Sugarball

The American Game, the Dominican Dream

Sugarball The American Game The Dominican Dream

Alan Klein

Sugarball The American Game The Dominican Dream:

Sugarball Alan M. Klein, 1991-01-01 This is an important book It elevates sport sociology to levels heretofore rarely achieved showing that this subdiscipline still in its adolescence is coming of age Tackling issues as crucial as cultural resistance and hegemony the author shows us how sport can be used to illustrate the tension between an industrial power and a developing nation Destined to take its place as one of the best critical ethnographies of sport we recommend *Sugarball* Patricia A Adler and Peter Adler American Journal of Sociology *Sports and the Racial Divide* Michael E. Lomax, 2011-03-11 With essays by Ron Briley Michael Ezra Sarah K Fields Billy Hawkins Jorge Iber Kurt Kemper Michael E Lomax Samuel O Regalado Richard Santillan and Maureen Smith This anthology explores the intersection of race ethnicity and sports and analyzes the forces that shaped the African American and Latino sports experience in post World War II America Contributors reveal that sports often reinforced dominant ideas about race and racial supremacy but that at other times sports became a platform for addressing racial and social injustices The African American sports experience represented the continuation of the ideas of Black Nationalism racial solidarity black empowerment and a determination to fight against white racism Three of the essayists discuss the protest at the 1968 Olympic Games in Mexico City In football baseball basketball boxing and track and field African American athletes moved toward a position of group strength establishing their own values and simultaneously rejecting the cultural norms of whites Among Latinos athletic achievement inspired community celebrations and became a way to express pride in ethnic and religious heritages as well as a diversion from the work week Sports was a means by which leadership and survival tactics were developed and used in the political arena and in the fight for justice **Pitching Democracy** April Yoder, 2023-03-14 How Dominicans contribute to Major League Baseball and what they receive in return From Juan Marichal and Pedro Martinez to Albert Pujols and Juan Soto Dominicans have long been among Major League Baseball s best How did this small Caribbean nation become a hothouse of baseball talent To many fans the answer is both obvious and disconcerting pro teams use their riches to develop talent abroad creating opportunities for superhuman athletes and corrupt officials while the rest of the population sees little benefit Yet this interpretation of history is incomplete April Yoder traces how baseball has empowered Dominicans in their struggles for democracy and social justice While the dictatorship of Rafael Trujillo saw the sport as a means of cementing its power at home and abroad the Dominican people fashioned an emancipated civic sphere by seeing their potential for democratic success in their compatriots baseball success Later Dominicans articulated demands for democracy economic opportunity and civil rights through successful calls for public support of amateur and professional baseball Today Dominicans continue to demand that incentives for the baseball industry foster human as well as economic development A revelatory and innovative history *Pitching Democracy* restores agency to the Dominican people and honors their true love of the game Dollar Diplomacy by Force Ellen D. Tillman, 2016-02-11 In the early twentieth century the United States set out to

guarantee economic and political stability in the Caribbean without intrusive and controversial military interventions and ended up achieving exactly the opposite Using military and government records from the United States and the Dominican Republic this work investigates the extent to which early twentieth century U S involvement in the Dominican Republic fundamentally changed both Dominican history and the conduct of U S foreign policy Successive U S interventions based on a policy of dollar diplomacy led to military occupation and contributed to a drastic shifting of the Dominican social order as well as centralized state military power which Rafael Trujillo leveraged in his 1920s rise to dictatorship Ultimately this book demonstrates that the overthrow of the social order resulted not from military planning but from the interplay between uncoordinated interventions in Dominican society and Dominican responses Telling a neglected story of occupation and resistance Ellen D Tillman documents the troubled efforts of the U S government to break down the Dominican Republic and remake it from the ground up providing fresh insight into the motivations and limitations of occupation Class at Bat, Gender on Deck and Race in the Hole Ron Briley, 2017-01-06 Nineteen essays by Briley focus on major league baseball as it reflected the changing American culture from about 1945 to about 1980 He examines the era through the lens of race gender and class categories which have increasingly become essential analytical tools for scholars The accounts of Roman Mejias and Cesar Cedeño offer some disturbing insights regarding the acceptance of Latinos in baseball and American society In one essay Briley refers to baseball as the heart of the nation's democratic spirit noting that the son of a rural farmer could play alongside a governor's son and both would receive only the praise that their playing merited However in writing about the Milwaukee Braves move to Atlanta the lamentations of fans that baseball had succumbed to the age of affluence are compared to the changing patterns of demographics and economic power in American society Even with the increased participation of women on the field with teams like the Silver Bullets the final essay comments on organized baseball's perception of them as primarily spectators Instructors considering this book for use in a course may request an examination copy here **World History Encyclopedia [21 volumes]** Alfred J. Andrea Ph.D., 2011-03-23 An unprecedented undertaking by academics reflecting an extraordinary vision of world history this landmark multivolume encyclopedia focuses on specific themes of human development across cultures era by era providing the most in depth expansive presentation available of the development of humanity from a global perspective Well known and widely respected historians worked together to create and guide the project in order to offer the most up to date visions available A monumental undertaking A stunning academic achievement ABC CLIO's World History Encyclopedia is the first comprehensive work to take a large scale thematic look at the human species worldwide Comprised of 21 volumes covering 9 eras an introductory volume and an index it charts the extraordinary journey of humankind revealing crucial connections among civilizations in different regions through the ages Within each era the encyclopedia highlights pivotal interactions and exchanges among cultures within eight broad thematic categories population and environment society and culture migration and travel politics and statecraft

economics and trade conflict and cooperation thought and religion science and technology Aligned to national history standards and packed with images primary resources current citations and extensive teaching and learning support the World History Encyclopedia gives students educators researchers and interested general readers a means of navigating the broad sweep of history unlike any ever published *Sport and American Society* Mark Dyreson, J. A. Mangan, 2013-09-13 A special issue of the International Journal of the History of Sport this collection of provocative essays explores the many faces of sport in America Drawing upon insights from anthropology history philosophy and sociology and with reference throughout to politics and economics the contributors outline the story of how American sport has contributed to a climate of insularity exceptionalism and imperialism from a symbolic rejection of British rule and British sports to the current status of all American sports such as baseball and basketball in the face of globalization *The Fight of Their Lives* John Rosengren, 2014-02-18 How Juan Marichal and John Roseboro turned baseball's ugliest brawl into a story of forgiveness and redemption Jacket *Dominican Republic* Erin Foley, Leslie Jermyn, Debbie Nevins, 2015-12-15 Readers will explore the tropical country of the Dominican Republic as they look through these beautiful pages Everything from government culture geography and trade is covered in these informative books With a detailed table of contents and useful maps Cultures of the World Dominican Republic is a wonderful look at a country different from our own All books of the critically acclaimed Cultures of the World series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and interactive activities such as creating an authentic traditional dish from an easy to follow recipe Copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture help your readers to understand why diversity is the spice of Life **Contemporary Sport Marketing** James J. Zhang, Brenda G. Pitts, 2017-02-17 The international nature of the sport industry requires a global approach to sport marketing practices Organisations need to develop a good understanding of the laws regulations values and norms of the countries and cultures in which they operate This book brings together world leading sport marketing scholars from 11 countries to address the most important global regional national and community marketing issues in sport today Presenting the latest cutting edge research from countries including India China the UK and the USA it includes case studies on successful marketing strategies in sports ranging from football and hockey to baseball and motor racing The book combines both qualitative and quantitative studies to explore key topics such as sport marketing in a globalized marketplace corporate social responsibility and sponsorship in sporting events the Olympic brand image and its values sport consumer behaviour and customer satisfaction new digital marketing channels Contemporary Sport Marketing Global perspectives is vital reading for all students and scholars of sport marketing sport business and sport management as well as for any professional working in the sport industry *The Oxford Handbook of Sports History* Robert Edelman, Wayne Wilson, 2017-04-06 Orwell was wrong Sports are not war without the shooting nor are they war by other means To be sure sports have generated animosity

throughout human history but they also require rules to which the participants agree to abide before the contest Among other things those rules are supposed to limit violence even death More than anything else sports have been a significant part of a historical civilizing process They are the opposite of war As the historical profession has taken its cultural turn over the last few decades scholars have turned their attention to subject once seen as marginal As researchers have come to understand the centrality of the human body in human history they have come to study this most corporeal of human activities Taking early cues from physical educators and kinesiologists historians have been exploring sports in all their forms in order to help us answer the most fundamental questions to which scholars have devoted their lives We have now seen a veritable explosion excellent work on this subject just as sports have assumed an even greater share of a globalizing world s cultural political and economic space Practiced by millions and watched by billions sports provide an enormous share of content on the Internet This volume combines the efforts of sports historians with essays by historians whose careers have been devoted to more traditional topics We want to show how sports have evolved from ancient societies to the world we inhabit today Our goal is to introduce those from outside this sub field to this burgeoning body of scholarship At the same time we hope here to show those who may want to study sport with rigor and nuance how to embark on a rewarding journey and tackle profound matters that have affected and will affect all of humankind Dominican Baseball Alan

Klein,2014-03-14 Alan Klein examines the history of Major League Baseball s presence and influence in the Dominican Republic the development of the booming industry and academies and the dependence on Dominican player developers known as buscones He also addresses issues of identity fraud and the use of performance enhancing drugs as hopefuls seek to play professionally Dominican Baseball charts the trajectory of the economic flows of this transnational exchange and the pride Dominicans feel in their growing influence in the sport Klein also uncovers the prejudice that prompts MLB to diminish Dominican claims on legitimacy *Pop Culture in Latin America and the Caribbean* Elizabeth Gackstetter Nichols,Timothy R. Robbins Ph.D.,2015-07-28 This insightful book introduces the most important trends people events and products of popular culture in Latin America and the Caribbean In recent times Latin American influences have permeated American culture through music movies television and literature This sweeping volume serves as a ready reference guide to pop culture in Central America South America and the Caribbean focusing on Mexico Brazil Venezuela Argentina Haiti Cuba the Dominican Republic Jamaica and Costa Rica among other areas The work encourages hands on engagement with the popular culture in these places making such suggestions as Brazilian films to rent or where to find Venezuelan music on the Internet To start the book covers various perspectives and issues of these regions including the influence of the United States how the idea of machismo reflects on the portrayal of women in these societies and the representation of Latino Caribo cultures in film and other mediums Entries cover key trends people events and products from the beginning of the 20th century to the present day Each section gives detailed information and profound insights into some of the more academic and often

controversial debates on the subject while the inclusion of the Internet social media and video games make the book timely and relevant

Everything You Need to Know About Latino History Himilce Novas, 2007-11-27 The popular primer to Latino life and culture Latinos represent the fastest growing ethnic population in the United States In an accessible and entertaining question and answer format this completely revised 2008 edition provides the most current perspective on Latino history in the making including New Mexico governor Bill Richardson s announced candidacy for the 2008 presidential election Ugly Betty the hit ABC TV show based on the Latino telenovela phenomenon The number of Latino players in Major League baseball surpassing the 25 percent mark Immigration legislation and the battle over the Mexican border The state of Castro s health and what it means for Cuba More than ever this concise yet comprehensive reference guide is the ideal introduction to the vast and varied history and culture of this multifaceted ethnic group

Baseball Beyond Our Borders George Gmelch, Daniel A. Nathan, 2017 Baseball Beyond Our Borders celebrates the globalization of the game while highlighting the different histories and cultures of the nations in which the sport is played This collection of essays tells the story of America s national pastime as it has spread across the world and undergone instructive entertaining and sometimes quirky changes in the process Covering nineteen countries and a U S territory the contributors show how each country imported baseball how baseball took hold and developed how it is organized played and followed and what local and regional traits tell us about the sport s place in each culture But what lies in store as baseball s passport fills up with far flung stamps Will the international migration of players homogenize baseball What role will the World Baseball Classic play These are just a few of the questions the authors pose

Post-Beijing 2008: Geopolitics, Sport and the Pacific Rim J. A. Mangan, Fan Hong, 2013-10-18 In 2008 as few in the world are unaware China was host to the world via the Beijing Olympics The world watched the metamorphosis of Beijing from insecure capital to confident metropolis but aware of it or not the world was also watching the symbolic assertion via the Games of a rising superpower The Pacific Rim will be the stage on which China initially displays its new hegemonic intentions aspirations and ambitions Thus in Post Beijing 2008 the political economic and cultural impact of Beijing 2008 on the geopolitical future of the Pacific Rim will be discussed This perspective analysed by some of the most distinguished academic commentators from some of the world s leading universities who are closely associated with the Pacific Rim East and West is original in focus and the analysis is pregnant with political possibilities This book was previously published as a special issue of the International Journal of the History of Sport

Sport and Migration Joseph Maguire, Mark Falgout, 2010-10-18 In this dazzling collection of papers leading international sport studies scholars chart the patterns policies and personal experiences of labour migration within and around sport and in doing so cast important new light both on the forces shaping modern sport and on the role that sport plays in shaping the world economy and global society Contains a broad range of case studies focussing on such diverse areas as European and African soccer Japanese baseball and rugby union in New Zealand

Globalized Sport Management in Diverse Cultural Contexts James J.

Zhang, Brenda G. Pitts, 2019-04-05 Cross cultural management is an important facet of the globalized sport industry Sport managers must be skilled at working with individuals from diverse cultures and aware of the key issues affecting sport on a global level This book brings together cutting edge research from leading sport scholars from around the world to illuminate some of those important issues and to demonstrate what cross cultural management looks like in a sporting context Presenting case studies from countries as diverse as the US Brazil Poland and Venezuela and across a range of sports from football to basketball the book presents new empirical material derived from a range of inquiry protocols including both qualitative and quantitative methods It offers critical analyses of cross cultural and managerial issues in key areas such as group cohesiveness group communications and misperception and misinterpretation Making an important contribution to our understanding of both theory and practice in sport management this book is fascinating reading for any student researcher or practitioner with an interest in global and international sport *Sport Development and Sport for Development in the Caribbean* Roy McCree, 2025-07-07 Sport Development and Sport for Development in the Caribbean offers a unique focus on the Caribbean context to examine issues related to sport development and sport for development across a range of Caribbean countries that include Cuba the Dominican Republic Haiti Jamaica Martinique and Trinidad and Tobago **Football and Migration** Richard Elliott, John Harris, 2014-09-19 Football is an incredibly powerful case study of globalization and an extremely useful lens through which to study and understand contemporary processes of international migration This is the first book to focus on the increasingly complex series of migratory processes that contour the contemporary game drawing on multi disciplinary approaches from sociology history geography and anthropology to explore migration in football in established emerging and transitional contexts The book examines shifting migration patterns over time and across space and analyses the sociological dynamics that drive and influence those patterns It presents in depth case studies of migration in elite men s football exploring the role of established leagues in Europe and South America as well as important emerging leagues on football s frontier in North America and Asia The final section of the book analyses the movement of groups who have rarely been the focus of migration research before including female professional players elite youth players amateur players and players families drawing on important new research in Ghana England Haiti and the Dominican Republic Few other sports have such a global reach and therefore few other sports are such an important location for cross cultural research and insight across the social sciences This book is engaging reading for any student or scholar with an interest in sport sociology human geography migration international labour flows globalization development or post colonial studies

Embracing the Beat of Expression: An Mental Symphony within **Sugarball The American Game The Dominican Dream**

In a global used by monitors and the ceaseless chatter of fast conversation, the melodic beauty and mental symphony developed by the published word usually disappear in to the background, eclipsed by the persistent noise and disruptions that permeate our lives. But, nestled within the pages of **Sugarball The American Game The Dominican Dream** an enchanting literary prize overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this interesting masterpiece conducts viewers on an emotional trip, well unraveling the hidden tunes and profound affect resonating within each cautiously crafted phrase. Within the depths with this moving evaluation, we shall examine the book is central harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
