Summoning Ideas Of The Covenant Interp:

Summoning Ellen Spolsky, 2012-02-01 This book explores the variety of ways that the Jewish understanding of the Covenant relates to the notion of a contract or a shared grammar as developed in recent structural and post structural theory The book enters the debate on the relationship between a variety of open ended forms of text interpretation and traditional Jewish interpretive practice expanding and deepening that debate Until now the discussion has focused primarily on Midrashic interpretation these essays balance the assumption of the openness of interpretation with an exploration of the concurrent restrictions on interpretation imposed by a covenant *From Page to Proclamation* Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer's philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshiping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration Belonging Too Well Miriam Sivan, 2009-02-13 In *Belonging Too Well* Miriam Sivan draws on contemporary literary theory as well as traditional Jewish texts and culture to explore the question of identity in Cynthia Ozick's fiction Many critics have pointed to a split in Ozick's work between Judaic and secular culture and values Sivan suggests however that Ozick never settles for a simple either or dichotomy between traditional Judaism and secular American culture but that her protagonists instead fashion new means of living genuinely Jewish lives within the American Diaspora Often they struggle not with not belonging to either the Old or the New Worlds but of belonging too well to both Part of a recent trend toward analyzing Jewish American literature in the context of a deep encounter with and understanding of Judaism and traditional Jewish texts Sivan's study enables readers of Ozick's fiction to penetrate the complex webs she creates among cultures time periods and characters some quite sober others fantastic all unusual **The Jews and British Romanticism** S. Spector, 2016-04-30 Expanding the perspective initiated by British Romanticism and the Jews History Culture Literature 0 312 29522 7 this volume explores more deeply the complexities inherent in the relationship between the British and Jewish cultures as initiated in the Romantic Period in England though extending to the present in the Middle East Temple Purity in 1-2 Corinthians Yulin Liu, 2013 Paul's view

of the church as the temple and his concern about its purity in 1 2 Corinthians has traditionally been interpreted from the perspective of a Jewish background However Yulin Liu reveals that the pagans were very aware of temple purity when visiting some temples in the Greco Roman world and the purification concerns of three pagan temples in Corinth are documented in his work The author affirms that the Gentile believers among the Corinthian community were able to grasp Paul s message because of it Also Liu investigates Paul s use of temple purity to address the necessity of unity holiness and faithfulness of the Corinthian Christians in an eschatological sense The separation of God s people from profane matters actually points to a new exodus and a progressive consummation of the construction of the eschatological temple community

Summoning Ellen Spolsky,1993-01-01 This book explores the variety of ways that the Jewish understanding of the Covenant relates to the notion of a contract or a shared grammar as developed in recent structural and post structural theory The book enters the debate on the relationship between a variety of open ended forms of text interpretation and traditional Jewish interpretive practice expanding and deepening that debate Until now the discussion has focused primarily on Midrashic interpretation these essays balance the assumption of the openness of interpretation with an exploration of the concurrent restrictions on interpretation imposed by a covenant The Rhetoric of Remembrance Jerry Hwang,2012-05-09 To whom is Moses speaking in Deuteronomy This question is controversial in OT scholarship Some passages in Deuteronomy indicate that Moses is addressing the first exodus generation that witnessed Horeb Deut 5 3 4 while other passages point to the second exodus generation that survived the wilderness Deut 1 35 2 14 16 Redaction critics such as Thomas R mer and John Van Seters view the chronological problems in Deuteronomy as evidence of multiple tradition layers Although other scholars have suggested that Deuteronomy s conflation of chronology is a rhetorical move to unify Israel s generations no analysis has thus far explored in detail how the blending of you and the fathers functions as a rhetorical device However a rhetorical approach to the fathers is especially appropriate in light of three features of Deuteronomy First a rhetorical approach recognizes that the repetitiveness of the Deuteronomic style is a homiletical strategy designed to inculcate the audience with memory The book is shot through with exhortations for Israel to remember the past Second a rhetorical approach recognizes that collective memory entails the transformation of the past through actualization for the present Third a rhetorical approach to Deuteronomy accords well with the book s self presentation as the words that Moses spoke 1 1 The book of Deuteronomy assumes a canonical posture by embedding the means of its own oral and written propagation thereby ensuring that the voice of Moses speaking in the book of Deuteronomy resounds in Israel s ears as a perpetually authoritative speech act The Rhetoric of Remembrance demonstrates that Deuteronomy depicts the corporate solidarity of Israel in the land promised to the fathers part 1 under the sovereignty of the same God of the fathers across the nation s history part 2 as governed by a timeless covenant of the fathers between YHWH and his people part 3 In the narrative world of Deuteronomy the fathers begin as the patriarchs while frequently scrolling forward in time to include every generation that has received

YHWH's promises but nonetheless continues to await their fulfillment Hwang's study is an insightful innovative approach that addresses crucial aspects of the Deuteronomic style with a view to the theological effect of that style Jerry Hwang Ph D Wheaton College serves as Assistant Professor of Old Testament at Singapore Bible College Philosophical Hermeneutics and the Priority of Questions in Religions Nathan Eric Dickman, 2022-02-24 Buddha's gods prophets and oracles are often depicted as asking questions But what are we to understand when Jesus asks Who do you say that I am or Mazu the Classical Zen master asks Why do you seek outside Is their questioning a power or weakness Is it something human beings are only capable of due to our finitude Is there any kind of question that is a power Focusing on three case studies of questions in divine discourse on the level of story the god depicted in the Jewish Bible the master Mazu in his recorded sayings literature and Jesus as he is depicted in canonized Christian Gospels Nathan Eric Dickman meditates on human responses to divine questions He considers the purpose of interreligious dialogue and the provocative kind of questions that seem to purposefully decenter us drawing on methods from confessionally oriented hermeneutics and skills from critical thinking He allows us to see alternative ways of interpreting religious texts through approaches that look beyond reading a text for the improvement of our own religion or for access to some metaphysically transcendent reality This is the first step in a phenomenology of religions that is inclusive diverse relevant and grounded in the world we live in **Menachem Fisch: The Rationality of Religious Dispute** Hava Tirosh-Samuelson, Aaron W. Hughes, 2016-05-30 Menachem Fisch is the Joseph and Ceil Mazer Professor of History and Philosophy of Science Director of the Center for Religious and Interreligious Studies and former Chair of the Graduate School of Philosophy at Tel Aviv University He is also the Senior Fellow of the Kogod Center for the Renewal of Jewish Thought at the Shalom Hartman Institute Jerusalem Trained in physics philosophy and the history and philosophy of science Fisch has confronted epistemological questions and applied his answers to Jewish philosophy integrating it into the larger discourse of rationality normativity religion politics and science His work brings a creative combination of historical philosophical and critical insights to an analysis of Talmudic texts thereby establishing a new and original understanding of rabbinic legal reasoning and religious commitment **The Historical Jesus and the Final Judgment Sayings in Q** Brian Han Gregg, 2006 Insisting that the potential historicity of Q's eschatological traditions be given due consideration Brian Gregg's study explores the content and authenticity of the final judgment sayings in Q in light of the historical Jesus **BOOK JACKET** **Milton: The Complete Shorter Poems** John Carey, 2015-10-08 This masterly edition contains all of Milton's English poems with the exception of Paradise Lost together with translations and texts of all his Latin Italian and Greek poems First published in 1968 and substantially updated in 1996 John Carey's edition has with Alastair Fowler's Paradise Lost established itself as the pre eminent edition of Milton's poetry both for the student and the general reader Hailed as a very Bible of a Milton the extensive notes and headnotes serve to illuminate the wealth of Milton's allusions and to synthesize the judgements and disagreements of a bewildering array of modern critics Each headnote sets

out details of composition and context which will deepen any reader's appreciation of the poetry while also providing a concise overview of the critical and scholarly debates that continue to flame around the work of one of the greatest poets in the English language. Steeped in learning though it undoubtedly is, it is also an unfailing light to those who wish to plot their own path through the dazzling riches of Milton's imagination. **Eastwood's Iwo Jima** Anne Gjelsvik, Rikke Schubart, 2013-06-25 With *Flags of Our Fathers* 2006 and *Letters from Iwo Jima* 2006 Clint Eastwood made a unique contribution to film history being the first director to make two films about the same event. Eastwood's films examine the battle over Iwo Jima from two nations' perspectives in two languages and embody a passionate view on conflict, enemies and heroes. Together these works tell the story behind one of history's most famous photographs, Leo Rosenthal's *Raising the Flag on Iwo Jima*. In this volume international scholars in political science and film, literary and cultural studies undertake multifaceted investigations into how Eastwood's diptych reflects war today. Fifteen essays explore the intersection among war, films, American history and Japanese patriotism. They present global attitudes toward war, memories, icons and heroism while offering new perspectives on cinema, photography, journalism, ethics, propaganda, war strategy, leadership and the war on terror. ***The Future of Jewish Philosophy*** Hava Tirosh-Samuelson, Aaron W. Hughes, 2018-08-13 This anthology of original essays reflects on the future of Jewish philosophy in light of the *Library of Contemporary Jewish Philosophers* Brill 2013. 2018 The volume assesses the strengths of Jewish philosophy, explores the place of Jewish philosophy within the Western academy as a critique of and contribution to the discipline of philosophy and showcases the relevance of Jewish philosophy to contemporary Jewish culture. The volume argues that Jewish philosophy is more vibrant, diverse and culturally significant than its public image implies. Special attention is paid to the interdisciplinary nature of Jewish philosophy, the institutional settings for generating Jewish philosophy and the contribution of philosophizing to contemporary Jewish self-understanding. ***Index to Jewish Periodicals***, 1994 An author and subject index to selected American Anglo-Jewish journals of general and scholarly interests. **Thinking with Shakespeare** Julia Reinhard Lupton, 2019-10-04 What is a person? What company do people keep with animals, plants and things? Such questions bearing fundamentally on the shared meaning of politics and life animate Shakespearean drama yet their urgency has often been obscured. Julia Reinhard Lupton gently dislodges Shakespeare's plays from their historical confines to pursue their universal implications. From Petruchio's animals and Kate's laundry to Hamlet's friends and Caliban's childhood, Lupton restages thinking in Shakespeare as an embodied act of consent, cure and care. Thinking with Shakespeare encourages readers to ponder matters of shared concern with the playwright by their side. Taking her cue from Hannah Arendt, Lupton reads Shakespeare for fresh insights into everything from housekeeping and animal husbandry to biopower and political theology. **The Federalism Report**, 1994 ***The Idea of Biblical Interpretation*** Hindy Najman, Judith Newman, 2003-12-01 The essays in this Festschrift honor James L. Kugel for his contribution to the field of biblical studies, in particular early biblical interpretation. The essays are organized in three roughly

chronological categories The first group treats some part of the Tanakh ranging from the creation and Abraham stories of Genesis to the evolving conception of sacred writing in the prophetic literature The second set of essays focuses chiefly on the literature of Second Temple Judaism including Qumran and extra biblical literature The last group concerns the scriptural imagination at work in rabbinic literature in Milton's *Paradise Lost* in the anti-semitic work of Gerhard Kittel up to the present in a treatment of Levinas and the Talmud **The Quest of the Historical Gospel** Lawrence M.
