in a male supremacist society sex between men and women constitutes a central part of women's subordination to men This argument was quickly and falsely simplified to all sex is rape in the public arena adding fire to Dworkin's already radical persona In her introduction to this twentieth anniversary edition of *Intercourse* Ariel Levy the author of *Female Chauvinist Pigs* discusses the circumstances of Dworkin's untimely death in the spring of 2005 and the enormous impact of her life and work Dworkin's argument she points out is the stickiest question of feminism Can a woman fight the power when he shares her bed
