Lacey on the lap of a handsome mysterious stranger connecting her heart to his Will gets a last minute seat on a flight back home next to a beautiful quirky woman who blows into his life like a warm spring breeze Her magnetism lights him up after weeks of darkness He refuses to say goodbye until he steals one heated kiss from her A surprise twist of fate drops them into deep water but the fire between them never burns out What they thought would be a week of carefree distractions blossoms into something their hearts didn't bargain for Colors and Curves Summer Skylar's beauty and curves are a curse She's been lied to cheated on and avoids dating like the plague That is until an adorable three legged dog runs her over in Central Park leading to a heated exchange with his arrogant sexy as sin owner Irritated by his apathy Skylar walks away but steamy dreams of his chiseled physique consume her hot summer nights During a pivotal event in her career Skylar's restraint snaps like a rubber band when she finds him standing in front of her as the famous photographer Julius Ariti Harsh rumors circulating about him and his current actions toward her don't add up leading Skylar to wonder who the real Julius is Everyone deserves a chance no matter how broken they are Julius leads a secluded orderly life to keep his traumatic memories at bay After meeting Skylar Vitale something ignites inside him and his world is no longer black and white His burning desire is to see Skylar's true colors To capture them with his lens To see what everyone else sees If only he could Maple Trees and Maybes Autumn Professionally Daisy is sharp as a knife when it comes to visual arts Personally she has gone through lengthy changes to forget her past and rebuild herself Suddenly her social circle includes a group of warm loving friends and a family she never had but always dreamed of However Daisy's hard won sobriety is at odds with her new friends social style and there's a risk that her demons will be exposed The most unlikely person to catch her when she falls is flirty Josh the guy everyone warns will stomp on her heart To her surprise he fills her life with hope pride and desire A stupid bet No women for two weeks For the ladies man Josh that is physically impossible but he's always up for a good challenge Until the colorful Daisy appears again throwing him into the unknown Tempting him in more ways than one After having her crumple in his arms Is it because you always want what you can't have or is there something pushing them together that's out of his control
