The Four Sisters Of Hofei:

Four Sisters of Hofei Ann-ping Chin, 2002 Not since Wild Swans has the history of China been so intimately encountered Through the stories of four sisters born between 1908 and 1914 a renowned historian brings to life a century of Chinese culture 8 photos throughout **Four Sisters of Hofei** Ann-ping Chin (Professorin für Geistes- und Kulturgeschichte Chinas, Taiwan, USA), 2003 *Four Sisters of Hofei* Ann-ping Chin, 2013-02-26 Four Sisters of Hofei is an intimate encounter with Chinese history told through the collective memory and stories of four sisters born between 1908 and 1924 and with the benefit of the extraordinary knowledge of Yale historian Annping Chin Now in their late eighties and early nineties the Chang sisters lived through a century of historic change in China In this extraordinary work assembled with the benefit of letter diaries family histories poetry journals and interviews Annping Chin shapes the story of this family into a riveting chronicle that provides uncanny insight into the old China and its transition to the new From their father the Chang sister inherited reason and a belief in the virtues of modern education From their mother they learned about the human spirit and the art of finding an appropriate path Their nurse nannies uneducated widows from the Hofei countryside contributed their own traditional beliefs and opinions on modern ways As the sisters grew up one broke with tradition to marry an actor one survived the most violent political years of Communist rule one married one of China s greatest novelists and one raised separately by her devout Buddhist great aunt was taught to be a rigorous practitioner of China s classical arts The Chang sisters prolific correspondence provides a rare glimpse of private life in China during the twentieth century as well as a chronicle of the country from prosperity to persecution from foreign wars to Cultural Revolution In Chin s expert prose Four Sisters of Hofei is an intensely person story that illustrates the complex history of a complex land *Encyclopedia of Diasporas* Melvin Ember, Carol R. Ember, Ian Skoggard, 2004-11-30 Immigration is a topic that is as important among anthropologists as it is the general public Almost every culture has experienced adaptation and assimilation when immigrating to a new country and culture usually leaving for what is perceived as a better life Not only does this diaspora change the country of adoption but also the country of origin Many large nations in the world have absorbed and continue to absorb large numbers of immigrants The foreseeable future will see a continuation of large scale immigration as many countries experience civil war and secessionist pressures Currently there is no reference work that describes the impact upon the immigrants and the immigrant societies relevant to the world s cultures and provides an overview of important topics in the world s diasporas The encyclopedia consists of two volumes covering three main sections Diaspora Overviews covers over 20 ethnic groups that have experienced voluntary or forced immigration These essays discuss the history behind the social economic and political reasons for leaving the original countries and the cultures in the new places Topics discusses the impact and assimilation that the immigrant cultures experience in their adopted cultures including the arts they bring the struggles they face and some of the cities that are in the forefront of receiving immigrant cultures Diaspora

Communities include over 60 portraits of specific diaspora communities Each portrait follows a standard outline to facilitate comparisons The Encyclopedia of Diasporas can be used both to gain a general understanding of immigration and immigrants and to find out about particular cultures topics and communities It will prove of great value to researchers and students curriculum developers teachers and government officials It brings together the disciplines of anthropology social studies political studies international studies and immigrant and immigration studies Kunqu Joseph S. C. Lam, 2022-11-07

In *Kunqu A Classical Opera of Twenty First Century China* Joseph S C Lam offers a holistic and interdisciplinary view on kunqu a 600 year old genre of Chinese opera that is being fashionably performed inside and outside of China He explains how and why the genre charms and signifies Chinese culture history and personhood As the first comprehensive and scholarly book on kunqu written in English the book not only discusses the genre in cultural and historical terms but also analyzes its shows as performative cultural social and political communications It approaches the genre from several perspectives ranging from those of performers and producers to those of casual audience dedicated connoisseurs and scholarly critics Lam also employs a judicious blend of Chinese and international theories and methods Through this comprehensive study of kunqu Lam has established the significance of the genre not only in the sphere of Chinese music but also among the cultural heritage and performing arts at a global level This work would be of terrific interest to amateur kunqu performers and to kunqu supporters It will also be an essential reference work for scholars conducting research not only on kunqu but on all forms of Chinese opera particularly as they are being performed contemporarily Nancy Guy UC San Diego author of *Peking Opera and Politics in Taiwan* It is the first book length work devoted to studying kunqu opera from historical and ethnomusicological perspectives At the same time the study engages various sociocultural theories and methods of humanities studies It will be a significant addition to the scholarships of ethnomusicology Chinese cultural history Chinese drama and theater performance studies Yung Sai shing National University of Singapore **US-China Review**, 2004

Journey Through the White Terror Kang-i Sun Chang, 2013-02-25 Kang i Sun Chang is Malcolm G Chace 56 Professor of East Asian Languages and Literatures at Yale University In her memoir *Journey Through the White Terror* she tells the powerful story of her father Paul Sun 1919 2007 Along with numerous others Sun was imprisoned more than 60 years ago during the White Terror the decade following the withdrawal of Chiang Kai shek s Nationalist government from Mainland China to Taiwan in mid December 1949 During this time the Nationalist government implemented a policy of better to kill ten thousand by mistake than to set one free by oversight and as a result many innocent civilians such as the author s father became victims of ferocious searches and persecutions At the time of her father s arrest Prof Chang was not quite six years old when her father returned home she was almost sixteen Having witnessed the injustice of her father s imprisonment and the freedom their family later enjoyed in America she felt compelled to write this story Prof Chang s account of how the family survived the White Terror makes her book one of the most intense and thrilling works on the subject But the book is

also about soul searching and the healing of a childhood trauma It is a true story about the triumph of the human spirit in the face of adversity Love and religion in such circumstances prove to be the ultimate deliverance All this is described in considerable detail in this extraordinary memoir

The Politics of Cultural Capital Julia Lovell,2006-03-31 In the 1980s China's politicians writers and academics began to raise an increasingly urgent question why had a Chinese writer never won a Nobel Prize for literature Promoted to the level of official policy issue and national complex Nobel anxiety generated articles conferences and official delegations to Sweden Exiled writer Gao Xingjian's win in 2000 failed to satisfactorily end the matter and the controversy surrounding the Nobel committee's choice has continued to simmer Julia Lovell's comprehensive study of China's obsession spans the twentieth century and taps directly into the key themes of modern Chinese culture national identity international status and the relationship between intellectuals and politics The intellectual preoccupation with the Nobel literature prize expresses tensions inherent in China's move toward a global culture after the collapse of the Confucian world view at the start of the twentieth century and particularly since China's re entry into the world economy in the post Mao era Attitudes toward the prize reveal the same contradictory mix of admiration resentment and anxiety that intellectuals and writers have long felt toward Western values as they struggled to shape a modern Chinese identity In short the Nobel complex reveals the pressure points in an intellectual community not entirely sure of itself Making use of extensive original research including interviews with leading contemporary Chinese authors and critics *The Politics of Cultural Capital* is a comprehensive up to date treatment of an issue that cuts to the heart of modern and contemporary Chinese thought and culture It will be essential reading for scholars of modern Chinese literature and culture globalization post colonialism and comparative and world literature

Routledge Companion to Shen Congwen Gang Zhou,Sihe Chen,Zhang Xinying,Jeffrey C Kinkley,2019-06-07 This volume is about studies of Shen Congwen 1902-1988 one of the most important writers in modern China but more importantly it is about how Shen Congwen has been received in and beyond Mainland China By presenting the best literary criticism on Shen Congwen in Mainland China over the past 80 years and views of how Shen Congwen has been understood interpreted and appreciated in Japan the US and Europe the editors propose a new way to approach the topics of canonic writers modern Chinese literature and world literature This is itself a translated project Its Chinese edition appeared in May 2017 The bilingual rendering of the best criticism of Shen Congwen from a global perspective intends to initiate and advance dialogues between Chinese and English language scholarly communities We strive to explore the complexities of worldwide images and interpretations of Shen Congwen By calling attention to the foreign spaces into which overseas Shen Congwens and modern Chinese literature are reborn as world literature we acknowledge and celebrate the study of Shen Congwen and modern Chinese literature as ongoing and endless cross cultural dialogues and manifestations

China's Grandmothers Diana Lary,2022-04-21 Over the past century and a half China has experienced foreign invasion warfare political turmoil and revolution along with massive economic and

technological change Through all this change there is one stable element grandmothers as child carers household managers religious devotees transmitters of culture and above all sources of love warmth and affection In this interdisciplinary and longitudinal study China's Grandmothers sheds light on the status and lives of grandmothers in China over the years from the late Qing Dynasty to the twenty first century Combining a wide range of historical and biographical materials Diana Lary explores the changes and continuities in the lives of grandmothers through revolution wars and radical upheaval to the present phase of economic growth Informed by her own experience as a grandchild and grandmother Lary offers a fresh and compelling way of looking at gender family and aging in modern Chinese society **China Fictions / English Language**

Women in China from Earliest Times to the Present Robin Yates, 2009-07-31. This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English, French, German and Italian. Containing more than 2500 citations of books, chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses, it covers works written in the disciplines of anthropology and sociology, art and archaeology, demography, economics, education, fashion, film and media studies, history, interdisciplinary studies, law, literature, music, medicine, science and technology, political science and religion and philosophy. It also contains many citations of studies of women in Hong Kong and Taiwan.

The Analects Confucius, 2014-09-30. Confucius is one of the most humane, rational and lucid of moral teachers concerned not with arcane metaphysics but with practical issues of life and conduct. What is virtue? What sort of life is most conducive to happiness? How should the state be ruled? What is the proper relationship between human beings and their environment? In this classic translation of *The Analects* by Arthur Waley, the questions Confucius addressed two and a half millennia ago remain as relevant as ever.

The Cultural Practices of Modern Chinese Buddhism Francesca Tarocco, 2007. Buddhism in China during the late Qing and Republican period remained a powerful cultural and religious force. Francesca Tarocco is a rising star in this field and offers an innovative, high quality piece of work that presents a new perspective on the influence of Buddhism on Chinese culture. Drawing on scarcely analyzed historical and archive sources including photographs and musical scores, Tarocco adeptly argues that Chinese Buddhism played a more vital role in shaping Chinese culture than previously assumed. This enlightening study fills a significant gap in the field of Chinese Buddhist history. Focusing on the cultural side of Buddhism, it adds breadth and balance to studies in Buddhism as a whole, appealing to professionals and academics with an interest in Buddhism and Chinese Buddhist history.

A Cold Season In Shanghai S.P. Hozy, 2009-09-01. A time of turmoil when destinies were forged. In this searing historical novel by Toronto author S.P. Hozy, set amid the turmoil of early twentieth century Shanghai, three women—one Russian, one Chinese and one French—determine the tragic fate of a young piano prodigy. Which of them is really responsible? *A Cold Season In Shanghai* is set against the backdrop of revolution in China when decadent Shanghai was like no other place on earth. The narrator is Tatiana, a Russian woman brought up in a wealthy family. Looking back on her actions thirty years later from her new life in Toronto, she recalls the complex relationships between the three women and the effect

they had on each others lives She suspects she may have been the catalyst for a series of devastating events which caused havoc in the lives of her friends Tormented by the aftermath of her decision she chooses to live a life of careless abandon turning her back on her family and ultimately her friends

Performing "Nation" Doris Croissant, Catherine Vance Yeh, Joshua Scott Mostow, 2008 Uniquely covering literary visual and performative expressions of culture this volume aims to correlate the conjunctions of nation building gender and representation in late 19th and early 20th century China and Japan Focusing on gender formation the chapters explore the changing constructs of masculinities and femininities in China and Japan from the early modern up to the 1930s Chapters focus on the dynamism that links the remodeling of traditional arts and media to the political and cultural power relations between China Japan and the Western world A true tribute to multidisciplinary studies

Women in China's Long Twentieth Century Gail Hershatler, 2007-03-29 This indispensable guide for students of both Chinese and women s history synthesizes recent research on women in twentieth century China Written by a leading historian of China it surveys more than 650 scholarly works discussing Chinese women in the context of marriage family sexuality labor and national modernity In the process Hershatler offers keen analytic insights and judgments about the works themselves and the evolution of related academic fields The result is both a practical bibliographic tool and a thoughtful reflection on how we approach the past

Mao Michael Lynch, 2017-05-02 Michael Lynch s second edition of Mao examines the life of this controversial figure Opening with a detailed chronology it delves into Mao s younger years and tracks his gradual rise to power with a chapter dedicated to the cult status that surrounded him Through a wealth of primary and secondary sources and a balanced consideration of the conflicting views that surround Mao s leadership this book provides a thorough exploration of Mao s political and private life Key features of the second edition include a detailed analysis of the Long March an account of Sino Japanese relations and an assessment of Mao s ongoing legacy This biography will be essential reading for anyone interested in Mao and the politics of twentieth century China

Confucius Ann-Ping Chin, 2009-05-26 For more than two thousand years Confucius 551 479 B C has been a fundamental part of China s history His influence as a moral thinker remains powerful to this day Yet despite his fame and the perennial interest in his life and teachings Confucius the man has been elusive and no definitive biography has emerged In this book the scholar and writer Annping Chin negotiates centuries of reconstructions guess work and numerous Chinese texts in order to establish an absorbing and original account of the thinker s life and legacy In this book Chin brings the historical Confucius within reach so that he can lead us into his idea of the moral and explain his timeless teachings on family and politics culture and learning Confucius is the culmination of years of research a book that makes an important and fascinating contribution to biography and Chinese history Book cover
