Summer Day:

Summer's Day 1950 and Other Life Stories Robert Klassen, 2003-05-25 The thrill of autobiography is in its character We hope to have introduced into our lives a life we've never met a life of difference that whatever we may think of this stranger we emerge the better for hearing his or her story Robert Klassen is a stranger I urge you to meet He will not be a total stranger to many for his books and ideas have introduced us to a new paradigm for the future But just wait until you meet the author as a person Survival is his challenge How he does it is his gift to us Joe Taylor Ford author of *Zodiac Manager* Murder on a Summer's Day Frances Brody, 2016-02-09 Kate Shackleton is called upon to investigate the murder of Maharajah Narayan A Very Long Summer's Day Brian Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room He is quite surprised when Nanny a goat begins speaking to him Phil finds himself in a land of magic And not a very nice kind of magic Here when a little girl wants a pony another child loses a pony A group of animal lovers thought it would be a great idea for animals to have the same rights as people Their misguided idealism put Nanny in the body of a goat and a goat in Nanny's body Many years before when Phil's grandfather was young he'd visited the land Seemingly just by being there the land changed for the better Nanny believes Phil could do the same and in the process be the key to getting her body back Nanny decides to take Phil to the capital A Very Long Summer's Day is the story of their travels through a realm filled with quirky characters magic and wizards who have their own plans for Phil It's reminiscent of books TV shows and movies that are fun for all ages as a lot of the references and humor pass over the heads of the younger ones It's sure to become a family favorite 2 Death on a Summer's Day Cate Dean, 2021-09-30 Welcome back to Holmestead where a mother and son team up to solve an old murder mystery and run into a modern adversary Kit Martin returns to Holmestead for the summer and finds himself deep in a mystery his dad had never solved Now a rare apothecary jar and the ghost attached to it will lead Kit Maggie and Casey to the scene of a murder and in the path of an enemy determined to stop them Includes a bonus mini mystery Change in the Tide Originally published in the mystery anthology *Cold Cases Haunted Places* A Summer's Day at Greenwich William Shoberl, 1840 **A Summer's Day at Windsor, and a Visit to Eton** Edward Jesse, 1841 **Tong, on a Summer's Day** Robert Carrick Wildon, 1850 A Summer's Day at Hampton Court ... The only ever murder to be recorded live by dozens of journalists and TV crew members the tragic assassination of innocent Town Planner Harry Collinson by embittered and deranged landowner Albert Dryden shocked a nation and led to a national media frenzy in which opinions were strongly divided about whether or not it was a case of simple murder or if more was afoot a support group for the murderer was even formed At last author David Blackie who witnessed the crime and was consulted by the police about the case as a firearms expert tells the full story from both sides Also included is an exhaustive interview with Albert Dryden who is serving a life sentence for murder in Britain's toughest jails This is a staggering shocking and moving book that leaves readers to draw their own conclusions about one of Britain's most famous murders
