The Forgotten Nature Of New England A Search For Traces Of The Original Wilderness

Arturo Cuomo

The Forgotten Nature Of New England A Search For Traces Of The Original Wilderness:

The Forgotten Nature of New England Dean B. Bennett, 1996 By trekking hundreds of miles everywhere asking about legendary natural features or curiosities Dean Bennett discovered an intriguing array of places where the original New England remains unusual often beautiful sometimes awe inspiring and ever fascinating Pockets of old growth forest stand unharvested Caves and dinosaur footprints and half forgotten curiosities such as Devil s Foot Rock lie hidden Undammed rivers form spectacular waterfalls Rare animals and plants maintain toeholds here and there Bennett s book shows you all of these and more

The Nature of Vermont Charles W. Johnson, 2000-09-26 An up to date overview of Vermont s geological natural and land use histories in the context of past present and future human interactions with the landscape **Reading**

Rural Landscapes: A Field Guide to New England's Past Robert Stanford, 2015-07-30 William Faulkner once said The past is never dead It s not even past Nowhere can you see the truth behind his comment more plainly than in rural New England especially Maine New Hampshire Vermont and western Massachusetts Everywhere we go in rural New England the past surrounds us In the woods and fields and along country roads the traces are everywhere if we know what to look for and how to interpret what we see A patch of neglected daylilies marks a long abandoned homestead A grown over cellar hole with nearby stumps and remnants of stone wall and orchard shows us where a farm has been reclaimed by forest And a piece of a stone dam and wooden sluice mark the site of a long gone mill Although slumping back into the landscape these features speak to us if we can hear them and they can guide us to ancestral homesteads and famous sites Lavishly illustrated with drawings and color photos Provides the keys to interpret human artifacts in fields woods and roadsides and to reconstruct the past from surviving clues Perfect to carry in a backpack or glove box A unique and valuable resource for road trips genealogical research naturalists and historians

New England Landscape History in American Poetry , *When the Land Turned Green* Dean Bennett, Sheila Bennett, 2022-08-15 Deep in the wilderness of northern Maine in the mid 1950s a Harvard PhD student is wading down a mountain stream into a remote valley He is taking his first steps to map the geology of 300 square miles of Baxter State Park He soon discovers a series of unusually shaped rock outcrops part of an unknown geologic formation hundreds of millions of years old still mystifying today because of its relative lack of change despite nearby volcanic activity and massive land movement Wading on he has another surprise In a thin layer of black shale beside the stream he finds a small fossil of a plant Little does he know but his discovery of *Perticaquadrifaria* will help scientists unlock the details of a major event in the history of our planet the transition of plants to land an occurrence that continues to have a critical influence on the Earth s life supporting processes including climate The 400 million year old Devonian Era *Pertica* fossils have been found nowhere else on Earth but that enigmatic rock formation deep in the Maine woods *Pertica* was one of the very first land plants and is thought to have been the tallest of the time Today the site of the fossil s discovery lies in the shadow of an Eastern White Pine which now takes the ancient plant s place as the tallest plant on the land in the

eastern United States This fascinating story explores the work of geologists and paleobotanists as they attempt to demystify the land and reveal the ancient life forms that settled on it It explores the hypothesis that these two tall plants Pertica and White Pine are related and asks What can these two plants one ancient and one modern tell us about the past and perhaps hint at the future **Wild Earth** ,2000 **The Environmental & Geographic Information Center's D.E.P. Store** Connecticut. Environmental and Geographic Information Center,1999 Down East ,1997 *The Northern Forest Forum* ,1996 **1998 Writer's Market** Kirsten C. Holm,Don Prues,1997 Current edition of the annual writer s resource which lists 4 200 places to sell articles books short stories novels plays scripts and greeting cards Includes information on royalties submission guidelines manuscript formats contact information and tips from successful authors and editors Annotation copyrighted by Book News Inc Portland OR American Book Publishing Record ,1996 *Maine History* ,2002 Subject Guide to Books in Print ,1991 **Forthcoming Books** Rose Arny,2004 **Reports of the Commissioners of the United States to the International Exhibition Held at Vienna, 1873** United States. Commissioners to the International Exhibition held at Vienna, 1873,1876 **Religion in the United States of America. Or an account of the origin, progress ... and present condition of the Evangelical churches in the United States. With notices of the unevangelical denominations** Robert BAIRD (D.D., of New York.),1844 *Religion in the United States of America* Robert Baird,1844 *Religion in America* Robert Baird,1844 **the new england historical and genealogical register** ,1883
