Suicide Cliff:

Mass Suicides on Saipan and Tinian, 1944 Alexander Astroth, 2019-03-28 When the Americans invaded the Japanese controlled islands of Saipan and Tinian in 1944 civilians and combatants committed mass suicide to avoid being captured Though these mass suicides have been mentioned in documentary films they have received scant scholarly attention This book draws on United States National Archives documents and photographs as well as veteran and survivor testimonies to provide readers with a better understanding of what happened on the two islands and why The author details the experiences of the people of the islands from prehistoric times to the present with an emphasis on the Japanese Okinawan Korean Chamorro and Carolinian civilians during invasion and occupation

Torturing Love: The Unique Master Qu Huoshui, 2020-01-20 What kind of enmity was this to be able to cause their Father And Daughter to kill each other What kind of hatred would allow couples to harm each other The mysterious Nether Flower Palace Mistress the beautiful yet ice like woman the woman who carried grudges and tears love and hate on her back as she stepped step by step onto this bloody path Since ancient times which was the most important The most important In the end he could only sigh Destiny makes a fool out of people

D-Day in the Pacific Harold J. Goldberg, 2007-05-02 The narrative moves smoothly and crisply There is effective treatment of strategy preparations and then the invasion and battle for Saipan itself Spencer C Tucker author of American Revolution In June 1944 the attention of the nation was riveted on events unfolding in France But in the Pacific the Battle of Saipan was of extreme strategic importance This is a gripping account of one of the most dramatic engagements of World War II The conquest of Saipan and the neighboring island of Tinian was a turning point in the war in the Pacific as it made the American victory against Japan inevitable Until this battle the Japanese continued to believe that success in the war remained possible While Japan had suffered serious setbacks as early as the Battle of Midway in 1942 Saipan was part of her inner defense line so victory was essential The American victory at Saipan forced Japan to begin considering the reality of defeat For the Americans the capture of Saipan meant secure air bases for the new B 29s that were now within striking distance of all Japanese cities including Tokyo Harold Goldberg s riveting story of this conflict brings the dead back to life by blending rigorous research with dramatic narratives by hundreds of survivors He has written a superb account of a pivotal little known and heart breaking battle Col Joseph H Alexander USMC ret author of Storm Landings Using recent interviews he conducted with extant US veterans Goldberg skillfully develops the soldiers view of the battle for Saipan in an engaging

R. Rhoads, 2005-09-12 *Sinner Sailor* is the autobiographical telling of the author's navy career from 1945 until 1972 from World War II through Viet Nam He joined the navy at seventeen seeking adventure and romance he found both and much more He went to Korea as a navy hospital corpsman in a marine unit served at sea aboard a series of aircraft carriers Boxer Hancock and Princeton in the Pacific and later as a medical service corps mustang officer aboard the carrier Constellation at the time of the Tonkin Gulf incident Toward the end of that conflict he did a reprise of Korea ashore in Viet Nam as medical liaison officer with the combined action force of the III Marine Amphibious Force All battle and no liberty makes for a dull read so he includes lighter moments of a sailor on liberty in San Diego Los Angeles

Tijuana Hong Kong Osaka Sasebo Yokosuka and of a navy officer in his prime on the loose in San Diego and New York City Sex sin and sailing are not unknown The author re creates his experiences using narrative dialogue conflict and character as in a novel telling of events as they happen with the immediacy of happening as it is read Each morning I had to face Mr Becker who attempted to counsel me on the principals of leadership I felt he was trying to change my inner self to him trying to develop whatever traces of petty tyrant might be hiding in me into a true whipper of men someone to be feared an ideal Lange You re going to be Lang s relief he began the H Division Police Petty Officer I need someone who can take charge and shape up the men It ll be your job to make sure everyone in sickbay keeps busy does their job and follows orders Kick ass and take names Don t try to make them like you you re not in a popularity contest Chapter sixteen The next day I went to where she lived when she wasn t working at the New Black Rose We talked and joked and then we made love Afterwards she began to look sad Whatsa matta you I asked You Christian she asked I shrugged and said I guess so Why Why you here then she asked angry and disillusioned at me and at herself I was taken aback by her question I began putting my clothes on Chapter Sixteen There are genuine heroes in the book there are also bureaucrats time servers rogues villains and scoundrels Life aboard a ship or ashore with the marines or liberty in the fleshpots or at home with the family has rarely been caught so realistically A good read of the real McCoy

The Sky Rained Heroes Frederick E. LaCroix, 2009 I asked for action and I m really getting it We had our toughest mission to date yesterday It was a bombing strafing job on destroyers and they really threw up the fireworks It gives you a funny feeling to see all the ack ack coming and still have to keep on going in It is a feeling of acute anticipation and mild curiosity the latter as regards whether it is your turn to get hit I like combat pretty well I guess it is a natural desire to like destruction If you ve ever seen six streams of tracers hosing into a target I think you d know what I mean I ve flown an awful lot lately 9 hours a day and hope I can keep it up However some replacements came in today so they will probably ease up a little on the rest of us I d rather keep up the steady flying though P S Guess you ve been praying for me quite a bit At any rate someone has Keep it up There really are no atheists here Book jacket

Pain and Purpose in the Pacific Richard Carl Bright, 2014-01-24 What follows here just a brief insight into Pain and Purpose in the Pacific This book did not begin with the idea of a chronology of the battles of the Pacific War although an overview is included But instead it was intended to be a brief account of the battles on Saipan Tinian and Okinawa as I retrace the travels of one Marine from the farmland of Minnesota to Japan and back Carl J Johnson spent 30 months in the Pacific Four of those months were in bitter combat on the islands of Saipan Tinian and Okinawa He is my uncle I have been blessed to travel also Belau which is Palau and includes Peleliu Included too in this book are Iwo Jima Corregidor and the Philippines In my travels beyond Hawaii and Pearl Harbor which was my introduction into the Pacific were Yap and Truk which is Chuuk and Pohnpei in the Carolines And I've spent time in Japan During my time in the Pacific I have been presented with the opportunity to speak with several of the veterans of the Pacific War Doing so has in some cases allowed me in some small way to understand a sense of the hell they had to suffer through Included in this report are a few of their stories as well as stories from some of the people of the islands who in one way or another were involved in the conflict It is with a depth of gratitude that I acknowledge the Military Historical Tours of Alexandria Virginia for allowing me to be a part of their tours to the islands of Iwo Jima and Okinawa as well as Guam Tinian and Saipan I appreciate this organization dedicated to preserving the memories of the war and to the honoring of the military personnel who were there at the time While living on either Guam or Saipan I also was able to visit on my own most of the islands mentioned on this page But it was the Military Historical Tours and its President USMC Colonel Warren Wiedhahn mht miltours.com that made it possible for me to visit Iwo Jima They allowed me to join them once a year for 4 consecutive years I have since returned a 5th time in March of 2010 It was through this great organization that over a 7 year period while living on both Guam and Saipan in the Marianas Islands I was able to meet most of the WWII veterans mentioned here and these aging veterans of the War in the Pacific
