Dissemination Jacques Derrida, 2021-01-28 Interpretations of Plato St phane Mallarm and Philippe Sollers writings in three essays Plato s Pharmacy The Double Session and Dissemination The English version of Dissemination is an able translation by Barbara Johnson Derrida s central contention is that language is haunted by dispersal absence loss the risk of unmeaning a risk which is starkly embodied in all writing The distinction between philosophy and literature therefore becomes of secondary importance Philosophy vainly attempts to control the irrecoverable dissemination of its own meaning it strives against the grain of language to offer a sober revelation of truth Literature on the other hand flaunts its own

meretriciousness abandons itself to the Dionysiac play of language In Dissemination more than any previous work Derrida joins in the revelry weaving a complex pattern of puns verbal echoes and allusions intended to deconstruct both the pretension of criticism to tell the truth about literature and the pretension of philosophy to the literature of truth Peter Dews The New Statesman *Llewellyn's 2014 Sabbats Almanac* Ed Day, 2013 Make the most of each season of the Witches year with Llewellyn's Sabbats Almanac Packed with rituals rites recipes and crafts this essential guide offers fun and fresh ways to celebrate the eight sacred Wiccan holidays and enrich your spiritual life throughout the year Get a unique perspective on honoring the Wheel of the Year from your favorite Wiccan and Pagan authors Plan spiritually uplifting celebrations and family activities Perform Sabbat specific rituals and world folk rites Whip up tasty treats and crafts as reminders of the season's gifts and lessons Also featured are astrological influences to help you plan rituals according to cosmic energies
