Newsome Jr., 1993-01-01 Based on the New Revised Standard Version of the Bible this unique and comprehensive resource the first in a series of three volumes provides resources for an entire year of sermons and offers practical help to preachers and others involved using the Revised Common Lectionary Beginning with Advent it deals with the texts for Year B Each of the four texts the Old Testament Psalter Gospel and Epistle are treated in relation to each Sunday and important festival day including Christmas Ash Wednesday and Good Friday A brief introduction gives the general thrust of the texts and the relationship among them with emphasis upon interpretation of the texts Suggestions concerning the implications for life today are also included *Born from Lament* Emmanuel Katongole, 2017-04-25 There is no more urgent theological task than to provide an account of hope in Africa given its endless cycles of violence war poverty and displacement So claims Emmanuel Katongole an innovative theological voice from Africa In the midst of suffering Katongole says hope takes the form of arguing and wrestling with God Such lament is not merely a cry of pain it is a way of mourning protesting and appealing to God As he unpacks the rich theological and social dimensions of the practice of lament in Africa Katongole tells the stories of courageous Christian activists working for change in East Africa and invites readers to enter into lament along with them A Post-COVID Catechesis Victor Lee Austin, 2022-03-31 For people having gone through a pandemic with deep unsettling effects this book offers an intelligent traditional and yet unpredictable account of five basic Christian beliefs that can help us not to return to a previous Christian comfort zone but to rediscover old truths as if for the first time Victor Lee Austin starts with the belief in God as Creator which Austin says is the beginning of an adventure The second basic Christian claim is sin which oddly is not something substantial but rather a hole in reality Third is that God is active in the mess of things fourth that God has shown in Jesus

what a real human being is Finally this adventure is throughout an ongoing discovery that in Jesus Christ people have their true friend *Genesis* Walter Brueggemann,2010-01-25 In his clear and readable style Walter Brueggemann presents Genesis as a single book set within the context of the whole of biblical revelation He sees his task as bringing the text close to the faith and ministry of the church He interprets Genesis as a proclamation of God s decisive dealing with creation rather than as history of myth Brueggemann s impressive perspective illuminates the study of the first book of the Bible Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry *Psalms, Volume 2* W.
