Summer Island:

The Inn at Summer Island Rachel Magee, 2021-08-23 Millie Leclair is a mess complete with a dead end career and a flat lining love life So when she inherits her great aunt s oceanfront B B in a resort town in South Carolina s Lowcountry she doesn t hesitate to pack up her car and set off on a new adventure It ll be fun Of course life seldom goes according to plan The B B is barely habitable for one person let alone ready to open for business With dwindling funds Millie has no choice but to roll up her sleeves and tackle the repairs by herself Yeah so much fun Ex pro golfer Braxton Channing thought being a full time single parent kept him on his toes That was before he spotted his new neighbor teetering on her rooftop which is only the beginning of her long list of renovations for the old house and he added keeping her safe to his to do list But Millie is determined to dive headfirst into repairs regardless of the risk and suddenly battling with his daughter over brushing her teeth seems easier than winning an argument with Millie She s exasperating And oddly delightful And most definitely shouldn t be let anywhere near a tall ladder For a guy who s sworn off romantic relationships why does he suddenly want to be the one who gets the privilege of watching Millie conquer not just the B B but his heart as well
