3

Expeditionary Operations 1998 reminds Marines that small scale contingencies remain the most likely and most frequent crises into which the United States will find itself drawn Given this emphasis it is puzzling that Marines enter the Twenty first Century without either an EMW OEO supporting concept for the future or service specific MOOTW doctrine Even more puzzling is CETO s intent for the SWM Volume II s a doctrinal work of enduring value to serve as nothing more than a complementary reference publication and its development without benefit of the normal Marine Corps Planning Process tenant of top down planning guidance

The Small Wars Manual And Current Operations In Iraq: Teaching A New Dog Old Tricks? ,2004 This paper analyses the Marine Corps Small Wars Manual to determine what if any lessons can be applied to current operations in Iraq The Small Wars Manual was originally published by the Marine Corps in 1940 and is the culmination of several decades of experience conducting what they considered small wars The Marine Corps was involved in these small wars extensively during the early 20th Century conducting one hundred and eighty landing on foreign soil between 1898 and 1934 and participating in several long occupations Since the manual describes military actions and imperatives at the tactical operational and strategic level this paper seeks to extract the enduring themes or principles that are relevant today to the operational commander After presenting relevant themes this paper proposes the method and effect of their application to current operations in Iraq This paper finds that the Small Wars Manual does contain relevant lessons that could be applied to current operations in Iraq as well as tomorrow s battlefield

[Small Wars Manual, United States Marine Corps, 1940](#) United States Marine Corps,2017-12-11 Excerpt from Small Wars Manual United States Marine Corps 1940 Index The Small Wars Manual U S Marine Corps 1940 is published 15 chapters as follows About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Small Wars Manual (Reprint of 1940 Edition) ,1987 *Small Wars Manual, U.S. Marine Corps, 1940* United States Marine Corps,1987

The War of 1898, and U.S. Interventions, 1898-1934 Benjamin R. Beede,1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces Annotation copyright by Book News Inc Portland OR

Rediscovering the Small Wars Manual: A Guide to 21st Century Warfare ,2005 Since the end of the Cold War the face of modern warfare has changed The United States no longer expects to meet a massive Soviet style mechanized army on a conventional battlefield The enemy is now obscure He can appear in the form of a conventional or semi conventional soldier dissolve into the populace and then revert to asymmetrical guerrilla warfare The most dangerous enemy is now a vague non state entity In addition the United States is the sole superpower in the world and it has the responsibility of sponsoring worldwide humanitarian assistance In response to these new threats and new military missions the phrase Operations Other than War OOTW has been adopted and considerable academic effort has been dedicated to defining the meaning of this term The search to define OOTW will lead one to discover that an approach to combating these new threats and missions exists in a pre World War II Marine Corps document called The Small Wars Manual This rediscovered manual provides relevant and battletested guidance for combating the 21st century s unconventional enemy The Marine Corps should use The Small Wars Manual as a guide for its future doctrine development concerning Military Operations Other than War

The Small War Manual and Marine Corps Military Operations Other Than War Doctrine ,2003 On 28 March 2001 the United States Marine Corps Warfighting Laboratory s embedded think tank the Center for Emerging Threats and Opportunities announced its intentions for developing a follow on volume of the Small Wars Manual This Small Wars Volume II intends to serve as a reference publication despite that the original manual was authoritative doctrine and that current Military Operations Other Than War guidance is either in a Concept in Development or Awaiting Development status Thus this thesis answers Does the Small Wars Manual series present a relevant baseline for the United States Marine Corps USMC to further develop its future MOOTW doctrine The following supporting questions require examination 1 Why did the original SWM erode from serving as USMC MOOTW authoritative doctrine to that of general reference and historical material 2 What does the SWM offer Twenty first Century Marine Corps MOOTW doctrine 3 What does the SWM Volume II intend to offer Twenty first Century Marine Corps MOOTW doctrine The thesis concludes among other things that indeed the SWM series deserves significant consideration for serving as Navy and Marine Corps authoritative MOOTW doctrine with the Small Wars Manual retaining its Marine Corps Reference Publication MCRP designation and its follow on volume serving as a Navy and Marine Corps authoritative doctrinal
