Studies In The Patriarchal Narratives:

The Promises to the Fathers Claus Westermann, 1980-01 **The Promises of the Fathers** Claus Westermann, 1980
Hailed upon its publication in English as the first important form critical work on the narratives of Genesis since Gunkel
Journal of Biblical Literature Claus Westermann's *The Promises to the Fathers* turns attention to the promise narratives in
Genesis to develop a systematic understanding of their nature and significance In addition to providing a concise history of
investigation of the patriarchal promises during the twentieth century Westermann advances the conversation here in three
key ways In part one an early study delineates the types of narrative in Genesis by identifying three groups of texts the Crime
Punishment narratives of Genesis 1-11 the Abrahamic cycle and the Jacob Esau cycle Part two works from this foundation to
reinvestigate the promissory motif which Westermann describes as taking seven distinct forms In the concluding section he
deals with Ugaritic texts that shed new light on these promise narratives in Genesis Taken together these essays are
examples of the thoroughness and exegetical insight which have characterized Westermann's work on Genesis Catholic
Biblical Quarterly throughout his distinguished career Presented once again in a single volume they are sure to endure as a
standard reference in the field *The Promises to the Fathers* Claus Westermann, **Murmuring Against Moses: The
Contentious History and Contested Future of Pentateuchal Studies** Jeffrey L. Morrow, John Bergsma, 2023-01-26 For
much of the history of both Judaism and Christianity the Pentateuch first five books of the Bible was understood to be the
unified work of a single inspired author Moses Yet the standard view in modern biblical scholarship contends that the
Pentateuch is a composite text made up of fragments from diverse and even discrepant sources that originated centuries
after the events it purports to describe In *Murmuring against Moses* John Bergsma and Jeffrey Morrow provide a critical
narrative of the emergence of modern Pentateuchal studies and challenge the scholarly consensus by highlighting the
weaknesses of the modern paradigms and mustering an array of new evidence for the Pentateuch's antiquity By shedding
light on the past history of research and the present developments in the field Bergsma and Morrow give fresh voice to a
growing scholarly dissatisfaction with standard critical approaches and make an important contribution toward charting a
more promising future for Pentateuchal studies **Studies in Biblical Narrative** Yitshak Avishur, 1999 Yahweh's
Elegant Speeches of the Abrahamic Narratives Matthew Michael, 2014-05-14 This work is a study in the attribution aesthetics
and representations of Yahweh's speeches in the Hebrew Bible It describes the literary elegance and beauty of the speeches
of Yahweh in the Abrahamic narratives Employing a synchronic reading of the Abrahamic cycle it underscores the presence
of various literary devices in the divine speeches 12:1-9 13:1-18 15:1-21 17:1-27 18:1-33 and 22:1-19 Specifically it engages
the high concentration literary effects and use of metaphors metaphoric language similes alliterations wordplays
euphemisms hyperboles repetitions allusions and other distinctive literary features in the speeches of Yahweh which are
deliberately denied and glaringly absent in the speeches of the other main characters of the Abrahamic narratives e g

Abraham Sarah and Hagar Similarly it demonstrates the importance of these elevated speeches in the narrative world of Abrahamic epic Most importantly it also highlights the ideological significance of these decorated speeches of Yahweh to the original audience of the narrator who presumably identified with their excessive optimism and rhetoric Consequently this book is a pioneering work in the contemporary study of stylistics characterizations and functions of attributed speeches in the Hebrew narratives Old Testament Theology Robin Routledge,2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge s aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today **The Old Testament and Folklore Study** Patricia G. Kirkpatrick,1988-01-01 Since Gunkel folklore studies have exercised a great influence upon theories of oral composition and transmission of the patriarchal narratives Dr Kirkpatrick subjects the underlying premises supporting many of these theories to a careful examination in the light of the most recent folklore research *Sexual Politics in the Biblical Narrative* Esther Fuchs,2003-04-01 This book is for anyone interested in religious studies and women s studies as well as for biblical scholars It offers a feminist oppositional reading of the biblical text The main argument is that the Bible constructs a fictional universe in which women are shown to be intent on promoting male interests and for the most part appear as secondary characters whose voice and point of view are often suppressed In their limited roles as mothers wives daughters and sisters women are constructed as male dependent pawns intent on securing the status of their male counterparts The Biblical narrative highlights the contribution of women as reproductive agents and protectors of sons In this challenging collection of essays Fuchs focuses on type scenes as a way of demonstrating the mechanisms by which the texts validates male power and superiority She also deconstructs the Biblical sexual politics by asking whose interest is being served by the good women of the Bible Journal for the Study of the Old Testament Supplement series Volume 310

International Review of Biblical Studies, Volume 54 (2007-2008) Bernhard Lang,2009-04-30 Formerly known by its subtitle Internationale Zeitschriftenschau f r Bibelwissenschaft und Grenzgebiete the International Review of Biblical Studies

has served the scholarly community ever since its inception in the early 1950 s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered

Studies In The Patriarchal Narratives Introduction

In today's digital age, the availability of Studies In The Patriarchal Narratives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Studies In The Patriarchal Narratives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Studies In The Patriarchal Narratives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Studies In The Patriarchal Narratives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Studies In The Patriarchal Narratives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Studies In The Patriarchal Narratives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Studies In The Patriarchal Narratives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Studies In The Patriarchal Narratives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Studies In The Patriarchal Narratives books and manuals for download and embark on your journey of knowledge?
