Study Of Modern Southeast Asian History:

The study of modern Southeast Asian history John Sturgis Bastin, 1959 A History of Early Modern Southeast Asia, 1400-1830 Barbara Watson Andaya, Leonard Y. Andaya, 2015-02-19 Written by two expert and highly esteemed authors this is the much anticipated textbook on the early modern history of Southeast Asia *Anthony Reid and the Study of the Southeast Asian Past* Geoff Wade, Li Tana, 2012 To celebrate Anthony Reid's numerous and seminal contributions to the field of Southeast Asian history a group of his colleagues and students has contributed essays for this Festschrift In addition to introductory essays which provide personal and intellectual histories of Anthony Reid the man there is a range of original scholarly contributions addressing historical issues which Reid has researched during his career Divided into sections which examine Southeast Asia in the world early modern Southeast Asia and modern Southeast Asia these works engage with issues ranging from the Age of Commerce and comparative Eurasian history to nationalism ethnic hybridity Islam technological change and the Chinese and Arabs in Southeast Asia The authors include some of the foremost historians of Southeast Asia in our generation **Routledge Handbook of Southeast Asian History** Norman G. Owen, 2014-04-23 The study of the history of Southeast Asia is still growing evolving deepening and changing as an academic field Over the past few decades historians have added nuance to traditional topics such as Islam and nationalism and created new ones such as gender globalization and the politics of memory The Routledge Handbook of Southeast Asian History looks at the major themes that have developed in the study of modern Southeast Asian history since the mid 18th century Contributions by experts in the field are clustered under three major headings Political History Economic History and Social and Cultural History and chapters challenge the boundaries between topics and regions Alongside the rise and fall of colonialism topics include conflict in Southeast Asia tropical ecology capitalism and its discontents the major religions of the region gender and ethnicity The Handbook provides a stimulating introduction to the most important themes within the subject area and is an invaluable reference work for any student and researcher on Southeast Asia and Asian and World history Early Modern Southeast Asia, 1350-1800 Ooi Keat Gin, Hoang Anh Tuan, 2015-10-08 This book presents extensive new research findings on and new thinking about Southeast Asia in this interesting richly diverse but much understudied period It examines the wide and well developed trading networks explores the different kinds of regimes and the nature of power and security considers urban growth international relations and the beginnings of European involvement with the region and discusses religious factors in particular the spread and impact of Christianity One key theme of the book is the consideration of how well developed Southeast Asia was before the onset of European involvement and how during the peak of the commercial boom in the 1500s and 1600s many polities in Southeast Asia were not far behind Europe in terms of socio economic progress and attainments **The Historical Construction of Southeast Asian Studies** Park Seung Woo, Victor T King, 2013-06-17 At a time when Southeast Asian Studies is declining in North America and Europe this book serves to remind us of the fresh

constructive and encouraging view of the field from Asia On behalf of Taiwan's Southeast Asian research community I sincerely congratulate Professors Park and King for making such a great and timely contribution to the making of Southeast Asian Studies in Asia Hsin Huang Michael Hsiao Director of Institute of Sociology Academia Sinica and former President of Taiwan Association of Southeast Asian Studies The Historical Construction of Southeast Asian Studies Korea and Beyond is an important and long overdue step in the task of bringing Southeast Asian Studies to where it rightfully belongs the Asian region At the same time it avoids being narrowly regionalistic and instead views Southeast Asia as an open system that transcends national units or fixed territorial categories and welcomes the contributions of both Asian and non Asian scholars in crafting a fresh post colonial approach to the study of the region's societies and peoples Eduardo Climaco Tadem Professor of Asian Studies University of the Philippines Diliman An insightful and systemic analysis of the intriguing trajectories evolving themes and multi lingual scholarship of Southeast Asian Studies in Asia and beyond this book serves as an important foundation in setting future research agendas as well as for closer global collaborations in knowledge production in Asian Studies Liu Hong Tan Kah Kee Professor and Chair School of Humanities and Social Sciences Nanyang Technological University Singapore

A History of Early Modern Southeast Asia, 1400-1830 Barbara Watson Andaya, Leonard Y. Andaya, 2015-02-19 Written by two experienced teachers with a long history of research this textbook provides students with a detailed overview of developments in early modern Southeast Asia when the region became tightly integrated into the world economy because of international demand for its unique forest and sea products Proceeding chronologically each chapter covers a specific time frame in which Southeast Asia is located in a global context A discussion of general features that distinguish the period under discussion is followed by a detailed account of the various sub regions Students will be shown the ways in which local societies adapted to new religious and political ideas and responded to far reaching economic changes Particular attention is given to lesser known societies that inhabited the seas the forests and the uplands and to the role of the geographical environment in shaping the region's history The authoritative yet accessible narrative features maps illustrations and timelines to support student learning A major contribution to the field this text is essential reading for students and specialists in Asian studies and early modern world history

New Perspectives on the History and Historiography of Southeast Asia Michael Arthur Aung-Thwin, Kenneth Hall, 2011-05-13 Using a unique old new treatment this book presents new perspectives on several important topics in Southeast Asian history and historiography Based on original primary research it reinterprets and revises several long held conventional views in the field covering the period from the classical age to the twentieth century Chapters share the approach to Southeast Asian history and historiography namely giving agency to Southeast Asia in all research analysis writing and interpretation The book honours John K Whitmore a senior historian in the field of Southeast Asian history today by demonstrating the scope and breadth of the scholar's influence on two generations of historians trained in the West In addition to providing new information and insights

on the field of Southeast Asia this book stimulates new debate on conventional ideas evidence and approaches to its teaching research and understanding It addresses and in many cases revises specific critically important topics in Southeast Asian history on which much conventional knowledge of Southeast Asia has long been based It is of interest to scholars of Southeast Asian Studies as well as Asian History **Southeast Asian Education in Modern History** Pia Jolliffe, Thomas Bruce, 2018-10-30 How particular has Southeast Asia's experience of educational development been and has this led to an identifiably distinct Southeast Asian approach to the provision of education Inquiry into these questions has significant consequences for our understanding of the current state of education in Southeast Asia and the challenges it has inherited This book contributes to a better understanding of the experience of educational development in Southeast Asia by presenting a collection of micro historical studies on the subject of education policy and practice in the region from the emergence of modern education to the end of the twentieth century The chapters fathom the extent to which contest over educational content in schools has occurred and establish the socio cultural political and economic bases upon which these contestations have taken place and the ways in which those forces have played out in the classrooms In doing so the book conveys a sense of the extent to which modern forms of education have been both facilitated and shaped by the region's specific configurations its unique demographic religious social environmental economic and political context Conversely they also provide examples of the sorts of obstacles that have prevented education making as full an impact on the region's recent modern transformation as might have been hoped or expected This book will be of interest to academics in the field of Southeast Asian Studies Asian Studies education nationalism and history Historical Archaeology of Early Modern Colonialism in Asia-Pacific Maria Cruz Berrocal, Cheng-hwa Tsang, 2017-12-28 The essential source for scholarly reassessment of the Asia Pacific region's diverse and significant archaeology and history James P Delgado coauthor of *The Maritime Landscape of the Isthmus of Panama* Underpins a nuanced picture of Asia Pacific that shows how the activities of the Chinese and Japanese in East Asia the spread of Islam from South Asia and the efforts of the Iberians and especially the Spanish from southern Europe ushered in a world of complex interaction and rapid and often profound change in local regional and wider cultural patterns Ian Lilley editor of *Archaeology of Oceania* Australia and the Pacific Islands The history of Asia Pacific since 1500 has traditionally been told with Europe as the main player ushering in a globalized capitalist world But these volumes help decentralize that global history revealing that preexisting trade networks and local authorities influenced the region before and long after Europeans arrived In the volume *The Southwest Pacific and Oceanian Regions* case studies from Alofi Vanuatu the Marianas Hawaii Guam and Taiwan compare the development of colonialism across different islands Contributors discuss human settlement before the arrival of Dutch French British and Spanish explorers tracing major exchange routes that were active as early as the tenth century They highlight rarely examined sixteenth and seventeenth century encounters between indigenous populations and Europeans and draw attention to how cross cultural

interaction impacted the local peoples of Oceania The volume The Asia Pacific Region looks at colonialism in the Philippines China Japan and Vietnam emphasizing the robust trans regional networks that existed before European contact Southeast Asia had long been influenced by Buddhist Hindu and Muslim traders in ways that helped build the region s ethnic and political divisions Essays show the complexity and significance of maritime trade during European colonization by investigating galleon wrecks in Manila Japan s porcelain exports and Spanish coins discovered off China s coast Packed with archaeological and historical evidence from both land and underwater sites impressive in geographical scope and featuring perspectives of scholars from many different countries and traditions these volumes illuminate the often misunderstood nature of early colonialism in Asia Pacific
