The Literary Digest International Book Review Clifford Smyth, 1925 **The Chicago of Fiction** James A. Kaser, 2011 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major

aspects of social history and cultural studies i.e. class, ethnicity, gender, immigrant experience and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile and young adult fiction as well as literary fiction are included. *The Summer People* S. Together with Merwin, a mysterious stranger of the Order of Rasputin, they begin a journey of discovery and fear of a people called the Summer People and their age-old enemies the Sibilant. To create peace, the Summer People basically gave up their king. Ashley said, "Put him in shackles and chains, carried him off to the Sibilant homeland, a dark and terrible place with lots of screaming and pain. That's the only way the Sibilant would stop fighting." She leaned in, then began whispering. According to stories, he's still there today, waiting to be freed. Waiting for a hero to be born. Eyes narrowing. Waiting times such as these. Time like these. Jake asked, "What's so special about these times?" You Ash replied, eyes narrowing. Grabbing his hand, "It's you, Jake. He's been waiting all this time for you." **The Dark Descent** Clive Barker, 1997-01-15
