The Forgotten Liars:

The Liar Martin A. Hansen, 2023-04-04 Delicately attuned to the complexities of both the natural world and human psychology this potent classic of twentieth century Danish literature is narrated by an isolated schoolteacher stuck in a mire of loneliness deception and spiritual despair One of the greatest works of modern Scandinavian fiction **The Liar** tells the story of Johannes Lye a teacher and parish clerk on tiny Sand Island off the coast of Denmark a place that in winter is entirely cut off from the world at large by ice It is winter when the book begins and for years now Johannes has lived alone even as he nurses a secret passion for Annemari a former pupil Annemari is engaged to a local man Olaf who has left the island but is due to return come spring She is also being courted by a young engineer from the mainland Such are the chief players in a compact drama recorded in Johannes's ironic self-lacerating and anything but reliable diary Martin A Hansen's novel beautifully evokes the stark landscape of Sand Island and the immemorial circuit of the seasons as well as the mysterious passage of time in the human heart all the while proceeding to a supremely suspenseful conclusion **The Liar** Gilbert Parker, 1899 **King Liar** Dale Anthony, 2013-07-22 **Index to the Periodicals**, 1900 **Index to the Periodicals of 1890-1902** The Review of reviews, 1900 **Liar, Dreamer, Thief** Maria Dong, 2023-01-10 A young woman's carefully constructed fantasy world implodes in this brilliantly conceived novel that blurs distinctions between right and wrong comedy and tragedy imagination and reality Surreal filled with technicolor lies and terrible truths Alix E Harrow New York Times bestselling and Hugo award winning author Most Anticipated by CrimeReads Good Housekeeping BookRiot Goodreads Bookish OverDrive Aardvark Book Club pick Good Housekeeping Must Read Book of 2023 Katrina Kim may be broke the black sheep of her family and slightly unhinged but she isn't a stalker Her obsession with her co-worker Kurt is just one of many coping mechanisms like her constant shape and number rituals or the way scenes from her favorite children's book bleed into her vision whenever she feels anxious or stressed But when Katrina finds a cryptic message from Kurt that implies he's aware of her surveillance her tenuous hold on a normal life crumbles Driven by compulsion she enacts the most powerful ritual she has to reclaim control a midnight visit to the Cayatoga Bridge and arrives just in time to witness Kurt's suicide Before he jumps he slams her with a devastating accusation his death is all her fault Horrified Katrina combs through the clues she's collected about Kurt over the last three years but each revelation uncovers a menacing truth for every moment she was watching him he was watching her And the past she thought she'd left behind It's been following her more closely than she ever could have imagined A gripping page-turner as well as a sensitive exploration of mental health **Liar Dreamer Thief** is an intimate portrayal of life in all its complexities and the dangers inherent in unveiling people's most closely guarded secrets Includes a Reading Group Guide **The Perfect Liar** Brenda Novak, 2017-03-27 Obsession leads to lies When air force captain Luke Trussell opens his door one Sunday morning he's shocked to find the police and even more shocked when they charge him with rape He knows he made a mistake in judgment the night before but he certainly didn't

Liar's Poker Michael Lewis, 2010-03-02 The author recounts his experiences on the lucrative Wall Street bond market of the 1980s where young traders made millions in a very short time in a humorous account of greed and epic folly

Liar's Poker (25th Anniversary Edition): Rising Through the Wreckage on Wall Street (25th Anniversary Edition) Michael Lewis, 2014-10-27 The time was the 1980s The place was Wall Street The game was called Liar's Poker Before there was Flash Boys and The Big Short there was Liar's Poker A knowing and unnervingly talented debut this insider's account of 1980s Wall Street excess transformed Michael Lewis from a disillusioned bond salesman to the best selling literary icon he is today Together the three books cover thirty years of endemic global corruption perhaps the defining problem of our age which has never been so hilariously skewered as in Liar's Poker now in a twenty fifth anniversary edition with a new afterword by the author It was wonderful to be young and working on Wall Street in the 1980s never before had so many twenty four year olds made so much money in so little time After you learned the trick of it all you had to do was pick up the phone and the money poured in your lap This wickedly funny book endures as the best record we have of those heady frenzied years In it Lewis describes his own rake's progress through a powerful investment bank From an unlikely beginning art history at Princeton he rose in two short years from Salomon Brothers trainee to Geek the lowest form of life on the trading floor to Big Swinging Dick the most dangerous beast in the jungle a bond salesman who could turn over millions of dollars worth of doubtful bonds with just one call As he has continued to do for a quarter century Michael Lewis here shows us how things really worked on Wall Street In the Salomon training program a roomful of aspirants is stunned speechless by the vitriolic profanity of the Human Piranha out on the trading floor bond traders throw telephones at the heads of underlings and Salomon chairmen Gutfreund challenges his chief trader to a hand of liar's poker for one million dollars

Thief Liar Lady D. L. Soria, 2024-04-09 Happily Ever After is a total scam but at least this time the princess is the one controlling the gift until her true love arrives and threatens to ruin the whole scheme Intrigue magic and wit abound in this Cinderella fairytale reimagining perfect for fans of Heather Walter and Naomi Novik A dazzlingly magical thrilling and inventive take on a beloved classic Lana Harper New York Times bestselling author of Payback's a Witch I'm not who you think I am My transformation from a poor orphaned scullery maid into the enchantingly mysterious lady who snagged the heart of the prince did not happen as the rumors insisted in a magical metamorphosis of pumpkins and glass slippers On the first evening of the ball I didn't meekly help my evil stepmother and stepsisters primp and preen or watch forlornly out the window as their carriage rolled off toward the palace I had other preparations to make

My stepsisters and I had been trained for this to be the cleverest in the room to be quick with our hands and quicker with our lies We were taught how to get everything we wanted in this world everything men always kept for themselves power wealth and prestige And with a touchingly tragic past and the help of some highly illegal spells I would become a princess secure our fortunes and we would all live happily ever after But there s always more to the story With my magic running out war looming and a handsome hostage prince the wrong prince distracting me from my true purpose with his magnetic charm and forbidden flirtations I m in danger of losing control of the delicate balance I ve created and that could prove fatal There s so much more riding on this than a crown

A Soldier and A Liar Caitlin Lochner,2019-02-19 In a world on the brink of war four superpowered teens must learn to work together for peace in Caitlin Lochner s action packed debut novel A Soldier and A Liar Lai Cathwell is good at keeping secrets As a Nyte a supernaturally gifted teenager who is feared and shunned by the ungifted this skill is essential to survival Orchestrating her own imprisonment to escape military duty has only honed her ability to deceive others But when rebels start attacking the city Lai is dragged back into the fight with a new team of Nytes Thrown together with Jay a self conscious perfectionist consumed by the desire to be accepted Al a short tempered fighter lying for the sake of revenge and Erik an amnesiac hell bent on finding his memories and his place in the world Lai realizes she s facing an entirely different kind of challenge one that might just be impossible But if this team can t learn to work together the entire sector will be plunged into war

The Liar School of Herodotos W.K. Pritchett,1993-01-01 Professor Pritchett questioning the patron izing and dismissive tone which a group of scholars has reserved for Herodotos devotes his attention to four works of the past decade which have to do with Herodotos source citations his epigraphical listings his record for Scythia and the treatment of the topography of Thermopylai by a geomorphological survey team as well as some miscellaneous writings His procedure is to take up passage by passage the examples where Herodotos has been charged with falsification in an effort to show that there exists in the literature evidence which mutes the allegations He concludes with sections on a general appraisal of Herodotos by specialists and a discussion of Herodotos audience The monograph is of general interest to students of Greek historiography There is an index of the Herodotean passages which are scrutinized
