OECD Regional Development Studies Policy Making after Disasters Helping Regions Become Resilient - The Case of Post-Earthquake Abruzzo OECD,2013-03-01 This report suggests that Abruzzo should focus on endogenous resources to build its long term development strategy and at the same time to increase the external openness of the regional system to attract more entrepreneurs students foreigners and external capital

Educational Research and Policy-Making Lesley Saunders,2007-09-12 This book provides a fascinating insight into the sometimes troubled relationship between research and policy making in education It shows how each of these areas of social and intellectual endeavour is in a state of dynamic change and how as a result they are becoming more mutually inter permeable and posing increasingly challenging problems for each other It suggests a number of scenarios for the future development of the relationship and throws down some challenges for both communities Drawing together contributions from the premier league of UK educationalists the book is both thought provoking and anxiously awaited by other academics wanting to learn from the experience of senior researchers

impact analysis United States. Department of the Army. Professional Development of Officers Study Group,1985 **The Intersection of Intellectual Property Rights and Innovation Policy Making - A Literature Review** World Intellectual Property Organization,2015-05-28 This report literature review provides an overview of academic writing on the role IP has played in innovation policy making over the last two decades **Social Research and Policy in the Development Arena** Martin Doornbos,2015-10-08 The author focuses on the research policy nexus in development studies highlighting reciprocal orientations and interactions between the domains of social research and of policy and politics He looks at instances where these domains are complementary and geared towards common objectives but also with others marked by opposing rationales **Policy-Making as Designing** Arwin van Buuren,Jenny M. Lewis,B. Guy Peters,2023-05-24 The articles on which Chapters 4 5 and 6 are based are available Open Access under CC BY NC licence Design approaches to policy making have gained increasing popularity among policy makers in recent years First published as a special issue of Policy Politics this book presents original critical reflections on the value of design approaches and how they relate to the classical idea of public administration as a design science with a new concluding chapter Contributors consider the potential challenges and applications of design approaches and distinguish between three methods currently characterising the discipline design as optimisation design as exploration and design as co creation Developing the dialogue around public administration as a design science this collection explores how a more designerly way of thinking can improve public administration and public policy Institutionalizing Expertise in Policy-making: a Study of European-level Interest Intermediation Rebecca King Chen,2009 *Making Gender Equality Happen* Rosalind Cavaghan,2017-05-25 In theory the EU s Gender Mainstreaming policy should mark it out as a trail blazer in gender equality but gender equality activists in Europe confront a knotty problem most civil servants and policy makers can t understand how to mainstream gender Making Gender Equality Happen argues that we should take this problem seriously In this book Cavaghan uncovers the social processes that make gender appear irrelevant to so many policy makers using a new method gender knowledge contestation analysis Building on this new perspective Cavaghan identifies barriers to effective gender mainstreaming mechanisms of resistance to gender mainstreaming and the steps towards positive change which gender mainstreaming can yield even when results stop short of transformation These findings present fresh perspectives for policy makers and activists aiming to make gender equality happen Cavaghan s new method also opens fresh avenues in feminist EU studies which are particularly relevant in the wake of the financial crisis as the EU seems to be stepping away from its commitments to gender equality
