The Bible throughout the Ages Zondervan,2024-11-12 The Bible throughout the Ages examines several crucial issues related to the Bible its status as God s truth and revelation the history of reading and interpreting Scripture and its ongoing relevance in the world today This edited volume is the result of collaboration between English and French speaking scholars who collectively address a range of issues regarding Scripture including literal vs metaphorical interpretations how theologians like Augustine Aquinas and Calvin read the Bible and how Scripture continues to shape the Christian faith today

The Heart of Torah, Volume 2 Shai Held,2017 In The Heart of Torah Rabbi Shai Held s Torah essays two for each weekly portion open new horizons in Jewish biblical commentary Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and astute commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Along the way he illuminates the centrality of empathy in Jewish ethics the predominance of divine love in Jewish theology the primacy of gratitude and generosity and God s summoning of each of us with all our limitations into the dignity of a covenantal relationship

Pearls of Jewish Wisdom on Living with Kindness Shmuly Yanklowitz,2023-06-29 In this book we will share forty lessons each with its own unique theme The common thread to the series is living with deeper kindness How can the Jewish tradition inspire us to live with deeper love and compassion How can Jewish pearls of wisdom inform how we care for one another The book contains five sections Kindness Toward Specific Individuals Kindness Toward All Individuals Kindness Through Restraint Care for Our Environment and Self Improvement as a Catalyst for Kindness to Others The first two sections address proactive kindness towards our fellow humans the third addresses kindness by avoiding hurting others the fourth kindness towards all of God s creations including animals and nature as kindness cannot be only people directed the fifth serves as a starting point and catalyst for all of the above for without first being kind to ourselves and improving our general character we cannot be truly kind towards others The argument is not only that God wants us to live with kindness and that Torah necessitates it but that kindness has the greatest chance of bringing happiness and meaning to our lives

Sacrifice and Gender in Biblical Law Nicole J. Ruane,2013-08-06 This book examines the Hebrew Bible s numerous laws about sacrificial procedure to understand the significance of gender in sacrificial rituals and the reasons that gender distinctions are so vital in these acts Gender selection of both victims and participants is an intrinsic aspect of the nature and purpose of each rite affecting its form and function as well as its legitimacy Sacrifice and Gender in Biblical Law considers the laws of the firstborn the rite of the red cow laws of slaughter rituals of purification and other offerings It shows that these laws regulate material wealth and contribute to the construction of social roles
