visiting ten countries in Europe Asia and Africa and interviewing the locals in their homes synagogues and even cemeteries Now Irene Shaland's book replete with her husband's photos takes you on your own exciting journey of discovery from Austria and the Czech Republic to Scandinavia from India and China to Sicily and Sardinia and from East Africa to Stalinist Russia

A niece of Snapshot Harry's, Trent's trust and other stories Bret Harte, 1921 *The Kreutzer Sonata and Other Stories* Leo Tolstoy, Louise Maude, 1998 To love him was not enough for me after the happiness I had felt in falling in love I wanted movement and not a calm course of existence I wanted excitement and danger and the chance to sacrifice myself for my love Leo Tolstoy known to the world for his famous novels also created throughout his sixty year career as a writer a significant body of works of shorter fiction These fictions like his novels tend toward a uniqueness in form even as they explore a set of themes common in the longer works The four novellas selected here stand closest to the novels and represent Tolstoy at his creative best exploring in a specific and focused way his characteristic themes life understood as a journey of the discovery of identity and vocation the meaning of one's life in the face of death and the redemptive role of suffering and compassion Family Happiness 1859 traces the psychology of failed married love yet is written against the tradition of the novel of romance marriage and adultery The Kreutzer Sonata 1889 recounts a husband's addictions jealousy sinister guilt and subsequent isolation while The Cossacks 1863 focuses on the experiences of a young Russian on in the Caucasus whose quest for romantic love becomes one for the love of the whole of God's world Finally the superbly crafted Hadji Mur d 1905

juxtaposes the military and civilian worlds and relates a tale of the human violation of the natural through a series of parallel episodes Written over a period of almost fifty years these works display Tolstoy s changing views on art and sexuality women and marriage nationalism and ethnicity war and empire All four novellas develop each in its own unique way the central Tolstoyan theme of love This edition which updates a classic translation has explanatory notes and a substantial introduction based on the most recent scholarship in the field The Metamorphosis and Other Stories Franz Kafka,2015-12-01 A man awakens to find himself transformed into a giant vermin a performer starves himself to death as a circus attraction a fiendish engine of capital punishment engraves the letter of the law into the body of the condemned Such are the nightmare scenarios that emerge in the short stories of Franz Kafka one of the twentieth century s most formative mystifying literary figures Though immediate in their impact Kafka s stories invite endless angles of interpretation from Freudian psychology and existentialist philosophy to animal studies This volume presents *The Metamorphosis* together with several other of Kafka s best and best known stories in a nuanced clear and powerful translation by Ian Johnston The appendices provide philosophical literary and cultural context as well as valuable selections from Kafka s own letters and drawings
