## Sugar Valley Saga:

Sugar Valley Saga Carroll Gambrell, 1993-01-01      Nebraska Sweet Beets: A History of Sugar Valley Lawrence Gibbs, 2020 Sugar beets are as tenaciously rooted in Nebraska's history as they are in its soil especially in a seventy mile stretch of the North Platte Valley that extended into eastern Wyoming The state's first processing facility opened in Grand Island in 1890 boasting the largest mill in the world The height of the beet boom occurred in the early part of the twentieth century as Wyobraskan towns courted factory locations as feverishly as rival sugar companies competed for territory and an irrigation network turned the region into America's Valley of the Nile Some rail lines have disappeared from the map while catastrophes like the Scottsbluff and Bayard sugar bin explosions and the Gering Molasses spill will never be forgotten From neglected beet dumps and abandoned rail spurs to silos ready for future harvests explore Sugar Valley's heritage with Lawrence Gibbs      The War of the Rebellion United States. War Department, 1891 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas      The War of the Rebellion United States.
