Studies In Medieval Jewish Philosophy:

Studies in Medieval Jewish Philosophy Israel Efros,1974 The Book of Job in Medieval Jewish Philosophy Robert Eisen,2004-09-16 Analyzes the history of the interpretation of the Book of Job by medieval Jewish exegetes The author offers an examination of commentaries on Job written by six major thinkers He looks at the relationship between the commentaries and their antecedent sources as well as their relationship to the broader context of medieval Jewish thought **Medieval Jewish Philosophy and Its Literary Forms** Aaron W. Hughes,James T. Robinson,2019-07-11 This well written accessible essay collection demonstrates a maturation in Jewish studies and medieval philosophy Choice Too often the study of philosophical texts is carried out in ways that do not pay significant attention to how the ideas contained within them are presented articulated and developed This was not always the case The contributors to this collected work consider Jewish philosophy in the medieval period when new genres and forms of written expression were flourishing in the wake of renewed interest in ancient philosophy Many medieval Jewish philosophers were highly accomplished poets for example and made conscious efforts to write in a poetic style This volume turns attention to the connections that medieval Jewish thinkers made between the literary the exegetical the philosophical and the mystical to shed light on the creativity and diversity of medieval thought As they broaden the scope of what counts as medieval Jewish philosophy the essays collected here consider questions about how an argument is formed how text is put into the service of philosophy and the social and intellectual environment in which philosophical texts were produced Medieval Jewish Philosophy Dan Cohn-Sherbok,1996 Surveys the writings of leading Jewish thinkers attempting to place them in an historical context and describe their contributions to the history of Jewish medieval thought in simple and lucid terms **Studies in Medieval Jewish Intellectual and Social History** David Engel,Lawrence H. Schiffman,Elliot R. Wolfson,2012-01-20 For more than four decades Robert Chazan has been a copious source of original insights into the history and culture of medieval European Jewry challenging conventional wisdom with profound erudition and sober analysis In this volume thirteen leading Judaicists and medievalists engage subjects that have been of particular concern to Professor Chazan during his distinguished career the history of the Jewish communities in Western Christendom during the Middle Ages Jewish Christian interactions in medieval Europe medieval Jewish Biblical exegesis and religious literature and historical representations of the experience of medieval Jewry Taken together they offer a comprehensive portrait of the state of the field of medieval Jewish studies An Introduction to Medieval Jewish Philosophy Daniel Rynhold,2009-04-15 Focusing on the central philosophical questions of the Middle Ages Daniel Rynhold offers a concise introduction to topics such as God and creation human freewill biblical prophecy the Commandments the divine attributes and immortality **Judaism as Philosophy** Howard Theodore Kreisel,2015 The studies comprising this volume most of them appearing for the first time in English deal with some of the main topics in Maimonides philosophy and that of his followers in Provence At the heart of these topics lies the issue of whether they

adopted a completely naturalistic picture of the workings of the world order or left room for the volitional activity of God in history These topics include divine law creation the Account of the Chariot prophet and sage Mosaic prophecy reasons for the commandments and prayer Special attention is paid to three lesser known but highly significant Proven Jewish thinkers Moses Ibn Tibbon Levi ben Avraham and Nissim ben Moses of Marseille

Studies in Medieval Jewish History and Literature Isadore Twersky, Jay Michael Harris, 2000 This volume contains eleven original studies ten in English and one in Hebrew by some of the most established scholars of Judaica and young newcomers as well Like the studies in the previous two volumes in the series those in this new volume shed important light on the Jewish cultural experience across a vast geographic expanse and over many centuries The studies illuminate the relationship of Jewish social structure and intellectual creativity the political theories that informed Jewish communal life different aspects of Jewish philosophical and mystical discourse Jewish biblical interpretation and the dynamic of Jewish legal thinking One study offers a critical edition and annotated translation of one of the classics of Jewish biblical interpretation The collection will be indispensable to all students of Jewish history and culture

Central Problems of Medieval Jewish Philosophy Dov Schwartz, 2006-02-01 This book deals with central issues of medieval Jewish philosophy Among the subjects treated are divine immanence the intellect miracles and esoteric writing and its limits The work provides a new perspective on the history of Jewish philosophy in the Middle Ages Relying on many as yet unpublished manuscripts which enable it to offer new insights relating to such thinkers as Judah Halevi Maimonides and Gersonides it also presents a new and original perception of the dynamics of Jewish thought in general

The Cambridge Companion to Medieval Jewish Philosophy Daniel H. Frank, Oliver Leaman, 2003-09-11 From the ninth to the fifteenth centuries Jewish thinkers living in Islamic and Christian lands philosophized about Judaism Influenced first by Islamic theological speculation and the great philosophers of classical antiquity and then in the late medieval period by Christian Scholasticism Jewish philosophers and scientists reflected on the nature of language about God the scope and limits of human understanding the eternity or createdness of the world prophecy and divine providence the possibility of human freedom and the relationship between divine and human law Though many viewed philosophy as a dangerous threat others incorporated it into their understanding of what it is to be a Jew This Companion presents all the major Jewish thinkers of the period the philosophical and non philosophical contexts of their thought and the interactions between Jewish and non Jewish philosophers It is a comprehensive introduction to a vital period of Jewish intellectual history

A History of Jewish Philosophy in the Middle Ages Colette Sirat, 1990-11-30 Jewish medieval philosophy has formed the subject of much research over the past thirty years since the appearance of Gutmann's *Philosophies of Judaism* resulting in greater understanding and a new need for summation This important work now available in paperback aims to supply that need and devotes ample discussion to the major figures of the period like Saadia Gaon Maimonides Abraham Ibn Ezra and Judah Halevi It also gives much attention to the discussion and presentation of texts by lesser known authors clustering

around the greater men and movements *Polemical and Exegetical Polarities in Medieval Jewish Cultures* Ehud Krinis, Nabih Bashir, Sara Offenberger, Shalom Sadik, 2021-10-25 In his academic career that by now spans six decades Daniel J Lasker distinguished himself by the wide range of his scholarly interests In the field of Jewish theology and philosophy he contributed significantly to the study of Rabbinic as well as Karaite authors In the field of Jewish polemics his studies explore Judeo Arabic and Hebrew texts analyzing them in the context of their Christian and Muslim backgrounds His contributions refer to a wide variety of authors who lived from the 9th century to the 18th century and beyond in the Muslim East in Muslim and Christian parts of the Mediterranean Sea and in west and east Europe This Festschrift for Daniel J Lasker consists of four parts The first highlights his academic career and scholarly achievements In the three other parts colleagues and students of Daniel J Lasker offer their own findings and insights in topics strongly connected to his studies namely intersections of Jewish theology and Biblical exegesis with the Islamic and Christian cultures as well as Jewish Muslim and Jewish Christian relations Thus this wide scoped and rich volume offers significant contributions to a variety of topics in Jewish Studies *Averroes and Averroism in Medieval Jewish Thought* , 2024-03-25 The Andalusian Muslim philosopher Averroes 1126 1198 is known for his authoritative commentaries on Aristotle and for his challenging ideas about the relationship between philosophy and religion and the place of religion in society Among Jewish authors he found many admirers and just as many harsh critics This volume brings together for the first time essays investigating Averroes s complex reception in different philosophical topics and among several Jewish authors with special attention to its relation to the reception of Maimonides Pablo Dreizik Professor of Philosophy at the University in Buenos Aires has featured this volume in a radio presentation on Radio Sefarad which represents the voice of the Federation of Jewish Communities of Spain The presentation is available here for all interested Radio Sefarad *Essays in Medieval Jewish and Islamic Philosophy* Arthur Hyman, 1977 **Prophecy** Howard Kreisel, 2012-12-06 More than any other topic prophecy represents the point at which the Divine meets the human the Absolute meets the relative How can a human being attain the Word of God In what manner does God when conceived as eternal and transcendent address corporeal transitory creatures What happens to God s divine Truth when it is beheld by minds limited in their power to apprehend and influenced by the intellectual currents of their time and place How were these issues viewed by the great Jewish philosophers of the past who took the divine communication and all it entails seriously while at the same time desired to understand it as much as humanly possible in the course of dealing with a myriad of other issues that occupied their attention This book offers an in depth study of prophecy in the thought of seven of the leading medieval Jewish philosophers R Saadia Gaon R Judah Halevi Maimonides Gersonides R Hasdai Crescas R Joseph Albo and Baruch Spinoza It attempts to capture the original voice of these thinkers by looking at the intellectual milieus in which they developed their philosophies and by carefully analyzing their views in their textual contexts It also deals with the relation between the earlier approaches and the later ones Overall this book presents a significant model for narrating the history of

an idea **Studies in the Formation of Medieval Hebrew Philosophical Terminology** Reimund Leicht, Giuseppe Veltri, 2020-02-20 This volume contains studies based on papers delivered at the international conference of the PESHAT in Context project entitled Themes Terminology and Translation Procedures in Twelfth Century Jewish Philosophy The central figure in this book is Judah Ibn Tibbon He sired the Ibn Tibbon family of translators which influenced philosophical and scientific Hebrew writing for centuries More broadly the study of this early phase of the Hebrew translation movement also reveals that the formation of a standardized Hebrew terminology was a long process that was never fully completed Terminological shifts are frequent even within the Tibbonide family to say nothing of the fascinating terminological diversity displayed by other authors and translators discussed in this book A History of Medieval Jewish Philosophy Isaac Husik, 2014-11-04 This is a history of Jewish philosophical thought over the Middle Ages and its influence on the modern age From the preface No excuse is needed for presenting to the English reader a History of Mediaeval Jewish Philosophy The English language poor enough in books on Jewish history and literature can boast of scarcely anything at all in the domain of Jewish Philosophy The Jewish Encyclopedia has no article on Jewish Philosophy and neither has the eleventh edition of the Encyclopedia Britannica Hastings Encyclopedia of Religion and Ethics will have a brief article on the subject from the conscientious and able pen of Dr Henry Malter but of books there is none But while this is due to several causes chief among them perhaps being that English speaking people in general and Americans in particular are more interested in positive facts than in tentative speculations in concrete researches than in abstract theorizing there are ample signs that here too a change is coming and in many spheres we are called upon to examine our foundations with a view to making our superstructure deep and secure as well as broad and comprehensive And this is nothing else than philosophy Philosophical studies are happily on the increase in this country and more than one branch of literary endeavor is beginning to feel its influence And with the increase of books and researches in the history of the Jews is coming an awakening to the fact that the philosophical and rationalistic movement among the Jews in the middle ages is well worth study influential as it was in forming Judaism as a religion and as a theological and ethical system But it is not merely the English language that is still wanting in a general history of Mediaeval Jewish Philosophy the German French and Italian languages are no better off in this regard For while it is true that outside of the Hebrew and Arabic sources German books and monographs are the sine qua non of the student who wishes to investigate the philosophical movement in mediaeval Jewry and the present writer owes very much to the researches of such men as Joel Guttman Kaufmann and others it nevertheless remains true that there is as yet no complete history of the subject for the student or the general reader The German writers have done thorough and distinguished work in expounding individual thinkers and problems they have gathered a complete and detailed bibliography of Jewish philosophical writings in print and in manuscript they have edited and translated and annotated the most important philosophical texts France has also had an important share in these fundamental undertakings but for some reason neither

the one nor the other has so far undertaken to present to the general student and non technical reader the results of their researches What was omitted by the German French and English speaking writers was accomplished by a scholar who wrote in Hebrew Dr S Bernfeld has written in Hebrew under the title Daat Elohim The Knowledge of God a readable sketch of Jewish Religious philosophy from Biblical times down to Ahad Haam A German scholar now in America Dr David Neumark of Cincinnati has undertaken on a very large scale a History of Jewish Philosophy in the Middle Ages of which only a beginning has been made in the two volumes so far issued

Scepticism and Anti-Scepticism in Medieval Jewish Philosophy and Thought Racheli Haliva, 2018-09-24 The series Studies and Texts in Scepticism contains monographs translations and collected essays exploring scepticism in its dual manifestation as a purely philosophical tradition and as a set of sceptical strategies concepts and attitudes in the cultural field especially in religions perhaps most notably in Judaism In such cultural contexts scepticism manifests as a critical attitude towards different dimensions and systems of secular or revealed knowledge and towards religious and political authorities It is not merely an intellectual or theoretical worldview but a critical form of life that expresses itself in such diverse phenomena as religion literature and society Further book series of the Maimonides Centre for Advanced Studies are Jewish Thought Philosophy and Religion and the Yearbook of the Maimonides Centre for Advances Studies

The State of Jewish Studies Jewish Theological Seminary of America, 1990 Contributors describe the key points of controversy and concern that currently engage scholars in most areas of Judaic research Respondents discuss the contributors views marking out areas of disagreement and delineating avenues for further research and debate Annotation copyrighted by Book News Inc Portland OR
