Studio One Stories Made For Radio

Albert Raimundo Braz

Studio One Stories Made For Radio:

Global Jane Austen L. Raw, R. Dryden, 2013-08-20 Despite dying in relative obscurity Jane Austen has become a global force as different readers across time space and media have responded to her work This volume examines the ways in which her novels affect individual psychologies and how Janeites experience her work from visiting her home to public reenactments to films based on her writings

Studio One Wayne Schmalz, 1990-01-01 KISS FM: From Radical Radio To Big Business: The Inside Story Of A London Pirate Radio Station's Path To Success Grant Goddard, 2011-06-09 This comprehensive meticulously researched work offers a rare glimpse into the dark and secretive world of pirate radio in London revealing the ambition and greed of some of those involved as well as the duplicity and deceit deployed to destroy others who got in their way

The False Traitor Albert Raimundo Braz, 2003-01-01 The nineteenth century M tis politician and mystic Louis Riel has emerged as one of the most popular and elusive figures in Canadian culture Since his hanging for treason in 1885 the self declared David of the New World has been depicted variously as a traitor to Confederation a French Canadian and Catholic martyr a bloodthirsty rebel a pan American liberator a pawn of shadowy white forces a Prairie political maverick a First Nations hero an alienated intellectual a victim of Western industrial progress and even a Father of Confederation Albert Braz synthesizes the available material by and about Riel including film sculpture and cartoons as well as literature in French and English and analyzes how an historical figure could be portrayed in such contradictory ways In light of the fact that most aesthetic representations of Riel bear little resemblance not only to one another but also to their purported model Braz suggests that they reveal less about Riel than they do about their authors and the society to which they belong The most comprehensive treatment of the representations of Louis Riel in Canadian literature The False Traitor will be a seminal work in the study of this popular Canadian figure

Far Out at Sea - The Radio Seagull Story Gordon Kelly, 2014-06-16 Far Out at Sea tells the story of Radio Seagull and how a bunch of renegades created a truly alternative radio station Lavishly illustrated with photographs and featuring exclusive interviews with the people involved Far Out at Sea is a must read for all fans of offshore radio

The World of Ham Radio, 1901-1950 Richard A. Bartlett, 2015-01-28 During the first fifty years of the twentieth century ham radio went from being an experiment to virtually an art form Because of the few government restrictions and the low monetary investment required the concept of ham radio appealed to various people More than just a simple hobby however ham radio required its operators to understand radio theory be able to trace a schematic and know how to build a transmitter and receiver with whatever material they might have available With the advent of World War II and the increased need for cutting edge communications the United States government drew upon the knowledge and skill of these amateur ham radio operators This book explores the history of ham radio operators emphasizing their social history and their many contributions to the technological development of worldwide communications It traces the concept of relays including the American Radio Relay League from contacts as close as 25 miles apart to

operators anywhere in the world The book highlights the part played by ham radio in many of the headline events of the half century especially exploration and aviation firsts The ways in which these primarily amateur operators assisted in times of disaster including such events as the sinking of the Titanic and the 1937 Ohio River flood are also examined **Something on My Own** Glenn D. Smith, Jr.,2015-02-25 In 1929 The Goldbergs debuted on the air introducing Gertrude Berg and her radio alter ego Bronx housewife Molly Goldberg to the nation The show would become one of the most beloved and enduring sitcoms of Golden Age radio and early TV At the helm was Berg who as creator star writer and producer became a force to be reckoned with This multi faceted biography provides a penetrating look at how Gertrude Berg carved a special place for herself in the annals of broadcast history Decades before Lucille Ball Berg triumphed as a woman of commercial and creative consequence in what was essentially a male dominated arena For over three decades Berg s Molly fluttered about and hung out her kitchen window dispensing motherly advice laced with engaging malapropisms insights and lots of schmaltz The show offered a warmly comedic look at the lives and dreams of working class American Jews and subtle insights into the nature of assimilation While Molly husband Jake and Uncle David represent Old World Jewish stereotypes children Rosalie and Sammy are as American as apple pie Berg makes it clear that the only thing separating shtetl and middle class new world values is style Drawing on Gertrude Berg s papers at Syracuse University s Bird Library and rare interviews with her family and colleagues the author reveals her as shrewd creative and forthright Unlike Molly Berg was a cultivated woman and a Columbia graduate A pioneer in the concept of product tie in she parlayed the show s popularity into a movie short stories and even a cookbook In 1951 she stood up to the blacklist by refusing to fire longtime co star Philip Loeb who was under fire by the House un American Committee The book also chronicles Berg s accomplishments in theater film and literature **Everyone Needs an Editor (Some of Us More Than Others)** Larry McCoy,2015-05-10 Rude raucous and often funny in a newsroom Larry McCoy has stuck to that winning combination in this memoir covering his life from an inexperienced writer at UPI to news director at CBS Radio to a retired journalist who is as appalled as non journalists by what many news organizations consider news these days Too old to be hired again now he pokes fun at former employers and many of their products and practices He denounces performance reviews the U S media s obsession with the British royal family broadcasters who talk down to their audience journalists who make up stories know nothing bosses and a universe where virtually everyone feels the need to tweet Never comfortable swimming with the tide McCoy says the best journalist he ever met didn t even finish high school and that newswomen may ask better questions than newsmen As a public service to workers in all professions he provides guidelines on how to write a smart snappy note to your boss and if that doesn t do the trick to your boss s boss But he has kind words for writers producers overseas stringers desk assistants technicians and yes even a few anchors *Five Directors* Ira Skutch,1998 *Five Directors* collects the fascinating memories of some of radio s most vivid personalities Himan Brown Axel Gruenberg Fletcher Markle Arch Oboler and Robert Lewis Shayon They explain

in their own words their journey through radio broadcasting how it affected their lives and how they saw it affecting the consciousness of a country Their histories are not just stories of success in early twentieth century America but individual portraits of the roller coaster changes in lifestyle that swept the United States Radio delivered not only entertainment but up to date news from Charles Lindbergh s transatlantic triumph to Roosevelt s comforting Fireside Chats during the depths of the Depression Five Directors is witness to the triumphs of radio and brings its enormous impact home with clear personable narratives and prose It includes a selected list of credits for each director and a handy index making the book a breezy useful tool for anyone fascinated by or nostalgic about America s first nationwide entertainment industry *Storytellers to the Nation* Tom Stempel,1996-05-01 Jam packed with hundreds of anecdotes and quotes from in depth interviews with over forty television writers this is the first comprehensive history of writing for American television These writers tell often in wonderfully funny tales of their experiences working with and often fighting with the networks the censors the sponsors the producers and the stars in trying to create shows

Yeah, reviewing a ebook **Studio One Stories Made For Radio** could go to your close contacts listings. This is just one of the solutions for you to be successful. As understood, attainment does not suggest that you have wonderful points.

Comprehending as well as covenant even more than other will come up with the money for each success. adjacent to, the proclamation as well as keenness of this Studio One Stories Made For Radio can be taken as without difficulty as picked to act.
