In The Forests of The Night Drac Von Stoller, 2013-03-28 Deep in the forest stands a mountain that has claimed the lives of many daring mountain climbers known as Death Mountain which is one of the tallest mountains in the world at an approximate height of 32 000 feet The reason that so many climbers have lost their lives is because of health issues and extreme cold temperatures as the climbers make their way through the jagged edges of the mountain You can always count on an avalanche to be waiting for the next brave souls to risk their lives climbing to the top of Death Mountain Not only is the mountain covered with mounds of snow there is no hint of sunlight to light the climber s way as they climb the treacherous journey to the peak of the mountain Of course there are always some hotshot climbers who think they are the ones who will be the first to stand at the top of Death Mountain and yell out We made it and congratulate the rest of the brave climbers for such a heroic feat Here s where the story begins Jimmy Spencer and his friends Karen Jackie and Tom were all avid mountain climbers and were always up for a challenge They all dreamed of being heroes in their town There wasn t much excitement in their town so if Jimmy and his friends could climb the highest mountain and survive to tell about it they would all be heroes Jimmy knew the only way that would happen would be if they could climb to the top of Death Mountain The closest anyone came to climbing that mountain was halfway because of avalanches and extreme cold temperatures It was too dangerous for helicopters or planes to fly above Death Mountain to search for lost climbers so any search had to be done on foot Jimmy and his mountain climbing buddies were used to climbing in extreme temperatures so they all thought if anybody could tackle such a feat they were the team of climbers to do it

born to the name of Rachel Weatere in the year 1684 more than three hundred years ago The one who changed me named me Risika and Risika I became though I never asked what it meant I continue to call myself Risika even though I was transformed into what I am against my will By day Risika sleeps in a shaded room in Concord Massachusetts By night she hunts the streets of New York City She is used to being alone But now someone is following Risika Someone has left her a black rose the same sort of rose that sealed her fate three hundred years ago Three hundred years ago Risika had a family a brother and a sister who loved her Three hundred years ago she was human Now she is a vampire a powerful one And her past has come back to torment her This atmospheric haunting tale marks the stunning debut of a promising fourteen year old novelist From the Hardcover edition *Forests of the Night* James W. Hall,2010-04-01 In the tradition of James Dickey's Deliverance and Charles Frazier's Cold Mountain bestselling author and award winning poet James W Hall has written a literary novel that is also an intricate suspenseful mystery a story blending the macabre and the historic the genteel and the aberrant the violent and the heroic With his signature mix of brooding atmosphere and compelling action that readers have come to expect from his Thorn series Hall takes readers deep into America's own Heart of Darkness in *Forests of the Night* Policewoman Charlotte Monroe has cop instincts Scratch that There isn't a name for the gift she has something that borders on psychic an ability to read people's faces and body language like the morning headlines to size up their intentions and act before they do It's a real ability that the FBI is trying to teach to its agents The bureau is spending millions so they'll know the difference between a slightly raised eyebrow and a faint twitch of the lip But Charlotte's a natural with god-given abilities and the Feds want her in the worst way maybe even to the point of blackmail Still Charlotte's gift fails to prepare her for the stranger who shows up on her doorstep with a chilling warning for her husband a mysterious note scrawled in Cherokee hieroglyphics and a promise of things to come You're Next The warning becomes more ominous as Charlotte and her husband Parker discover the complex truth about this man including his position on the FBI Most Wanted list and his connection to their family When Charlotte's deeply troubled teenage daughter runs away to join the charismatic outlaw she follows the two of them into the spectral mists of the Great Smoky Mountains and to the beating heart of a 150 year old blood feud that will endanger everything she loves and challenge everything she believes *In the Forests of the Night* Kersten Hamilton,2011 Teagan Finn and Aiden have made it out of Mag Mell alive but the Dark Man's forces follow them to Chicago where Tea's goblin cousins cause all sorts of trouble while she is torn between the life she wants and the future she is drawn to as a wild Stormrider born to reign *In the Forests of the Night* Wayne Kyle Spitzer,2022-01-04 First came the time storm which erased half the population Then came the dinosaur apocalypse How did it all begin That depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of

the population had vanished Either way there is one thing on which everyone agrees it didn t take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn t take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Welcome to the world of the Flashback From The Forests of the Night And she passed me the bottle after which I took a swig and poured the rest into her glass then went to the cellar for more returning with a Woodbridge Mondavi Red Blend to find her swaying to Upside Down by Diana Ross playing from a battered little CD player I hadn t even noticed she had and letting a white strap of her halter slip like a linguini I thought and sat down Don t thing I haven t noticed it she said slurring slightly and added I see the way you look at me I uncorked the bottle and filled my glass You re a very beautiful woman I said and sat the bottle between us too hard I think And a talented one What would you expect I watched as she shimmied and did a little pirouette And I m enjoying the conversation more than you could know You move beautifully by the way Like a cat And then she attempted to spin again but only stumbled suddenly and fell smack into my arms at which we just looked at each other she with her boozy breezy smile and me with an apparent moral dilemma i e should I make a pass at her like I wanted to or should I just put her into bed and tuck her away safe as though she were a simpleton perhaps or even child like say John Boy Walton might A dilemma I answered by taking her head in my hands and kissing her heatedly hot bloodedly restlessly what a friend of mine used to call a come fuck me kiss because she was no child And I was no John Boy And then we went to her room and lay together drunkenly sloppily unspectacularly and after a while I dreamed of lightning permeating everything and rain pounding the roof like nails like hail of wives and friends and girlfriends and my father most of whom I hadn t seen in years of small predatory dinosaurs deinonychuses with dark skin and wet backs who held vigil around our bed like cultists like priests and who trilled softly faintly as though they were meditating As though they were communing *Forests of the Night: Book Two* Jennifer Skogen,2015-08-01 The Door of the Dead is open and Macy hones her newfound powers destroying the ghosts who emerge However when she meets a ghost who reminds her of her dead brother Macy decides to spare him While Dominick and his friends try to find a way to close the Door Macy s dangerous friendship grows stronger Ultimately everyone must decide what secrets are worth keeping and what price they are willing to pay for them Forests of the Night is Book 2 from The Haunting of Grey Hills an EPIC Press series Some titles may contain explicit content and or language *In the Forests of the Night* Alison Hughes,2025-04-12 We must get to the forests of the night Lora cried out after a nightmare A year after her mysterious disappearance from Clearwood Home for Orphans Lora s words still haunt her best friend Ellis Everyone knows about the Blight that killed every forest in the world but can there really be one last secret grove of trees When Ellis the orphanage s new charge Pip and their school friend Jasper become drawn to the eerie Ghost Tree the last fossilized relic

of the Blight left on their schoolgrounds their connection to nature makes them targets of a sinister enemy Can Ellis and her friends escape capture and find the rumored evergreen sanctuary Or are they doomed to meet the same fate as Lora

Forests of the Night John Minahan,2000-09 This is the haunting and exquisitely crafted mystery of Eddie Conroy a brilliant but homeless middle aged man living in New York Working as a dishwasher after a long military career Conroy suffers from a multiple personality disorder that has no known cure alternating from the defensive posture of a street smart functional illiterate to the highly visible stature of an animal rights advocate When a 500 pound male Bengal tiger escapes from the Central Park Zoo during an animal rights demonstration Conroy s close friend is brutally killed by the animal A logistical nightmare develops for the police who must take the unprecedented step of closing the park to all pedestrian and vehicular traffic until the tiger is captured or killed After several days and nights of intense searching by police officers the hungry and disoriented animal is spooked by gunfire And virtually all attempts at control and protection are lost Throughout the upper East Side a panic ensues exacerbated by sensation seeking media coverage Mr Minahan draws indelible and thought provoking parallel lines between the instinctive actions of the tiger and the intuitive insights of Eddie Conroy linking their lives in a compelling metaphysical alliance that is difficult to forget **In the Forest of the Night** Ron
