*Summary of Catherine Raven's Fox and I* Everest Media, 2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I had bought this land three years earlier I had been living up valley renting a cabin that the owner had winterized in the sense that if I wore a down parka and mukluks to bed I wouldn't succumb to frostbite overnight 2 The fox was a year old and he had already trespassed several times to visit the house with the shiny blue roof He planned to avoid his mother's territory and visit the house instead 3 The author had a conversation with Fox and then looked at him in silence for fifteen seconds The fifteen second pause simulated

his turn to speak He had almost reached his average sitting time of eighteen minutes 4 The unboxed fox and I were still reading when the landline interrupted I tried ignoring it but I didn't own an answering machine and my caller had limitless patience After listening to about a dozen rings I went inside and picked up the downstairs phone leaving the door open so I could keep an eye on Fox
