generations to enjoy *Systematic Theology, Volume 2* Katherine Sonderegger, 2020-11-03 Katherine Sonderegger follows her monumental volume on the doctrine of God with this second entry of her Systematic Theology which explores the doctrine of the Holy Trinity Locating her analysis first in the Hebrew Scriptures Sonderegger examines the thrice holy God that is proclaimed to Isaiah in the sanctuary and manifested in the sacrifice of the temple The book of Leviticus read in conversation with Exodus unfolds the doctrine of the Trinity under the character of holiness In the One God Trinity speaks of the life movement and self offering of God who is the eternal procession of goodness and light In Israel s sacrificial covenant the Triune God is perfect self offering the eternal descent of the Father of Lights is the offering who is Son eternally received and hallowed in the one who is Spirit Anchoring the theology of the Trinity in Israel s Scriptures in this way elevates the processions over the persons exploring the mystery of the Divine Life as holy rational and good The Divine Persons named in the New Testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set In all these ways the Holy Trinity may be praised as the deep reality of the life of God Reformed Systematic Theology, Volume 2 Joel Beeke, Paul M. Smalley, 2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible s teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the
