Chandrababu, L. Thilagavathi, 2009 Study on women in Indian society from pre historic to the present day The Making of Medieval Panjab Surinder Singh, 2019-09-30

This book seeks to reconstruct the past of undivided Panjab during five medieval centuries It opens with a narrative of the efforts of Turkish warlords to achieve control in the face of tribal resistance internal dissensions and external invasions It examines the linkages of the ruling class with Zamindars and Sufis paving the way for canal irrigation and agrarian expansion thus strengthening the roots of the state in the region While focusing on the post Timur phase it tries to make sense of the new ways of acquiring political power This work uncovers the perpetual attempts of Zamindars to achieve local dominance particularly in the context of declining presence of the state in the countryside In this ambitious enterprise they resorted to the support of their clans adherence to hallowed customs and recurrent use of violence all applied through a system of collective and participatory decision making The volume traces the growth of Sufi lineages built on training

disciples writing books composing poetry and claiming miraculous powers Besides delving into the relations of the Sufis with the state and different sections of the society it offers an account of the rituals at a prominent shrine Paying equal attention to the southeastern region it deals with engagement of the Sabiris among other exemplars with the Islamic spirituality Inclusive in approach and lucid in expression the work relies on a wide range of evidence from Persian chronicles Sufi literature and folklore some of which have been used for the first time Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

*From Indus to Independence - A Trek Through Indian History* Dr Sanu Kainikara, 2018-06-11 This is the fifth volume in the series on Indian history with the generic title From Indus to Independence A Trek through Indian History It covers the period from the establishment of the Delhi Sultanate accepted as 1206 by most historians and its defeat and obliteration by Babur the Mughal in 1526 The initial phase of the Delhi Sultanate was more a military occupation than the establishment of an empire and accordingly was chaotic violent and turbulent Throughout its existence the Sultanate continued a program of the aggressive imposition of Islam on the northern part of the Indian sub continent This book chronicles the events of more than three centuries especially in North India that had and continues to have a momentous influence on further developments in India The Delhi Sultanate was the first major Islamic

kingdom to be established in India and brought about a direct confrontation between Hinduism and Islam. The encounter transformed not only India's social fabric but had a lasting impact on the subcontinent's architecture, literature, music, and even cuisine. More importantly, it divided the socio-political and economic structure of India in an irrevocable manner. This book recounts the historic events and analyses the social, cultural, and religious developments that transformed India permanently. It combines detailed research and great erudition, weaving together the events of three centuries and the aftermath and influence of each on the development of India as an entity.

**The History of India, as Told by Its Own Historians** Henry Miers Elliot, 2013-03-21. This comprehensive eight-volume collection (1867-77) includes descriptions of the texts of Islamic history, translations of extracts, and background information.
