The Fragments of a Broken Life Aline Marie Fey, 2017-06-30 The Fragments of a Broken Life is an incredibly overwhelming story of an isolated and abused little girl Leena These pages reveal an overwhelming behind the scenes insight concerning child molestation and rape family denials the no talk rule and the cruel and detrimental silence and guilt that is forced upon its victims Unfolded here are many painful truths which are even now locked away in many homes all across this nation Read and be enlightened how a trusting little girl might give her body away making an oath of silence to herself in order to protect the ones she loves You'll see clearly how young women who have been physically emotionally and sexually abused as little girls could become bitter vengeful full of hate suicidal and often incapable of trusting or receiving love from a man One of the most extraordinary things about Leena's story is that she chose to raise

her beloved beautiful child who was born out of the molestation committed against her by her stepfather But rather than a story of dismay See for yourself how Leena experiences the Hand of God reaching into the entanglement of her life with all His goodness and mercy How parent He was as He drew her to Himself and taught her to forgive in order to be set free Read how God never gave up on her although she d often given up on herself and how He took The Fragments of a Broken Life and made her whole again The Fragments, The Spheres - Book One Minu Freitag ,2022-07-28 Readers of Philip Pullman s His Dark Materials will love Minu Freitag s fast paced contemporary fantasy adventure The Fragments the first Book in The Spheres series Run Easla Amrath is lost in a broken world haunted by a single memory a scream in the dark telling her to run When 17 year old Easla encounters the two years older Tayl Bergin in a strange forest she has no idea who she is Or where she is Or why nothing makes any sense Tormented by terrifying glimpses into a past she can no longer remember Easla clings to one thought she must go back and fix this But to return to her life she first must recover who she is and what she left behind So Tayl and Easla embark on an increasingly perilous journey across the broken landscapes of the Fragments where they discover how much of their past is entangled in an age old conflict that threatens to destroy not only their future but the future of all worlds within the Spheres The Fragments inventive take on alternate realities arcane magic and dystopian futures is filled with unforgettable creatures and richly imagined landscapes The first book in this new exciting series is a spellbinding stay up all night and tell all your friends read The fragments of attic comedy after Meineke, Bergk, and Kock J M Edmonds,2024-09-23 The Prince's Dream, and Other Fragments Orange Judd Laylander,1908
