Communication in Stravinsky's Works Per Dahl,2021-12-16 Igor Stravinsky left behind a complex heritage of music and ideas There are many examples of discrepancies between his literate statements about music and musicians and his musical compositions and activity Per Dahl presents a model of communication that unveils a clear and logical understanding of Stravinsky s heritage based on the extant material available From this Dahl argues the case for Stravinsky s music and his ideas as separate entities representing different modes of communication As well as describing a triangular model of communication based on a tilted and extended version of Ogden s triangle Dahl presents an empirical investigation of Stravinsky s vocabulary of signs and expressions in his published scores his communicative mode towards musicians In addition to simple statistics Dahl compares the notation practice in the composer s different stylistic epochs as well as his writing for different sizes of ensembles Dahl also considers Stravinsky s performances and recordings as modes of communication to investigate whether the multi layered model can soften the discrepancies between Stravinsky the literary and Stravinsky the musician [Catalog of Copyright Entries, Third Series](#) Library of Congress.
