Studies in the New Testament, Volume 3: Midrash, Haggadah, and the Character of the Community J.D.M.

Derrett,2023-10-09 Midrash, Haggadah, and the Character of the Community John Duncan Martin Derrett,1982

Studies in the New Testament John Duncan Martin Derrett,1982 The Gospel of Luke Joel B. Green,1997-10-02 This highly original commentary part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative The Gospel in Parable John R. Donahue,1988-01-01 Professor Donahue here argues that the parables of Jesus offer a Gospel in miniature while at the same time giving shape direction and meaning to the Gospels in which they appear To study the parables of the Gospels is to study the gospel in parable After surveying recent discussions of parable metaphor and narrative Donahue examines and interprets the parables of Mark Matthew and Luke as texts in the context of the theology of each of these Gospels Finally he outlines what The Gospel in Parable looks like and offers suggestions for the proclamation of parables today **The Power of Parables** ,2023-11-07 The Power of Parables documents the surprising ways in which Jewish and Christian parables bridge religion with daily life This 2019 conference volume rediscovers the original power of parables to shock and affect their audience which has since been reduced by centuries of preaching and repetition Not only do parables enhance the perspective on Scripture or the kingdom of heaven they also change the sensory regime of the audience in perceiving the outer world The theological differences in their applications appear secondary in view of their powerful rhetoric and suggest a shared genre Risen Indeed? Resurrection and Doubt in the Gospel of Mark Austin Busch,2022-08-05 Risen Indeed Resurrection and Doubt in the Gospel of Mark traces the literary dynamics and explores the theological dimensions of the Gospel of Mark s thematization of skepticism regarding resurrection In every place where it seems to depict resurrection Jesus s and others Mark evades the issue of whether resurrection actually occurs Austin Busch argues that despite Mark s abbreviated and ambiguous conclusion this gospel does not downplay resurrection but rather foregrounds it imagining Jesus s death and restoration to life as a divine plot to overcome Satan through cunning deception Risen Indeed constitutes a careful literary reading of Mark s Gospel as well as an assessment of Mark s impact on the traditions of Christian literature and theology that emerged in its wake **Fish in the Bible** Carmen M. Cusack,2019-02-15 Fish in the Bible Psychosocial Analysis of Contemporary Meanings Values and Effects of Christian Symbolism analyzes why and to what end tales and truths about fish presented in the Bible hold water in Christian societies today Fish in the Bible argues that portraits of fish and fishermen presented in the Bible have been both embraced and rejected by contemporary cultures with primarily Christian constituents e g American culture This book does not make an ethical argument rather it explores manners in which Christians have selectively rejected or accepted depictions and symbols of fish and fishermen It explores differences between Christian maxims presented in Bible verses and the beliefs and actions of societies operating

under Christian moral majorities Fish in the Bible also considers the evolution of symbolism and metaphors in Christian society using parables and tales found in the Bible Fish in the Bible works on several specialized topics to argue that overall depictions of fish and fishermen in the Bible significantly and subtly shape Christian cultures even when Christians ignore or dismiss the robust ways in which fish and fishermen are characterized and treated in the Bible Fish serve as a metaphor for God's power judgment sin and fertility they are used to instill boundaries and standards in practitioners and sometimes fish are worshiped demonized and subjugated There is no clear or singular message regarding fish or fishermen and Christian societies are left to abide by a patchwork of representations to formulate their own opinions and judgments Social and behavioral science as well as cultural customs commerce and current events demonstrate Christians navigation and interpretations of what their understandings and treatment of fish and fishermen ought to be An Introduction and Conclusion summarize and synopsise implications raised by symbolism and literalism in certain contexts stories and verses demonstrating potentially pervasive significances of fish in Christian cultures throughout the world The foundations of this research are law social and behavioral science policy and politics history cultural studies religious studies animal studies animal welfare criminal justice sociology anthropology and current events
