Studies In Luke Acts:

Literary Studies in Luke-Acts Joseph B. Tyson, 1998 *Literary Studies in Luke Acts* is a collection of essays by a group of distinguished biblical scholars who use literary critical analyses in the study of Luke Acts The variety of literary critical approaches to Luke Acts as compiled uniquely in this volume provides a needed resource by presenting methodological options for approaching biblical narrative texts with literary questions and considerations Contributors include Arthur Bellinzoni C Clifton Black Darrell L Bock John A Darr William Farmer Mikeal Parsons Vernon Robbins Jack Sanders Charles Talbert Robert Tannehill and Victor Paul Furnish **Studies in Luke, Acts, and Paul** C. Kevin Rowe, 2024-08-22 C Kevin Rowe's keenest essays on Luke Acts and Paul collected into one volume How should scholars undertake New Testament interpretation C Kevin Rowe unfolds a careful multidisciplinary approach across fifteen of his most incisive articles and chapters Focusing on Luke Acts and Paul's letters this authoritative collection exemplifies how to enrich exegesis through historical inquiry philosophical reasoning and theological reflection Topics include The historical context of the Roman imperial cult Ecclesial theology in Luke and Acts The relationship between Luke and Acts Paul and material culture Seeking the truth of Scripture requires more than a close reading of the text Rowe's work on Luke Acts and Paul demonstrates how fruitful biblical interpretation can be when interpreters cross disciplinary boundaries This volume is an indispensable addition to the libraries of scholars students and serious readers of Scripture alike **Studies in Luke-Acts** Leander E. Keck, Martyn Keck, James Louis Martyn, 1999-01-01 A Theology of Luke and Acts Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology Echoes of Scripture in Luke-Acts Kenneth D. Litwak, 2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study's database is larger Previous studies generally argue that Luke's use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1 13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke's use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an ecclesiological function

Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke s use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke s use of the texts are allowed to dictate the themes to which they relate JSNTS 282 *Five Studies on Interpretation of Scripture in Luke-Acts* Bart J.
