Sullivan's Stand Andrew Vaillencourt, 2019-12-15 John Sullivan is all done running A hunted haunted man the genetically

modified fighter takes to the streets in search of his mobster father and answers to some very tough questions The answers he gets take Sullivan and his allies to the far corners of the continent where he must confront the terrifying consequences of genetic engineering practices unencumbered by morality For some people the last war never ended and for others the next one has already begun A mysterious woman a new foe and the horrifying truth of what has been going on since the end of the great war gnaws at Sullivan s fragile sanity Will this journey through his own personal heart of darkness finally break Sullivan s tenuous control over his dark side Even he doesn t know for sure But one thing is certain The time for running is over With the enemy at the gates and time running out Sullivan is not giving up an inch Not this time This time John Sullivan is making a stand

Sullivan's Run Andrew Vaillencourt, 2019-07-11 John Sullivan didn t ask to be born and he certainly didn t ask to be crazy But that s what happens when somebody else gets to pick out your DNA Under the Genetic Equity Act of 2141 all artificial modifications granting unfair advantage belong to society As the genetically engineered son of a famous mobster Sullivan s physical gifts and illegal provenance condemn him to a life of government service hunting and apprehending others like himself It s a perfect fit for Sullivan Cursed with a state of unending aggression and neurologically inhibited from interacting with his anger fieldwork is the only place he can explore his psychological demons without revealing how unhinged he really is A disconcerting shift in his volatile mental state becomes frantic race against time when a brilliant scientist disappears with a groundbreaking discovery Things start to go awry when the trail leads to a lawless underground metropolis filled with refugees and revolutionaries Deep beneath the surface new trials and unpleasant discoveries will challenge everything he knows about himself and his place in the world Is John Sullivan a hero A psychopath Not even he knows for sure and finding out means running a dangerous gauntlet of ruthless enemies Whatever the answer the world will be a very different place after the last brutal strides of SULLIVAN S RUN

Sullivan's Gift Andrew Vaillencourt, Some gifts are meant to be shared At first he tried to run Then he made a stand But no matter how many genetically engineered monsters John Sullivan puts down there always seems to be more where they came from The conspiracy eroding the New Global Republic goes both higher and deeper than anyone ever imagined and the fractious nature of the players has accelerated the timetable for global civil war beyond anyone s ability to stop it John Sullivan is used to impossible odds and his pugnacious nature leaves him no choice but to fight till the very end Winning may not be possible but you can always make the other guy bleed Sometimes that s enough Abilities that have never brought Sullivan anything but pain and misery are all that stand between a bright future in the hands of one special child and an endless reign of terror under yet another fascist hegemony Can one man hope to defeat such odds Perhaps not But what about a uniquely gifted fighter a terrible goddess a giant and a nine year old genius Maybe there is a chance after all
