The Forgotten Children A Study Of Children With Alcoholic Parents:

The Forgotten Children R. Margaret Cork,1969 **The Forgotten Children; A Study of Children With Alcoholic Parents, by R. Margaret Cork** R. Margaret Cork,1969 Children of Substance-Abusing Parents Shulamith Lala Ashenberg Straussner,Christine Huff Fewell,2011-05-10 Children of Substance Abusing Parents Dynamics and Treatment is a necessary reference for all mental health professionals and students who need to understand and treat this population It offers an invaluable look at treatment options and programmatic interventions across the life span and fills an important gap in the current literature The contributors include a wide range of experts who provide up to date evidence based clinical and programmatic strategies for working with children of alcohol and other substance abusing parents of any age and in almost any practice setting This highly recommended book is a valuable resource for all practitioners and students concerned about this very large but often hidden group of individuals and families From the Foreword by Sis Wenger President CEO National Association for Children of Alcoholics Parental drug abuse and alcoholism have an enormously detrimental impact on children and adolescents Children whose parents suffer from drug abuse or alcoholism often face multiple physical mental and behavioral issues They are at a greater risk for depression anxiety low self esteem and addiction and also are known to have poor school attendance difficulty concentrating and lower IQ scores This book offers health care practitioners proactive programs and innovative strategies to use with this vulnerable population Taking a comprehensive life course approach the authors discuss the implications and interventions at the prenatal stage through childhood adolescence young adulthood and adulthood With this book social workers and health care practitioners can help assess and intervene with children of substance abusing parents Key topics Dynamics in families with substance abusing parents and treatment implications Issues across the life span of children of substance abusing parents Prevention and early intervention programs for pregnant women who abuse substances Programs for young children adolescents college students and children with incarcerated parents **Children of Alcohol and Drug Abusers** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Children, Family, Drugs and Alcoholism,1987 **The Psychodynamics of Addiction** Martin Weegmann,Marcel Cohen,2008-09-15 In the treatment of addictions and their psychological understanding cognitive behavioural and motivation approaches have been paramount In contrast the psychodynamic contribution has been muted This book redresses this imbalance by bringing together a team of senior clinicians with psychotherapeutic backgrounds as well as extensive experience in addiction Stress is placed on the diversity of psychodynamic understanding and its relevance to the everyday problems met by addicted individuals The first theoretical part of the book is followed by examples from group and individual therapy and the foreword is written by Dr Edward Khantzian The Psychodynamics of Addiction will be of interest to psychotherapists who may lack experience in addiction and to other clinicians working in the field doctors nurses and psychologists Introduction Review of Different Schools Container and Contained The School of Bion The Application of

Bowlby's Attachment Theory to the Psychotherapy of Addictions The Vulnerable Self Heinz Kohut and the Addictions Therapy Dynamics of Addiction in the Clinical Situation Psychodynamic Assessment of Drug Addicts Individual Psychotherapy with Addicted People Group Therapy for Addiction Helping the Helpers Psychodynamic Perspective on Relapse Prevention in Addiction In Search of A Reliable Container Staff Supervision in a DDU Countertransference with Addicts Addiction and the Family Growing up with Alcohol or Drug Abuse in the Family References Index **Treatment of Black Alcoholics**

Frances Larry Brisbane, Maxine Womble, 1985 Here is a wealth of information on helping black alcoholics and their families Authorities discuss the policies programs and personnel that are needed to sensitively and effectively meet the treatment needs of black alcoholics In a clear and concise look at the devastating disease of alcoholism they focus on the physical psychological social economic and spiritual dimensions of the effects of the disease on blacks Each chapter responds to these concerns and provides treatment models recommendations and information about treating black alcoholics This is an informative and highly practical book for professionals in alcohol specific agencies mental health centers family services and child care agencies as well as for administrators of treatment programs students and those who allocate funds for services

Handbook of Play Therapy, Advances and Innovations Kevin J. O'Connor, Charles E. Schaefer, 1994-12-13 In the decade since its publication *Handbook of Play Therapy* has attained the status of a classic in the field Writing in the most glowing terms enthusiastic reviewers in North America and abroad hailed that book as an excellent resource for workers in all disciplines concerned with children's mental health Contemporary Psychology Now in this companion volume editors Kevin O'Connor and Charles Schaefer continue the important work they began in their 1984 classic bringing readers an in depth look at state of the art play therapy practices and principles While it updates readers on significant advances in sand play diagnosis therapy group play and other well known approaches Volume Two also covers important adaptations of play therapy to client populations such as the elderly and new applications of play therapeutic methods such as in the assessment of sexually abused children Featuring contributions by twenty leading authorities from psychology social work psychiatry psychoanalysis and other related disciplines *Handbook of Play Therapy* Volume two draws on clinical and research material previously scattered throughout the professional literature and organizes it into four main sections for easy reference Theoretical approaches including Adlerian cognitive behavioral gestalt and control theory approaches as well as family ecosystem and others Developmental adaptations covers ground breaking new adaptations for adolescents adults and the elderly Methods and techniques explores advances in traditional techniques such as sand play Jungian play therapy and art therapy and examines other new high tech play therapies Applications reports on therapeutic applications for psychic trauma sex abuse cancer patients psychotics and many others The companion volume to the celebrated classic in the field *Handbook of Play Therapy* Volume Two is an indispensable resource for play therapists child psychologists and psychiatrists school counselors and psychologists and all mental health professionals HANDBOOK OF PLAY THERAPY Edited by Charles E

Schaefer and Kevin J O Connor an excellent primary text for upper level students and a valuable resource for practitioners in the field of child psychotherapy American Journal of Mental Deficiency a thorough thoughtful and theoretically sound compilation of much of the accumulated knowledge Like a well executed stained glass window that yields beauty and many shades of light through an integrated whole so too this book synthesizes and reveals many creative facets of this important area of practice Social Work in Education 1983 0 471 09462 5 489 pp THE PLAY THERAPY PRIMER Kevin J O Connor The Play Therapy Primer covers the impact of personal values and beliefs on therapeutic work and provides a detailed description of the process preceding the beginning of therapy It then offers guidelines and strategies for developing treatment plans respective of the various phases of therapy including specific in session techniques modifications for different ages transference considerations and the termination and follow up of clinical cases 1991 0 471 52543 X 371 pp PLAY DIAGNOSIS AND ASSESSMENT Edited by Charles E Schaefer Karen Gitlin and Alice Sandgrund The first and only book to fully explore the assessment potential of play evaluation this book offers an impressive array of papers by nearly fifty authorities in the field Following a logical progression it is divided into six parts covering the full range of practical and theoretical concerns including developmental play scales for normal children from preschool to adolescence diagnostic play scales including those for the evaluation of children with a variety of cognitive behavioral and or emotional disorders parent child interaction play scales projective play techniques and scales for assessing a child s behavior during play therapy 1991 0 471 62166 8 718 pp GAME PLAY Edited by Charles E Schaefer and Steven E Reid This important work highlights the psychological significance of using games to assess and treat various childhood disorders In chapters written by leading authorities it examines the content of various types of games and provides theoretical approaches techniques and practical guidelines for applying games to play therapy with children Case histories demonstrate the use of game play with childhood problems ranging from hyperactivity to divorce counseling and juvenile delinquency 1986 0 471 81972 7 349 pp **Alcohol Abuse and Its**

Implications for Families United States. Congress. House. Select Committee on Children, Youth, and Families, 1985
Breaking New Ground for Youth at Risk, 1990 Research Advances in Alcohol and Drug Problems H.M. Annis, H.D. Cappel, F.B. Glaser, M.S. Goodstadt, L.T. Kozlowski, 2013-11-11 This is the tenth volume in the Research Advances series and the seventh published by Plenum Press Volume 10 is another omnibus volume providing specialized and advanced reviews in a number of areas related to the use of alcohol illicit drugs and tobacco We include also a brief history of the Center for Alcohol Studies that gives Mark Keller s unique perspective on this noted institution Two of the chapters are decidedly longer than the others very long chapters have appeared occasionally in the past and we think that it is one of the strengths of the series that we are able to accommodate such reviews Again the editorial board has changed After several years of service Reginald G Smart has stepped down New to the board are Helen M Annis Michael S Goodstadt Lynn T Kozlowski and Evelyn R Vingilis This is likely to be the sole volume for which Goodstadt is on the board since before completion of this volume he

moved from the Addiction Research Foundation to the Center for Alcohol Studies Rutgers University

Risk and Resilience Richard Velleman, Jim Orford, 1999 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

The Lived Experience of Being Raised by Single Alcohol-Dependent Father Shotayo Gabriel Tejuosho Ph.D, 2017-12-01 This researched work is titled The Lived Experience of Being Raised by Single Alcohol Dependent Father The study illuminates the experiences of the author and the coresearchers It is hoped that professionals will have a greater understanding of children raised by single alcohol dependent fathers Even any alcohol dependent individual reading this book will find the experience under discussion similar to his or her own Thus the book provides experience based personal accounts of the researchers The study while answering the research questions will indirectly assist the readers in developing both knowledge and awareness about alcohol dependent fathers behaviors attitudes values and biases Consistent with transformation and self understanding is the saying that states To know others one must first know the self This research piece assisted the researcher and coresearchers to delve into self dialogue self inquiry and self discovery which will also help every reader toward self evaluation and reassessment of values in life Thus the findings in the book will empower the readers toward self awareness a wider horizon and the privilege to explore the significant human experience of being raised by a single alcohol dependent father The book is significant to other alcohol dependent adults raised under the same conditions as they can potentially learn from the lived experiences of the researcher and coresearchers Therefore this study considers the lived experience of single fathers in the context of alcohol dependence

Children of Exceptional Parents Mary Isabelle Frank, 1983 Here are the most recent research and intervention strategies for children of alcoholic parents children of mentally ill parents and children of incarcerated parents Nationally recognized authorities in the fields of child development social work social science medicine psychology and psychiatry address the causes of these problems the impact they have on family relationships and child rearing patterns the intervention strategies that could be successful in preventing a second generation with similar problems and the need to establish social agencies and organizations that offer treatment and support for these special families

The International Journal of the Addictions, 1994

Parenting for Prevention David J. Wilmes, 1995 Parenting for Prevention

Parental Substance Misuse and Child Welfare Brynna Kroll, Andy Taylor, 2003 Focusing on the needs of children of substance misusing parents and the dilemmas faced by professionals working with them this comprehensive book brings together for the first time theoretical and practice issues for all those involved with the crossover between responses to drug and alcohol problems and child welfare Describing the effects of substance misuse on

good enough parenting and attachment and taking into account theories about substance use the authors analyse the issues facing children including the impact on psychological and emotional development Emphasising the importance of developing holistic approaches involving both child care and drug and alcohol agencies as well as families this book presents a practical model for risk assessment and intervention that balances the competing needs of parents and their children It is an essential resource for all those working or training to work in the fields of child welfare substance misuse health education and criminal justice *Communicating about Alcohol and Other Drugs* ,1990 Success Stories from the Heart Gary

Seidler,Peter Vegso,2019-02-05 To commemorate HCI s 40th anniversary many of its most loved and revered authors have contributed personal stories of lifechanging events in Success Stories from the Heart Poignant and inspiring from cover to cover these authors generously share their personal journeys to find truth the unexpected discoveries they made along the way and the spiritual renewals they experienced as a result A brave and mighty volume Success Stories from the Heart bares their souls and tells the stories of not only their own lives but of the many lives they ve touched Each contributing author in this extraordinary book has played a pivotal role in the advancement of mental health services and personal transformation They coined the phrases they made the discoveries they are the vanguards who brought us a deeper understanding of the issues that affect us our families our communities and every one of our relationships They are the true indispensable guides and mentors who rescue us from ourselves and each other that teach us better more fulfilling ways to live These stories chronicle experiences that go beyond the educational realm past office visits and therapy sessions and brought them deep into the tender realm of the heart They are the encounters that blurred the lines and made their work personal the hopes and tears of their careers the indelible scars that belie their commitment to do whatever it takes to make a difference It is this blending of personal and professional life that births wisdom that connects people and heals a hurting world Let Success Stories from the Heart inspire you it s a celebration of 40 momentous years and a thrilling celebration of life *Alcoholism And The Family* Saturo Saitoh,Peter Steinglass,Marc A. Schuckit,2013-05-24 The science of the etiology and treatment of alcohol has made notable progress in recent years Since the early 1970s there have been growing in roads made concerning the relevance of hereditary factors in alcoholism This has led to the presentation of various innovative hypotheses in this field In conjunction with this there has been much discussion and study of the alcoholic personality and its possible characteristics These may be considered the longitudinal aspects linked to the transmission of alcoholism *Alcohol* ,1986
