 Edition** Francis Hinds Groome, 2013-05-11 This second volume of Gypsy Folk Tales contains stories tales and legends from
 Transylvania Slovakia Moravia Bohemia Poland England Wales and Scotland This book is a treasure chest of 39 classic

illustrated Gypsy Folklore stories and makes fascinating reading for those interested in folklore in general but especially for those interested in the Roma people Francis Hinds Groome collated and prepared this collection making only few changes and remaining true to the original stories so to let the written story enchant us as if it were being presented in the vernacular In his various other works Groome raises the point that Europe possibly owes a great deal of its folklore heritage to Gypsies who brought tales from East to West If this is the case then even the most rooted of Europeans must attribute a portion of their culture to the Gypsy lifestyle Simply stated these stories are their stories but in an earlier form The stories have been recently illustrated by Dutch artist Maggie Gunzel whose art has stayed true to the stories themselves So take some time out and curl up with this book Be swept back in time to another place where the carefree lifestyle of the Gypsy rules and the burdens of today are forgotten albeit temporarily In buying this book you will have donated towards the relief of the underprivileged people of Romania through the Relief Fund for Romania
