The Forerunners Romain Rolland,2021-01-01 *The Forerunners* by Romain Rolland A profound and introspective essay by Romain Rolland exploring the concept of forerunners in the realm of art and human progress Rolland examines the lives and works of individuals who pave the way for revolutionary ideas and cultural movements The essay reflects on the impact of these visionary individuals and their role in shaping the course of history and human development Key Aspects of the Book *The Forerunners* Cultural Influence Rolland s essay delves into the influence of artistic and intellectual pioneers on the evolution of culture and society Historical Perspective The work places the concept of forerunners within the broader context of historical developments and the progress of human civilization Recognition of Visionaries *The Forerunners* celebrates the contributions of visionary individuals and their impact on the trajectory of art and human thought Romain Rolland was a French writer essayist and Nobel laureate born in 1866 Known for his philosophical and historical writings Rolland s works often centered on themes of culture humanism and the role of artists in society *The Forerunners* exemplifies his contemplative approach to understanding the interconnectedness of human achievements and the legacy of visionary individuals in shaping the course of human history *The Forerunner* Charlotte Perkins Gilman,1912 **Families, Marriages, and Children** Charlotte Perkins Gilman,2017-09-08 Charlotte Perkins Gilman 1860 1935 was a pioneering sociologist feminist pragmatist author and lecturer A skilled and perceptive writer she explained sociological concepts and principles clearly and concisely to popular audiences This volume presents a focused and provocative set of Gilman s penetrating analyses of marriage motherhood and family relationships Generally unavailable except in archives and special

libraries the lion s share of the analyses are drawn directly from Gilman s quintessentially unique self published journal *The Forerunner* Transcending her era Gilman speaks with wit insight and candor to twenty first century readers about many controversial aspects of family and family life She believes deeply that women s values regeneration cooperation and compassion make for better societies Men s values she concludes are destructive competitive and often violent Families produce double standards and inequalities between husbands and wives resulting in inferior mothers and as a direct consequence in substandard children To improve society Gilman argues we need healthy happy children This requires well trained competent mothers widespread social parenting and enlightened non patriarchal marriages Largely self taught Gilman supported herself through writing and lecturing She was at one time a settlement house leader and an active member of the American Sociological Society Her wide sociological circle included lasting friendships with Jane Addams Edward A Ross and Lester F Ward

Forerunners of the Reformation Heiko A. Oberman,2003-05 Oberman s magisterial work transfers discussion of late medieval Christian thought from the private studies of the specialist to more general use and understanding and explains the significance of the ideas of the time Although this *Late Medieval Reader* does not exhaust the riches of the period between the High Middle Ages and the Reformation era it introduces the reader to aspects of such major themes as conciliarism curialism mysticism scholasticism the spirituality of the *Devotio Moderna* and the impact of Renaissance humanism The theme of the *Forerunners* has grown out of the consideration that the justified rejection of a confessional reading of the past has been succeeded by an equally unhistorical disjunction of the Medieval and Reformation periods Without a grasp of the fourteenth and fifteenth centuries the medieval basis of modern thought is incomplete since Reformation and Counter Reformation seem to arise out of the blue

The Resurgence of Religion David S. Zeidan, 2018-11-13 This book is a comparative study of basic themes in Christian and Islamic fundamentalist discourses analyzing and comparing texts from a wide variety of fundamentalist leaders and movements looking for family resemblances and significant differences in order to better understand the contemporary phenomenon of religious resurgence After placing fundamentalisms in a theoretical framework the study looks at selected themes important to fundamentalists noting resemblances and differences These themes include their anti secularist stance their theocentric worldviews their reliance on inerrant sacred scriptures and their attitudes to politics government state and democracy The study also looks at the fundamentalist view of the world as a perennial battlefield between the forces of good and those of evil in the realm of ideologies as well as politics and the legitimation of violence *Princeton Alumni Weekly*, 1976 **The**

Murder of King James I Alastair Bellany, Thomas Cogswell, 2015-10-15 A year after the death of James I in 1625 a sensational pamphlet accused the Duke of Buckingham of murdering the king It was an allegation that would haunt English politics for nearly forty years In this exhaustively researched new book two leading scholars of the era Alastair Bellany and Thomas Cogswell uncover the untold story of how a secret history of courtly poisoning shaped and reflected the political conflicts that would eventually plunge the British Isles into civil war and revolution Illuminating many hitherto obscure aspects of early modern political culture this eagerly anticipated work is both a fascinating story of political intrigue and a major exploration of the forces that destroyed the Stuart monarchy
